These are just a few of the complex challenges facing adolescent girls. In a world that is changing rapidly, it can be difficult to know how to foster effective communication and provide authentic support for the girls that we teach, parent, mentor, and coach. The newly updated edition of Girls Without Limits offers relevant insights and concrete strategies that will help you: Understand the unique challenges girls face, including relationship troubles, social and academic pressures, disrespect and harassment, body image, academic and career choices, and becoming leaders Teach girls the skills they need to safely and confidently navigate social media and other evolving technologies Empower girls with the skills they need to establish healthy and supportive relationships, build a strong sense of self, and develop the confidence they need to confront negative societal expectations and make healthy, positive decisions Combining relevant research, findings from a large-scale national survey of more than 10,000 girls, and the voices and experiences of today's adolescents, Girls Without Limits equips educators, parents, school counselors, mentors, and coaches with the skills and strategies they need to build solid relationships, handle difficult conversations, and cultivate a generation of girls who are strong, capable, confident, and successful. What your colleagues have to say: Girls Without Limits is the first book I recommend to anyone I know who has daughters or works with girls. Rox and Pax Elena Gant,Koalaful,2019-06-03 Rox and Pax: I Can BeThat Too!, tells the story of twins, Rox (a boy), who wants to be a teacher like Mommy, and Pax (a girl), who wants to be an astronaut like Daddy. But there's only a problem. Rox cannot be a teacher, Pax tells him, because he is not a girl like Mommy. And Pax cannot be an astronaut, Rox tells her, because she is not a boy like Daddy.The twins are understandably overjoyed when Daddy corrects their misconception: Boys can do any jobs girls can do, and girls can do any jobs boys do. Boys and girls can dream of being anything they want to be. Thrilled, the children employ their wildest imaginations to explore all of the many things they might one day be. This story is for kiddos and for the young at heart. I hope it encourages kids to dream, and then set out to capture those dreams-- regardless of how difficult that task may appear.

My trusty snack wagon—The Pink

Taco Truck–hadn’t steered me wrong yet. This time, it led me straight to a hottie restaurant owner with a sexy Australian accent, who just so happened to love my secret sauce. He made me an offer I couldn’t refuse. But that wasn’t the only thing I was unable to turn down. Jay was everything I could ever want in a man, but he wasn’t without heartache of his own. In fact, he’d been around the world, and he had the baggage to prove it. Good thing I was always up for an adventure!
