Six Seasons Joshua McFadden,2017-05-02 Winner, James Beard Award for Best Book in Vegetable-Focused Cooking Named a Best Cookbook of the Year by the Wall Street Journal, The Atlantic, Bon Appétit, Food Network Magazine, Every Day with Rachael Ray, USA Today, Seattle Times, Milwaukee Journal-Sentinel, Library Journal, Eater, and more “Never before have I seen so many fascinating, delicious, easy recipes in one book. . . . [Six Seasons is] about as close to a perfect cookbook as I have seen . . . a book beginner and seasoned cooks alike will reach for repeatedly.” —Lucky Peach Joshua McFadden, chef and owner of renowned trattoria Ava Gene’s in Portland, Oregon, is a vegetable whisperer. After years racking up culinary cred at New York City restaurants like Lupa, Momofuku, and Blue Hill, he managed the trailblazing Four Season Farm in coastal Maine, where he developed an appreciation for every part of the plant and learned to coax the best from vegetables at each stage of their lives. In Six Seasons, his first book, McFadden channels both farmer and chef, highlighting the evolving attributes of vegetables throughout their growing seasons—an arc from spring to early summer to midsummer to the bursting harvest of late summer, then ebbing into autumn and, finally, the earthy, mellow sweetness of winter. Each chapter begins with recipes featuring raw vegetables at the start of their season. As weeks progress, McFadden turns up the heat—grilling and steaming, then moving on to sautés, pan roasts, braises, and stews. His ingenuity is on display in 225 revelatory recipes that celebrate flavor at its peak.

Firsts and Lasts Leda Schubert,2022-03 With evocative words and glorious cut-paper collages, this celebration of the transitions between seasons summons the first—and last—signals of the seasonal cycle. What is the first sign of spring? And what is the last glimpse of winter? The joy of the changing seasons means saying hello to new but familiar rituals, like spring picnics in the park or homemade lemonade in summer. But there’s also the bittersweet feeling of doing something for the last time, like mowing the lawn one final time on a brown day in autumn, or watching the last of the geese fly south in the early weeks of winter. Whichever way you mark the changing of the seasons, every year feels like an extraordinary miracle! In this jubilant ode to seasonal rituals, Leda Schubert evokes the familiar, enchanting rhythm of the four seasons, while Clover Robin’s bold collages bring warmth and magic to everyday occurrences.

Season's Change Cait Nary,2022-02-01 This is hockey romance for hockey fans. --Rachel Reid, author of the Game Changers series A veteran hockey player and a rookie can't get away from each other—or their own desires—in this sexy, heartfelt opposites-attract hockey romance. Olly Järvinen has a long way to go. He's got a fresh start playing for a new team, but getting his hockey career back on track is going to take more than a change of scenery. He's got to shut his past out and focus. On the game, not on his rookie roommate and his annoyingly sunny disposition—and annoyingly distracting good looks. All Benji Bryzinski ever wanted was to play in the big leagues, and he's not going to waste one single second of his rookie season. Yoga, kale smoothies and guided meditation help keep his head in the game. But his roommate keeps knocking him off track. Maybe it's just that Olly is a grumpy bastard. Or maybe it's something else, something Benji doesn't have a name for yet. Olly and Benji spend all their time together—on the ice, in the locker room, in their apartment—and ignoring their unspoken feelings isn't making them go away. Acting on attraction is one thing, but turning a season's fling into forever would mean facing the past—and redefining the future. Trade Season Book 1: Season's Change Book 2: Contract Season

The Reasons for Seasons (New & Updated Edition) Gail Gibbons,2019-05-14 Cold winters, hot summers--year after year the seasons repeat themselves. But what causes them? Why is there winter in the Southern Hemisphere at the same time there is summer in the Northern Hemisphere? In summertime, why is it still light out in the evening? With simple language appropriate for young readers, non-fiction master Gail Gibbons introduces young readers to the four seasons and explains why they change throughout the year. Newly revised and vetted by experts, this updated edition of The Reasons for Seasons introduces the solstices, the equinoxes, and the tilt in Earth's axis that causes them, and gives examples of what each season is like across the globe from pole to pole. Clear, simple diagrams of the earth's orbit are labeled with important vocabulary, explained and reinforced with accessible explanations. Fascinating and easy to understand, this is a perfect introduction to seasons, earth's orbit, and axial tilt. Different effects on different parts of the world are included, illustrating the difference in climate between the equator, the northern and southern hemispheres, and the polar regions.

Season of Life Jeffrey Marx,2007-11-01 The bestselling inspirational book in which the author reunites with a childhood football hero, now a minister and coach, and witnesses a revelatory demonstration of the true meaning of manhood—Season of Life is a book that “should be required reading for every high school student in America and every parent as well” (Carl Lewis, Olympic champion). Joe Ehrmann, a former NFL football star and volunteer coach for the Gilman high school football team, teaches his players the keys to successful defense: penetrate, pursue, punish, love. Love? A former captain of the Baltimore Colts and now an ordained minister, Ehrmann is serious about the game of football but even more serious about the purpose of life. Season of Life is his inspirational story as told by Pulitzer Prize-winning journalist Jeffrey Marx, who was a ballboy for the Colts when he first met Ehrmann. Ehrmann now devotes his life to teaching young men a whole new meaning of masculinity. He teaches the boys at Gilman the precepts of his Building Men for Others program: Being a man means emphasizing relationships and having a cause bigger than yourself. It means accepting responsibility and leading courageously. It means that empathy, integrity, and living a life of service to others are more important than points on a scoreboard. Decades after he first met Ehrmann, Jeffrey Marx renewed their friendship and watched his childhood hero putting his principles into action. While chronicling a season with the Gilman Greyhounds, Marx witnessed the most extraordinary sports program he'd ever seen, where players say “I love you” to each other and coaches profess their love for their players. Off the field Marx sat with Ehrmann and absorbed life lessons that led him to reexamine his own unresolved relationship with his father. Season of Life is a book about what it means to be a man of substance and impact. It is a moving story that will resonate with athletes, coaches, parents—anyone struggling to make the right choices in life.
