**Seduced** Virginia Henley, 2009-07-29 Shorn of her glorious raven tresses and dressed as a man, Lady Antonia Lamb became Lord Anthony Lamb, desperate to keep the property entailed to her twin brother, who is missing at sea. Trapped—and liberated—by her masquerade, Tony meets her new guardian, the devastatingly dangerous Adam Savage, who has returned from his plantation in Ceylon, determined to turn the innocent “boy” into a worldly man. A rake whose scarred face and ice-blue eyes made strong women weak, Adam Savage, legendary adventurer, vowed to take young Tony to the fleshpots of London; to teach him everything a young heir should know. But not even Savage guesses Tony's deepest secret, a masquerade destined to erupt in passionate abandon on one scorching, unforgettable night.

*Silently Seduced* Kenneth M. Adams, 2011-09-01 When a parent singles out a child for special privileges and attention, that child is often unaware that the relationship is unhealthy—even incestuous. As adults, these children struggle to feel validated, because while they have not been directly abused, they feel a sense of violation and crossed boundaries—usually done in the name of 'love' and 'caring.' The parent's love feels more confining than freeing, more demanding than giving, more intrusive than nurturing. Yet these children suffer from what psychologist Kenneth Adams calls The Silent Seduction—because there is nothing loving or caring about a close parent-child relationship that services the needs of the parent rather than the child. In this revised and updated 20th anniversary edition of his groundbreaking book *Silently Seduced*, Dr. Adams explains how 'feeling close,' especially with the opposite-sex parent, is not the source of comfort the image suggests, especially when that child is cheated out of a childhood by being a

parent's surrogate partner. He offers a framework to understand this covert incest and its effect on sexuality, intimacy, and relationships, and how victims can begin the process of recovery.

Seduced By Moonlight Laurell K. Hamilton, 2004-02-03 I am Meredith Gentry, P.I. and Princess Merry, heir to the throne of Fairie. Now there are those among me who whisper I am more. They fear me even as they protect me. And who can blame them? I've awakened the dazzling magic that's slumbered in them for thousands of years. But the thing is, I can't figure out why. My aunt, the Queen of Air and Darkness, is no longer distracted by her usual sadistic hobbies. Her obsession has turned unwaveringly to me. The mission to get me pregnant and beat my cousin Prince Cel to the crown is taking longer than expected. Even though I spend each night with the Queen's Ravens, my immortal guards, no child has come of our decadent pleasures. But something else is happening. My magic courses through me uncontrollably. And as I lock my half-mortal body with their full-Sidhe blooded ones, the power surges like never before. It all began with the chalice. I dreamed of it, and it appeared, cool and hard, beside me when I awoke. My guards know the ancient relic well—its disappearance ages ago stripped them of their vital powers. But it is here with us now. My touch resonates with its force, and they're consumed with it, their Sidhe essences lit up by it. But even as they cherish me for this unexpected gift, there are those who loathe me for it. Me, a mongrel, only half fey and part mortal. The Unseelie court has suffered for so long, and there are some who would not have it weakened further by an impure queen. My enemies grow in number every day. But they do not know what I am capable of. Nor, for that matter, do I. . . . In *Seduced by Moonlight*, Laurell K. Hamilton brings the dark, erotic reign of the

immortal fey to a startling new depth. Full of sensuality and the consuming anticipation of latent powers unleashed, this world of gods, shapeshifters, and immortal souls is unveiled in all of its supreme magnificence and its treacherous deceptions.

The Art Of Seduction Robert Greene, 2010-09-03 Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. *The Art of Seduction* is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

*Seduced* Randy Wayne White, 2017-09-26 A five-hundred-year-old mystery and a twenty-year-old murder haunt Hannah Smith in a stunning adventure by the author

of the New York Times-bestselling Doc Ford novels. A fishing guide and part-time investigator, Hannah Smith is a tall, strong Florida woman descended from many generations of tall, strong Florida women. But the problem before her now is much older even than that. And its consequences are lethal. Five hundred years ago, Spanish conquistadors planted the first orange seeds in Florida, but now the billion-dollar industry is in trouble. The trees are dying, weakened by infestation and genetic manipulation, and the only solution might be somehow, somewhere to find sample of the original root stock. No one is better equipped to traverse the swamps and murky backcountry of Florida than Hannah, but once word leaks out of her quest, the trouble begins. There are people who will kill to find a direct descendant of those first seeds, she is warned--and it looks like those words may be all too prophetic. That is, if the secrets she discovers in the Florida wild about a twenty-year-old murder don't kill her first. Or the fifteen-foot-long Burmese python.

**Silently Seduced** Kenneth M. Adams,2011-09 In this revised and updated 20th anniversary edition of his groundbreaking book, Dr. Kenneth Adams, a leading expert on covert incest, sex addiction, and childhood trauma, offers tools for identifying and healing from covert incestuous relationships that affect adult relationships and lives. He explains how 'feeling close' with a parent is not always the source of comfort the phrase suggests, especially when that child is cheated out of a childhood by being a parent's surrogate partner. Dr. Adams includes a new Q&A section that directly addresses issues including: • How can this be incestuous when there is no physical sexual contact? • Why is sexual addiction so common with covert

incest survivors? • Why is it so hard for covert incest survivors to commit to romantic relationships? • If my partner is a covert incest survivor, how can I help? • Can I pass covert incest on to my children? Through new findings and expanded discussions on 'engulfment,' 'excessive guilt,' 'loyalty,' and 'narcissism,' and others, *Silently Seduced* offers a framework to understand covert incest and its effect on sexuality, intimacy, and relationships to facilitate the process of recovery.

Seduced Nelson George, 1997-01-21 [A] smart, funny, and wonderfully resonant novel . . . It's the 1980s, and aspiring songwriter Derek Harper is a man easily seduced. Not only do the Big Three \*money, fame, and women \*keep him running, but Harper falls prey to subtler forms of seduction as well: the ease of rationalizing bad behavior, abdicating responsibility, and keeping the whole world at arm's length. All these issues are brilliantly interwoven with a behind-the-scenes look at the music industry, particularly the evolution of rap. \*Los Angeles Times Book Review *Seduced* is at its most compelling when author Nelson George delves into the differences between life in the projects and the middle-class heaven of St. Albans and how it evolved over thirty years. . . . George's style is, well, seductive, luring the reader into a world that takes in the range of black experience funneled through the music industry. \*St. Petersburg Times *Seduced* shows Nelson George at the top of his game doing what he does best: zinging the black music biz. The road chapters alone have enough shrill wit, stabbing satire, and tight accuracy to parallel the life of anyone who's ever been out there during the Reagan-stressed '80s. \*Houston Chronicle In *Seduced*, Nelson keeps it real. This is a sex story, a New York story, and a music biz story rolled into one, starring a humble, beautifully average middle-class dreamer, who's not unlike

a male version of a Terry McMillan heroine. \*Touré

**Feminism Seduced** Hester Eisenstein, 2015-12-03 In a pioneering reinterpretation of the role of mainstream feminism, Eisenstein shows how the ruling elites of developed countries utilize women's labor and the ideas of women's liberation and empowerment to maintain their economic and political power, both at home and abroad. Her explorations range from the abolition of welfare as we know it and the ending of the family wage in the United States to the creation of export-processing zones in the global South that depend on women's nimble fingers; and from the championing of microcredit as a path to women's empowerment in the global South to the claim of women's presumed liberation in the West as an ideological weapon in the war on terrorism. Eisenstein challenges activists and intellectuals to recognize that international feminism is at a fateful crossroads, and argues that it is crucial for feminists to throw in their lot with the progressive forces that are seeking alternatives to globalized corporate capitalism.

**Seduced** Opal S. Singleton, 2015-03-30 Opal Singleton is President and CEO of Million Kids and Training and Outreach Coordinator for Riverside County Anti Human Trafficking Task Force. Opal trains thousands of government agencies, school administrators, corporations, civic groups and faith based organizations about how to prevent human trafficking. She sits with parents of missing kids and talks with teens who are being Sextorted with a naked photo. Sometimes the young people are coerced or forced into prostitution. This is human trafficking and it is the fastest growing crime in the U.S. Opal has recognized a disturbing trend. Each encounter with a stranger, every illicit photo represents an opportunity for exploitation. With advancing technology violence and sex can be portrayed in ways that parallel reality. The result is a generation of Desensitized

Teenagers. We are at a unique time in history. We have a generation of teens who have never NOT known the Internet and parents that are techno-phobic. Parents give kids devices that open the door to over a million predators that can influence a child's thinking on morality, spirituality and sexuality while they are competing for approval in a fantasy world. Apps, social media and online gaming allow ACCESS, GROOMING, RECRUITMENT AND EXPLOITATION of our young people by total strangers. This book is not just an Internet Safety program. It is a parent and grandparent empowerment tool. IT IS REAL. IT IS EYE OPENING. IT COULD CHANGE YOUR LIFE AND THE LIFE OF YOUR FAMILY.

Seduced into Darkness Carrie Ishee, 2020-06-01 *Seduced into Darkness: Transcending My Psychiatrist's Sexual Abuse* is a vivid and captivating story of hope for survivors of abuse as well as a case study in a skilled manipulator's tragic exploitation of his professional power. This poignant memoir chronicles the traumatic psychological abduction and sexual exploitation of depressed college student Carrie Tansey at the hands of her psychiatrist, Dr. Anthony Romano—thirty-one years her senior. For three years, their secret "affair" was carefully calculated and controlled by Romano, as Carrie's mental and emotional health continued to deteriorate, bringing her closer and closer to the edge. Their dual-relationship finally came to light when Carrie's suicide attempts landed her in a world-renowned psychiatric hospital. Gradually, she began to reclaim her power, reported Romano to the state licensing board, successfully sued him for malpractice, and testified before the state legislature to bring awareness to such abuses. As Carrie tells her tale, it is a journey paralleling that of the mythical archetype Persephone, the naive innocent who was abducted into darkness, reemerged and regenerated herself, then fearlessly returned to the

prison she had fled, this time to help free others. Today, Carrie Ishee is a widely respected art therapist and life coach as well as a teacher specializing in the issues of ethics, self-care, and boundaries for mental health professionals.

**Seduced by Story** Peter Brooks, 2022-10-18 In this spiritual sequel to his influential *Reading for the Plot*, Peter Brooks examines the dangerously alluring power of storytelling. “There’s nothing in the world more powerful than a good story. Nothing can stop it. Nothing can defeat it.” So begins the scholar and literary critic Peter Brooks’s reckoning with today’s flourishing cult of story. Forty years after publishing his seminal work *Reading for the Plot*, his important contribution to what came to be known as the “narrative turn” in contemporary criticism and philosophy, Brooks returns to question the unquestioning fashion in which story is now embraced as an excuse or explanation and the fact that every brand or politician comes equipped with one. In a discussion that ranges from *The Girl on the Train* to legal argument, Brooks reminds us that among the powers of narrative is the power to deceive.
