Insanely Simple Ken Segall, 2012-04-26 'Simple can be harder than complex. You have to work hard to get your thinking clean to make it simple. But it's worth it in the end, because once you get there, you can move mountains' Steve Jobs, *BusinessWeek*, May 25, 1998 To Steve Jobs, Simplicity wasn't just a design principle. It was a religion and a weapon. The obsession with Simplicity is what separates Apple from other technology companies. It's what helped Apple recover from near death in 1997 to become the most valuable company on Earth in 2011, and guides the way Apple is organized, how it designs products, and how it connects with customers. It's by crushing the forces of Complexity that the company remains on its stellar trajectory. As

creative director, Ken Segall played a key role in Apple's resurrection, helping to create such critical campaigns as 'Think Different' and naming the iMac. *Insanely Simple* is his insider's view of Jobs' world. It reveals the ten elements of Simplicity that have driven Apple's success - which you can use to propel your own organisation. Reading *Insanely Simple*, you'll be a fly on the wall inside a conference room with Steve Jobs, and on the receiving end of his midnight phone calls. You'll understand how his obsession with Simplicity helped Apple perform better and faster.

Simple Fly Fishing Yvon Chouinard, Craig Mathews, Mauro Mazzo, 2014-04-15 Modern-day fly fishing, like much in life, has become exceedingly complex, with high-tech gear, a confusing array of flies and terminal tackle, accompanied by high-priced fishing guides. This book reveals that the best way to catch trout is simply, with a rod and a fly and not much else. The wisdom in this book comes from a simpler time, when the premise was: the more you know, the less you need. It teaches the reader how to discover where the fish are, at what depth, and what they are feeding on. Then it describes the techniques needed to present a fly at that depth, make it look lifelike, and hook the fish. With chapters on wet flies, nymphs, and dry flies, its authors employ both the tenkara rod as well as regular fly fishing gear to cover all the bases. Illustrated by renowned fish artist James Prosek, with inspiring photographs and stories throughout, *Simple Fly Fishing* reveals the secrets and the soul of this captivating sport.

Simple Money, Rich Life Bob Lotich, 2022-04-26 A hope-filled money guide to increase savings, earnings, and giving and actually enjoy it all while designing a life of freedom and eternal impact, from the founder of SeedTime Money. Broken down and stranded 1,000 miles from home with only \$7 left in his bank account, Bob Lotich had reached his breaking point. He was stuck in a dead-end job, living paycheck-to-paycheck, and overwhelmed by debt. Bob had been following the world's advice with money and this was the fruit of it. In desperation, he cried out to God for wisdom, for a different way. The answer was a simple four-part formula, one based on timeless biblical principles, and, most important, it worked. After applying this simple formula, Bob discovered that his financial stress melted away and he finally felt fully in control of his money. As he continued to follow the four steps, he paid off over \$400,000 in debt, reached a personal goal of giving \$1 million by age 40, and achieved a level of financial freedom he never dreamed possible. In his casual and approachable style, Bob (along with his fun-loving wife, Linda) shares everything he learned about achieving true financial freedom, including: • How to create a money system so you can spend less time and get better results • The One-Category Budget: get 80% of the results with 20% of the work • The four keys to earning more in the digital era • How to automate your way to financial success in less than 10 minutes • The secrets of a six-figure giver • Three credit card rules that banks don't want you to know • How to save \$100s each month while still buying what you love • And much more! Whether you are doing "fine" or are in a financial crisis, the included 21-day kick-start will leave you with specific action items to guide you to success. You can have financial security, peace, significance, and eternal impact. Let Bob show you how to reimagine money as it was meant to be: simple.
