

# Square

Henry James

**Square** Mac Barnett,2019-03-05 From the dream team of Jon Klassen and Mac Barnett comes the second instalment in the exciting new shape trilogy. Every day, Square brings a block out of his cave and pushes it up a steep hill. This is his work. When Circle floats by, she declares Square a genius, a sculptor! “This is a wonderful statue,” she says. “It looks just like you!” But now Circle wants a sculpture of her own, a circle! Will the genius manage to create one? Even accidentally?

Perfect Square Michael Hall,2011-03-29 A perfect square is transformed in this adventure story that will transport you far beyond the four equal sides of this square book.

**A Crime in the Neighborhood** Suzanne Berne,2013-07-09 A New York Times Notable Book. Set in the Washington, D.C., suburbs during the summer of the Watergate break-ins, Berne's assured, skillful first novel is about what can happen when a child's accusation is the only lead in a case of sexual assault and murder. A BOOK -OF-THE-MONTH CLUB and QUALITY PAPERBACK BOOK CLUB selection.

*Square Persimmon and Other Stories* Takashi Atoda,2012-01-16 The Square Persimmon and Other Stories is an introduction to Takashi Atoda—one of Japan's most popular and versatile writers of fiction. Takashi Atocia is a master storyteller. Like the bar madam in The Glow of Lipstick, he is capable of weaving a tale that captures the reader's attention from beginning to end. His plots deal with ordinary people, yet the emotional impact of each story is unusually strong. His down-to-earth characters inhabit a world that may at first appear familiar, but Atoda can so manipulate a scene that suddenly the reader is wondering whether it is reality or illusion that he is observing. Many stories feature bizarre endings. In these eleven stories, Atoda examines universal themes—first love, lost love, change, fate—through unmistakably Japanese eyes. The dreamlike quality of some stories invites the reader to draw his own conclusions in the denouement. Yet, in each one, Atoda brings to bear his precise style and his own unique vision, by turns mysterious, romantic, darkly humorous, and even bizarre.

**Cedric Price - The Square Book** Cedric Price,2003-09-19 Cedric Price Architects was established in 1960 and this book features works from its early years - iconic projects such as The Fun Palace and Potteries Thinkbelt, built projects such as London Zoo's Aviary, and many less well-known schemes and writings. Additional essays are contributed by eminent architectural historians Reyner Banham, Royston Landau and Robin Middleton and colleague/critics such as David Allford, Peter Cook and Warren Chalk. The Square Book is a faithful reprinting of an original book entitled Cedric Price: Works II, published in 1984 by the Architectural Association (AA). Ron Herron and AA Chairman Alvin Boyarsky had invited Price to make the book to coincide with an exhibition of the work of his office at the AA in June the same year. Price complied as a favour to his dear friends although he has always been resistant to the crystallisation of his work in book form, being more inclined towards the immediate and ephemeral nature of magazines and journals. Price states that there is a point reached where if too much time is required to produce something its operational integrity is marred. This remark is central to Price's thesis that Time is the fourth dimension in architecture and that Change is its champion. It is timely that such a book should be reprinted. Its purpose is not to provide material upon which to reflect but to serve as fuel to students and practitioners of architecture - a profession that continues to institutionally resist change at the beginning of a new millennium. We are reminded, as Peter Cook writes, that Cedric is our reference. Our conscience.

**The Hinged Square & Other Puzzles** Ivan Moscovich,2004 A colorful square, dissected into four parts, with hinges marked in black. If you leave the blue piece fixed and swing the others around their hinges, a new shape will emerge. Can you guess just by looking what it will be? This is just one of the tricky geometrical gems that will make a puzzler's mind work overtime. Try drawing a set of variously shaped polygons using only a compass and a ruler (no measuring allowed!), figuring out which of two sculptures is bigger (logic alone won't give you the answer), and lots more.

**Madeline at the White House** John Bemelmans Marciano,2020-08-25 Bestselling and beloved Madeline visits the Oval Office! Readers will see Washington, D.C., as never before, when Madeline takes a midnight sightseeing tour on a magic carpet of cherry blossoms. Invited to the White House by Candle, the president's lonely only daughter, for the annual Easter Egg hunt and roll, Madeline and the other little girls have a rollicking good time, and introduce Candle to the joys of occasionally breaking the rules. With a bouncy read-aloud text and gorgeous watercolor pictures, Madeline at the White House is in the best tradition of the beloved Madeline books.

**Independence Square** A. D. Miller,2020-02-04 A powerful, timely novel that moves seamlessly between the euphoria of revolution and intimate dramas of love and loyalty. Once a senior diplomat in Kiev, Simon Davey lost everything after a lurid scandal. Back in London, still struggling with the aftermath of his disgrace, he is traveling on the Tube when he sees her. . . . This woman, Olesya, is the person Simon holds responsible for his downfall. He first met her on an icy night during the protests on Independence Square. Full of hope and idealism, Olesya could not know what a crucial role she would play in the dangerous times ahead—and in Simon's fate. Or what compromises she would have to make to protect her family. When Simon decides to follow Olesya, he finds himself plunged back into the dramatic days which changed his life forever. And he begins to see that her past has not been what he thought it was, and neither has his own. Independence Square is a story of ordinary people caught up in extraordinary times. It is a story about corruption and betrayals, and a story about where, in the twenty-first century, power really lies.

*Square* Mac Barnett,2019-03

*Square Table* Yoknapatawpha Arts Council of Oxford MS,2005-01-01 Square Table is a fundraiser cookbook for the Yoknapatawpha Arts Council; it includes over 300 community-donated and tested recipes, artwork by area artists, and essays by local authors.

The Square Circle Denis MacKail,2013-10 This is a new release of the original 1931 edition.

**Square** Sydney Lepew,2017

*Satyr Square* Leonard Barkan,2008-06 The bewitching story of Rome teaching a lonely scholar how to discover himself, Satyr Square--part memoir, part literary criticism, part culinary and aesthetic travelogue--is a poignant, hilarious narrative about an American professor spending a magical year in Rome.

60 Robert Khayat,2021-06-09 In 1960, 22-year-old Robert Khayat experienced a year in which his own life, the nation, and the state of Mississippi were forever

changed. The same spring that four college students in North Carolina refused to move from a segregated lunch counter, Khayat's SEC champion Ole Miss baseball team was denied the right to play in the NCAA tournament because they might encounter a Black opponent. At the same time that young John F. Kennedy became a household name, Khayat's dark-skinned father was making an unlikely ascent to become one of the most politically powerful men in Mississippi. And two high-profile segregationists - Redskins owner George Preston Marshall and Mississippi Governor Ross Barnett - would impact Khayat's life in ways he could never have imagined. The events of 1960 set the stage for a revolution . . . and Robert Khayat was living in the midst of it all. 60: A Year of Sports, Race & Politics is the story of the year that changed everything for a nation, its culture, and a promising young man from Mississippi.

*Square in a Square* Jodi Barrows,1996

One Square Mile Sheldon Parrish,2009-08-12 This book is an historical book done from an autobiographical perspective about a small town called Roosevelt NY Located in Nassau County Roosevelt has seen great transition in race culture and economic aspects but still managed to produce such well knowns as Eddie Murphy, Julius Dr.J Erving, Chuck D (Public Enemy), Gabriel Cassius(film star and Producer) Steve White (Comedian) and many others.The author has had experiences with all these individuals as well as many others and has a compiled this project to bring those stories and the story of Roosevelt proper to engage readers . Please enjoy ONE Square Mile

Our Square and the People in It Samuel Hopkins Adams,2015-09-11 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work.As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**Square Zair Pair** Jase Peebles,2015-11-27 Join the Zairs as they learn sometimes our differences are our greatest gifts.

**Harvard Square** Catherine J. Turco,2023-02-28 “Harvard Square isn’t what it used to be.” Spend any time there, and you’re bound to hear that lament. Yet people have been saying the very same thing for well over a century. So what does it really mean that Harvard Square—or any other beloved Main Street or downtown—“isn’t what it used to be”? Catherine J. Turco, an economic sociologist and longtime denizen of Harvard Square, set out to answer this question after she started to wonder about her own complicated feelings concerning the changing Square. Diving into Harvard Square’s past and present, Turco explores why we love our local marketplaces and why we so often struggle with changes in them. Along the way, she introduces readers to a compelling set of characters, including the early twentieth-century businessmen who bonded over scotch and cigars to found the Harvard Square Business Association; a feisty, frugal landlady who became one of the Square’s most powerful property owners in the mid-1900s; a neighborhood group calling itself the Harvard Square Defense Fund that fought real estate developers throughout the 1980s and ’90s; and a local businesswoman who, in recent years, strove to keep her shop afloat amid personal tragedy, the rise of Amazon, and a globalizing property market that sent her rent soaring. Harvard Square tells the crazy, complicated love story of one quirky little marketplace and in the process, reveals the hidden love story Americans everywhere have long had with their own Main Streets and downtowns. Offering a new and powerful lens that exposes the stability and instability, the security and insecurity, markets provide, Turco transforms how we think about our cherished local marketplaces and markets in general. We come to see that our relationship with the markets in our lives is, and has always been, about our relationship with ourselves and one another, how we come together and how we come apart.

Washington Square Henry James,2010-11-11 'She will do as I have bidden her.' Catherine Sloper is heiress to a fortune and the social eminence associated with Washington Square. She attracts the attention of a good-looking but penniless young man, Morris Townsend. His suit is encouraged by Catherine's romantically-minded aunt, Mrs Penniman, but her father, a clever physician, is convinced that his motives are merely mercenary. He will not consent to the marriage, regardless of the cost to his daughter. Out of this classic confrontation Henry James fashioned one of his most deftly searching shorter fictions. First published in 1880 but set some forty years earlier in a pre-Civil War New York, the novel reflects ironically on the restricted world in which its heroine is marooned, seating herself at its close 'for life, as it were'. In his introduction Adrian Poole reflects on the book's gestation and influences, the significance of place, and the insight with which the four principal players are drawn. The edition includes an account of the real-life tale that sparked James's imaginative genius. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Reviewing **Square**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing.
