**Surf and Rescue** Patrick Moser,2022-06-28 The mixed-race Hawaiian athlete George Freeth brought surfing to Venice, California, in 1907. Over the next twelve years, Freeth taught Southern Californians to surf and swim while creating a modern lifeguard service that transformed the beach into a destination for fun, leisure, and excitement. Patrick Moser places Freeth's inspiring life story against the rise of the Southern California beach culture he helped shape and define. Freeth made headlines with his rescue of seven fishermen, an act of heroism that highlighted his innovative lifeguarding techniques. But he also founded California's first surf club and coached both male and female athletes, including Olympic swimming champion and "father of modern surfing" Duke Kahanamoku. Often in financial straits, Freeth persevered as a teacher and lifeguarding pioneer--building a legacy that endured long after his death during the 1919 influenza pandemic. A compelling merger of biography and sports history, *Surf and Rescue* brings to light the forgotten figure whose novel way of seeing the beach sparked the imaginations of people around the world.

**Pacific Passages** Patrick Moser,2008-05-08 A thousand years after Hawaiians first paddled long wooden boards into the ocean, modern surfers have continued this practice, which has recently been transformed into a global industry. Pacific Passages brings together four centuries of writing about surfing, the most comprehensive collection of Polynesian and Western perspectives on the history and culture of a sport currently enjoyed by millions of people around the world. The stories begin with Hawaiian legends and chants and are followed by the journals of explorers; the travel narratives of missionaries and luminaries such as Herman Melville, Mark Twain, and Jack London; and the contemporary observations of Tom Wolfe, William Finnegan, Susan Orlean, and Bob Shacochis. Readers follow the historical transformation of surfing's image through the centuries: from Polynesian myths of love to Western accounts of horror and exoticism in the eighteenth and nineteenth centuries, to modern representations of surfing as a character-building activity in pre-World-War II California and the quintessential expression of disaffected youth. They explore the sport's most recent trends by writers and cultural critics, whose insights into technology, competition, gender, heritage, and globalism reveal how surfing impacts some of today's most pressing social concerns. Aided by informative introductions, the writings in Pacific Passages provide insight into the values and

ideals of Polynesian and Western cultures, revealing how each has altered and been altered by surfing—and how the sport itself has shown an amazing ability throughout the centuries to survive, adapt, and prosper.

Surfing in the Movies John Engle,2015-10-05 Surfing has fascinated filmmakers since Thomas Edison shot footage of Waikiki beachboys in 1906. Before the 1950s surf craze, surfing showed up in travelogues or as exotic background for studio features. The arrival of Gidget (1959) on the big screen swept the sport into popular culture, but surfer-filmmakers were already featuring the day's best surfers in self-narrated two-reelers. Hollywood and independent filmmakers have produced about three dozen surf films in the last half-century, including the frothy Beach Party movies, Point Break (1991) and Chasing Mavericks (2012). From Bud Browne's earliest efforts to The Endless Summer (1966), Riding Giants (2004) and today's brilliant videos, over 1,000 surfing movies have celebrated the stoke. This first full-length study of surf movies gives critical attention to hundreds of the most important films.

*Hollywood Surf and Beach Movies* Thomas Lisanti,2015-05-07 Surfers loathed them, teenagers flocked to them, critics dismissed them, producers banked on them—surf and beach movies. For a short time in the 1960s they were extremely popular with younger audiences—mainly because of the shirtless surfer boys and bikini-clad beach girls, the musical performers, and the wild surfing footage. This lavishly illustrated filmography details 32 sizzling fun-in-the-sun teenage epics from Gidget to the Beach Party movies with Frankie and Annette to The Sweet Ride plus a few offshoots in the snow!) Entries include credits, plot synopses, memorable lines, reviews and awards, and commentary from such as Aron Kincaid of The Girls on the Beach, Susan Hart of The Ghost in the Invisible Bikini, Peter Brown of Ride the Wild Surf, Chris Noel of Beach Ball, and Ed Garner of Beach Blanket Bingo. Biographies of actors and leading actresses who made their marks in the genre are included.

**Surfing in South Carolina** Lilla O'Brien Folsom,Foster Folsom,2016-03-14 For centuries, the ocean waters of the Atlantic have impacted the daily lives of those on the South Carolina coast. Beginning in the 1960s, those waves caught the imagination of young beachgoers who studied magazines and Super 8 films and refined their moves on rent-a-floats until the first surfboards became available in the area. The buildup to the Vietnam War brought GIs and their families from the West Coast and Hawaii to South Carolina, and their surfboards came along with them. Unbeknownst to each other, local surfers concentrated in the beach and military base areas of Beaufort/Hilton Head, Charleston, and Pawley's Island/Grand Strand began to conquer nearby surf breaks. When contests finally brought these groups together, a statewide sport was born.

*Some Like It Cold* William Povletich,2016-04-17 Some Like It Cold chronicles the true story of twin brothers Lee and Larry Williams, whose love of surfing evolved in the most unlikely of geographies: off the shores of Lake Michigan. From their boyhood home in Sheboygan, Wisconsin, the brothers trekked to the local beach with their longboards and their dreams to master the waves at spots like the Elbow and the Cove. The next six decades proved that their zeal for catching grinders and barrels was much more than a hobby. Surfing in the cold had its challenges, and Lee and Larry recall stories of freak storms, ice-encrusted beaches, and near drownings, along with the usual hypothermia, helped but not cured by their customized cold-water wetsuits. Despite living nearly 2,000 miles from either coast, Lee and Larry have made a lifestyle out of freshwater surfing, recreating their hometown as The Malibu of the Midwest and gaining international fame as hosts of the Dairyland Surf Classic. With humor and wit, author William Povletich brings their tale of revolutionizing surf culture to the page.
