A Voice from Heaven Sheldon Reynolds,2012-08-29 When asked if he believed that God allows the departed to assist or intervene or divinely deliver to us from beyond this realm, Maurice smiled and said: AS real as the air we cannot see so can GOD deliver in any form; even as the most familiar sound.

Mary in Our Life Nicholas Joseph Santoro,2011-08-12 *Mary In Our Life: An Atlas of the Names and Titles of Mary, The Mother of Jesus, and Their Place in Marian Devotion* presents the 1,969 names, titles, and appellations used to identify the Blessed Virgin Mary over the centuries in terms of their history and related events. Within these titles and their history can be seen the official and private attitudes and prejudices of the times; government pressures, conflicts, and interdictions; internal problems within the Catholic Church; and startling examples of dedication, devotion, and piety. Taken together, Marian titles are a real-life story of the Catholic faith.

Free to Be Holy Matt Lozano,2023-04-14 In *Free to be Holy*, Matt Lozano from Heart of the Father Ministries encourages everyone to pursue a life of holiness. Instead of teaching us how to “become holy,” this book boldly proclaims that we already made holy by the blood of Jesus. It is a guide to understanding how Jesus made us and how we can approach a life of holiness with confident faith and joyful hope. The compelling promise of this book is that the pursuit of holiness is not a struggle but an adventure of discovering who we really are in Jesus.

A Journey through the World of Leviticus Mark W. Scarlata,2021-11-18 Leviticus is often seen as one of the most uninviting books of the Old Testament. Who wants to read about blood sacrifice, infectious diseases, or ancient dietary restrictions? Yet like visiting any foreign country, to truly appreciate its culture one must become familiar with the language, customs, and ways of the people. This book guides the perplexed reader through the foreign signs, symbols, and beliefs of the ancient Israelites. From blood and atonement to the loveable rock badger, we begin to discover the sacred world of Leviticus and its relationship to a holy God who dwells with his people. The rituals and commands God gave to Israel form the deep roots of the biblical tradition that were not meant to be left in the past. Tapping into these roots helps us understand the life and ministry of Christ and how we might pursue holiness today. Each chapter surveys key aspects of Leviticus and then explores how these relate to the New Testament and the life of faith in the twenty-first century. In this accessible and engaging travel log, Scarlata introduces the depth and beauty of Israelite practices prescribed by God that were further revealed in Christ and continue to speak to the life and faith of Christians today.

Sanctification David Birnbaum,Benjamin Blech,2014-01-01 Benjamin Blech is a tenth-generation rabbi. He has been a Professor of Talmud at Yeshiva University since 1966, and was the Rabbi of Young Israel of Oceanside for 37

years. Rabbi Blech received a B.A. from Yeshiva University, an M.A. in psychology from Columbia University, and rabbinic ordination from the Rabbi Isaac Elchanan Theological Seminary. He is the author of 15 highly acclaimed books, the last one of which - The Sistine Secrets: Michelangelo's Forbidden Messages in the Heart of the Vatican - has now been translated into sixteen languages.

Tools of the Cross Larry Mathis, Todd Dufek, 2011-03-24 The Tools of the Cross takes a unique look at the life of Christ and his ministry in that it explores the fact that he used the same tools as a carpenter that were used to crucify him. Further, the book delves into why God chose the profession of carpentry for his son, and how he coped with using the tools of his trade daily knowing full well how his life would end. Finally, the book examines the spiritual tools of the cross, how Christ used them during his ministry and road to the cross, and how we can use these same tools to deepen our spiritual walk with our Lord.
