All the Way to the Top Annette Bay Pimentel, 2020-03-10 2021 Schneider Family Book Award Young Children's Honor Book (American Library Association) Experience the true story of lifelong activist Jennifer Keelan-Chaffins and her participation in the Capitol Crawl in this inspiring autobiographical picture book. This beautifully illustrated story includes a foreword from Jennifer and backmatter detailing her life and the history of the disability rights movement. This is the story of a little girl who just wanted to go, even when others tried to stop her. Jennifer Keelan was determined to make a change—even if she was just a kid. She never thought her wheelchair could slow her down, but the way the world around her was built made it hard to do even simple things. Like going to school, or eating lunch in the cafeteria. Jennifer knew that everyone deserves a voice! Then the Americans with Disabilities Act, a law that would make public spaces much more accessible to people with disabilities, was proposed to Congress. And to make sure it passed, Jennifer went to the steps of the Capitol building in Washington DC to convince them. And, without her wheelchair, she climbed. **ALL THE WAY TO THE TOP! A Rise: A Feminist Book Project Nominee A Junior Library Guild Selection** All the Way to the Top is perfect for: Elementary school teachers looking for books to supplement disability rights curriculum and the history of the ADA (find a free Common-Core Aligned Educator Guide at www.sourcebooks.com) Parents looking for social justice picture books, books on activism and for young activists, and inspiring books for girls Parents, teachers, librarians, and guardians looking for beautifully illustrated, inspirational and educational books for young readers in their life

Ayoade on Top Richard Ayoade, 2019-09-03 Richard Ayoade - in this foren, perhaps one of the most 'insubstantial' people of our age, takes us on a journey from Peckham to Paris by way of Nevada and other places we don't care about. It's a journey deep within, in a way that's respectful and non-invasive; a journey for which we will all pay a heavy price, even if you've waited for the smaller paperback edition. Ayoade argues for the canonisation of this brutal masterpiece, a film that celebrates capitalism in all its victimless glory; one we might imagine Donald Trump himself half-watching on his private jet's gold-plated flat screen while his other puffy eye scans the cabin for fresh, young prey.

View From the Top D. Michael Lindsay, M. G. Hager, 2014-05-05 Learn leadership from the best—proven insights from the power elite in business, government, and beyond View from the Top brings readers inside the corridors of power and relates the personal stories and powerful findings from the Platinum Study, a groundbreaking study of 550 elite American CEOs, senior government leaders, and nonprofit executives based on ten years of research. The largest study of its kind, the Platinum Study delves into the domains of the elite with stories that illustrate both the use and misuse of power across the landscape of prominent American institutions such as AT&T, Harvard University, Under Armour, JP Morgan Chase, Bain & Company, and the White House. The book explores not only how leaders wield power, but it also provides readers with insight into applying the strategies of the successful in their own lives. In the United States, only a few thousand individuals make the decisions that influence the lives of over 300 million people. Whether in the government, business, higher education, or the arts, these individuals direct policy and set the terms of national debates, yet remain virtually unknown. View from the Top explores the real lives of the elite and the social worlds they inhabit, revealing lessons about influence at the top, and the seven principles that shape those in power. The results of the Platinum Study include unexpected truths such as: Being born into wealth is a poor predictor of leadership success One program can set you on the path to leadership It doesn't matter what college you attend A leader's best work never sees the light of day Time-crushed executives are better situated than most to manage their family lives Crisis is the quickest way for a leader to shape an institution Working longer does not mean working better The book examines the different paths to power and describes the essence of leadership and the fundamental traits that distinguish a leader from the pack. For anyone seeking sharpen their leadership skills and impact the world around them, View from the Top: An Inside Look at How People in Power See and Shape the World provides the roadmap to taking charge and inspiring change.

Big Top Rob Harrell,2012-12-11 Harrell's work combines pop culture, innocence, friendship, and some of the seamier side of the circus background that only adults can appreciate. Come one! Come all . . . to the exciting world of Big Top! Rob Harrell's three-ring comic strip has already packed the house with fans eager for his hilarious take on the circus and those who bring it to life. The circus and its colorful cast—led by 10-year-old Pete and his happily reformed performing bear, Wink—are a perfect metaphor for life. It's not always what happens on the surface, Big Top reminds us, but what takes place backstage that delivers the lessons and the humor. Pete and Wink keep plenty of odd company, including Kingston, coolest king of the jungle; Stucco, a mute clown who still manages to make his point; Manfred, the bookish monkey; Dusty, the wisecracking tell-it-like-it-is trained poodle; Andrea, the new acrobat girl who's caught Pete's eye; and Hairy Mary the Bearded Lady, a mother figure to them all. Take this crew on the road and you get an endless array of situations and relationships, care and impatience, honesty and intolerance. It's like one big Big Top family . . . one that welcomes all readers for the mere price of a ticket.

Top 8 (The Top 8 Trilogy, Book 1) Katie Finn,2010-10-01 Social networking sites are THE place to be for today's teens -- this fun, juicy novel explores the ups, downs, and scandals of a group of friends online!Madison MacDonald is seriously freaking outMadison MacDonald16Putnam, CTStatus: Single?About Me:Everything in my life was working out. I had my three best friends, a brand-new boyfriend, and the lead in the school play. Aside from that history paper I hadn't started, things felt perfect.Then I returned from spring break to find my Friendverse profile hacked. Someone clearly out to ruin me had spilled the most damaging secrets - AND posted the worst photos of me ever taken - online.

Ten Apples Up on Top! Theo LeSieg,1961 This book will teach you to count from one to ten.

"Over the Top" Arthur Guy Empey,1917 Excerpt: ...of the trench. One dead German was lying on his back, with a rifle sticking straight up in the air, the bayonet of which was buried to the hilt in his chest. Across his feet lay a dead English soldier with a bullet hole in his forehead. This Tommy must have been killed just as he ran his bayonet through the German. Rifles and equipment were scattered about, and occasionally a steel helmet could be seen sticking out of the mud. At one point, just in the entrance to a communication trench, was a stretcher. On this stretcher a German was lying with a white bandage around his knee, near to him lay one of the stretcher-bearers, the red cross on his arm covered with mud and his helmet filled with blood and brains. Close by, sitting up against the wall of the trench, with head resting on his chest, was the other stretcher-bearer. He seemed to be alive, the posture was so natural and easy, but when I got closer, I could see a large, jagged hole in, his temple. The three must have been killed by the same shell-burst. The dugouts were all smashed in and knocked about, big square-cut timbers splintered into bits, walls caved in, and entrances choked. Tommy, after taking a trench, learns to his sorrow, that the hardest part of the work is to hold it. In our case this proved to be so. The German artillery and machine guns had us taped (ranged) for fair; it was worth your life to expose yourself an instant. Don't think for a minute that the Germans were the only sufferers, we were clicking casualties so fast that you needed an adding machine to keep track of them. Did you ever see one of the steam shovels at work on the Panama Canal, well, it would look like a hen scratching alongside of a Tommy digging in while under fire, you couldn't see daylight through the clouds of dirt from his shovel. After losing three out of six men of our crew, we managed to set up our machine gun. One of the legs of the tripod was resting on the chest of a half-buried body. When...

Running to the Top Arthur Lydiard,2011 His description of a systematic, detailed training program for beginners and top-runners is based on a clear defined conception of fitness. Beside detailed schedules for the training, the book includes tips concerning equipment and outfit, nutrition, prevention of injury, therapy and the relationship between the coach and the athlete. Furthermore

Over the Top Alison Hughes,2021-08-03 From an award-winning author comes a funny and honest middle grade novel following Diva Cleopatra as she tries to adapt to her new home and school while coming face-to-face with the school's mean girls. Eleven-year-old Diva is horrified (but not

surprised) that her mother's new dream home is a bright pink castle-like house. But the pink palace is only the beginning of a series of new humiliations. While acting as a glitzy mermaid for her Mom's party planning business, Diva is spotted by some classmates who won't let her live it down. When she works up the courage to audition for her new school's play, she's cast in a surprising (and ridiculous) role. But it's when her family throws her a huge surprise birthday party that things really lurch toward disaster. How can Diva stay true to her introverted, under-the-radar self in an in-your-face, over-the-top world?

Top Five Regrets of the Dying Bronnie Ware, 2019-08-13 Revised edition of the best-selling memoir that has been read by over a million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, *The Top Five Regrets of the Dying*, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively address these issues while we still have the time. *The Top Five Regrets of the Dying* gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.

Muffin Top (A BBW Romantic Comedy) Avery Flynn, 2018-10-29 The only thing about me that's a size zero is the filter on my mouth. I've got a big personality, a big rack, and a big number on the scale. And I'm perfectly fine with that. But when some random guy suggests I might not be eating alone if I'd ordered a salad instead of a hamburger I'm shocked silent, which is a feat, trust me. That brings us to one sexy fireman named Frankie Hartigan. He's hot. He's funny... And he's just apologized for being late for our "date" then glared at the fat-shaming jerk. Next thing I know, he's sitting down and ordering himself dinner. I have no problem telling him I don't need a pity date...unless of course it's to my high school reunion next week. Oops where did that last bit come from? And what do I do now that he's said yes?! Because this is no make-over story, and I think Frankie is using me for something. I just have to figure out what... Each book in the Hartigans series is STANDALONE: * Butterface * Muffin Top * Tomboy

Time at the Top Edward Ormondroyd, 1963 Susan Shaw, a spunky but lonely girl, finds herself transported back in time to 1881, courtesy of her apartment building's elevator.

Top Ten Alan Moore, 2000 Organized to police the city of Neopolis, which was built following World War II to house the world's growing number of superheroes, heroines, and villains, the members of Precinct Ten investigate a variety of bizarre events.

Yellow Brown Top Rot, 1983

The Inn at the Top Neil Hanson, 2013-09-24 The delightful tale of a young couple who in the late 1970s, on impulse, became the new landlords of the most remote, bleak and lonely pub - The Tan Hill Inn - located in the bleak landscape of the Yorkshire Dales. Having seen an article in the newspaper about the pub's search for a new manager, they arrived just three weeks later as the new landlords of the The Tan Hill Inn. It is a wild, wind-swept place, set alone in a sea of peat bog and heather moorland that stretches unbroken as far as the eye can see. With only sheep and grouse for company, their closest neighbour was four miles away and the nearest town twelve. They had no experience of licensed trade or running a pub, no knowledge of farming and a complete inability to understand the dialect of the sheep farmers who were their local customers. Eager, well-meaning, but

in over their heads, our two heroes embarked on a disaster-strewn career that somehow also turned into a lifelong love affair with the Dales. The Inn at the Top is an entertaining ramble around the Inn, the breath-taking Dales countryside and a remarkable array of local characters, giving an insight into life in a very different time and place.

Finite Lifetime Effects in Top Quark Pair Production at Threshold Christoph Josef Rei  er, 2008

Top 100 Exotic Food Plants Ernest Small, 2011-08-23 Many edible plants considered exotic in the Western world are actually quite mainstream in other cultures. While some of these plants are only encountered in ethnic food markets or during travels to foreign lands, many are now finding their way onto supermarket shelves. Top 100 Exotic Food Plants provides comprehensive coverage of tropical and semitropical food plants, reviewing scientific and technological information as well as their culinary uses. Wide-ranging in scope, this volume's coverage includes plants that produce fruits, vegetables, spices, culinary herbs, nuts, and extracts. A user-friendly format enables readers to easily locate information on botanical and agricultural aspects, economic and social importance, food uses, storage, preparation, and potential toxicity. The book also contains an introductory chapter that reviews important historical, economic, geopolitical, health, environmental, and ethical considerations associated with exotic food plants. Thoroughly referenced with more than 2000 literature citations, this book is enhanced by more than 200 drawings, many chosen from historical art of extraordinary quality. This timely volume also highlights previously obscure edible plants that have recently become prominent as a result of sensationalistic media reports stemming from their inherently entertaining or socially controversial natures. Some of these plants include the acai berry, kava, hemp, and opium poppy. A scholarly yet accessible presentation, the book is filled with numerous memorable, fascinating, and humorous facts, making it an entertaining and stimulating read that will appeal to a broad audience.

Toot & Puddle: Top of the World Holly Hobbie, 2008-11-15 When Puddle wakes up one morning Toot is missing! Where can he be? Although Puddle prefers to stay home in Woodcock Pocket, his concern for his best friend prompts him to set off. Puddle takes a train... a plane... and eventually finds himself in a far-away place. And who do you think he finds? Holly Hobbie's story of a friendship that extends to the top of the world will be welcomed by the many fans of Toot & Puddle.

View from the Top Aaron Walker, 2017-02-07 "Down to earth wisdom from a successful, creative entrepreneur" (New York Times–bestselling author Ken Abraham). Despite a childhood shadowed by financial disaster and a father who struggled with alcoholism, Aaron Walker has created opportunities where there appeared to be none—pushing through barriers and monumental hurdles to build a string of successful businesses. In this inspirational memoir, he reveals how he confronted bitterness, pushed through pride, and was granted grace for a horrifying pedestrian fatality. View from the Top recounts Aaron's own powerful story—and shares techniques and strategies that will allow you to flourish regardless of your current circumstances. "There's an old saying I love: 'Pray like everything depends on God, but work like everything depends on you.' That could also be a great summary statement for View From The Top. Aaron Walker is a man who trusts God while putting a lot of sweat equity into everything he does. That balance of faith and diligence is something we all could learn from." —Dave Ramsey, New York Times–bestselling author of The Total Money Makeover: A Proven Plan for Financial Fitness "For anyone who prefers reality over 'reality shows' . . . Aaron Walker's View from the Top is as real, honest, and believable as it gets." —Ken Abraham, New York Times–bestselling author of When Your Parent Becomes Your Child: A Journey of Faith Through My Mother's Dementia

Top of the Rock Warren Littlefield, T. R. Pearson, 2013-02-12 Top of the Rock is an absorbing insiders' account of an incredible time and place in television history: the years when Must See TV—led by Cheers, Seinfeld, Friends, ER, and Law & Order—made NBC an unstoppable success. Here the story is vividly told through the words of the actors, writers, producers, creators, and network executives who helped the Peacock rise to its greatest

heights—and then saw it all fall apart. Under the supervision of President of Entertainment Warren Littlefield, NBC went from being an also-ran, losing millions of dollars in failed shows, to the number one station, generating billions of dollars in profit. At its height, the Thursday night lineup alone brought in more revenue than the other six nights of programming combined. Top of the Rock dishes out behind-the-scenes stories from all the biggest shows, revealing the highly risky business decisions, creative passion, and blind leaps of faith that made Must See TV possible. Jerry Seinfeld | Jason Alexander | Kelsey Grammer | Sean Hayes | Helen Hunt | Lisa Kudrow | Eriq La Salle | Matt LeBlanc | John Lithgow | Julianna Margulies | Eric McCormack | Debra Messing | Megan Mullally | David Hyde Pierce | Paul Reiser | Noah Wyle | and more
