

Toronto

Janine Armin

The Toronto Book of the Dead Adam Bunch, 2017-09-16 Exploring Toronto's history through the stories of its most fascinating and shadowy deaths. If these streets could talk... With morbid tales of war and plague, duels and executions, suicides and séances, Toronto's past is filled with stories whose endings were anything but peaceful. The Toronto Book of the Dead delves into these: from ancient First Nations burial mounds to the grisly murder of Toronto's first lighthouse keeper; from the rise and fall of the city's greatest Victorian baseball star to the final days of the world's most notorious anarchist. Toronto has witnessed countless lives lived and lost as it grew from a muddy little frontier town into a booming metropolis of concrete and glass. The Toronto Book of the Dead tells the tale of the ever-changing city through the lives and deaths of those who made it their final resting place.

Toronto Book of Everything Nate Hendley, Tanya Gulliver, Karen Lloyd, 2009 From Hometown to capital city and Leafs Nation, from cold wet winters to desperately humid summers, from Blackberry-addicted Bay Street financiers to profiles of Ed Mirvish, Glenn Gould, David Cronenberg and Rush, no book is more comprehensive than the Toronto Book of Everything. No book is more fun! Well-known Torontonians weigh in on what they love about their city. Linda Leatherdale reveals her top five places to power lunch; Chef Jamie Kennedy shares five ways Toronto inspires his menus; Paul Godfrey tells us who the top Toronto powerbrokers are; John Sewell points out five Toronto buildings not to miss; and Kevin O'Leary shares his uniquely Toronto innovations. From Bay Street slang and the Great Toronto Fire to immigrant city and Pride Toronto, it's all here! Whether you are a native Torontonian or visiting for the first time, there is simply no more complete book about Toronto. If you love Toronto (even just a little bit), you'll love the Toronto Book of Everything.

Illustrated Toronto: Past and Present J. Timperlake, 1877

Toronto Neighbourhoods 7-Book Bundle Mark Osbaldeston, F.R. (Hamish) Berchem, Frederick H. Armstrong, Scott Kennedy, Jane Pitfield, 2014-03-14 The Toronto Neighbourhoods bundle presents a collection of titles that provide fascinating insight into the history and development of Canada's largest and most diverse city. Beginning with histories of Canada's longest street and the early days of what was once called York (The Yonge Street Story, 1793-1860; A City in the Making; Opportunity Road), the titles in the bundle go on to examine the development of particular unique neighbourhoods that help give the city its character (Willowdale, Leaside). Finally, Mark Osbaldeston's acclaimed, award-winning Unbuilt Toronto and Unbuilt Toronto 2 go beyond history and into the arena of speculation as the author details ambitious and possibly city-changing plans that never came to fruition. For lovers of Toronto, this collection is a bonanza of insights and facts. Includes A City in the Making Leaside Opportunity Road Unbuilt Toronto Unbuilt Toronto 2 Willowdale The Yonge Street Story, 1793-1860

Toronto Mike Filey, 2008-10-27 For decades Toronto historian Mike Filey has regaled readers with stories of the city's past through its landmarks, neighbourhoods, streetscapes, social customs, pleasure palaces, politics, sporting events, celebrities, and defining moments. Now, in one lavishly illustrated volume, he serves up the best of his meditations on everything from the Royal York Hotel, the Flatiron Building, and the Necropolis to Massey Hall, the Palais Royale, and the Canadian National Exhibition, with streetcar jaunts through Cabbagetown, the Annex, Rosedale, and Little Italy and trips down memory lane with Mary Pickford, Glenn Miller, Bob Hope, and Ed Mirvish. Filey recounts in vivid detail the devastation of city disasters such as Hurricane Hazel and the Great Fire of 1904 and spins yarns about doughnut shops old and new, milk deliveries by horse, swimming at Lake Ontario's beaches,

Sunday blue laws, and how both World Wars affected Torontonians.

Accidental City Robert Fulford, 1995 With photos by Steven Evans. Northrop Frye once called Toronto a good place to mind your own business, and until the 1960s that was about the best that could be said for it. Toronto had no street life, no sidewalk cafes, no festivals, no downtown gathering place. It was a city of sober reticence. Accident, writes Robert Fulford plays a role in the building of any city. It has played a major role in the transformation of Toronto. That transformation began with the opening in 1965 of the New City Hall and Nathan Phillips Square. Since then, Toronto has changed from a private city, seemingly without a collective identity, to a public one - a transformation that came about through the series of (mostly) happy accidents chronicled in this vastly entertaining urban tour. Fulford, who grew up beside Lake Ontario and has lived in Toronto all his life, writes brilliantly about the city's architecture, its commercial development, its ravines, its monuments, its man-made underground, and its people - from Jane Jacobs, whose iconoclastic ideas on urban planning have had a profoundly positive effect on Toronto (where she ended up living mostly by accident), to Fred Gardiner, whose controversial expressway remains an eyesore decades after it was built. Even the most knowledgeable Torontonian will be informed and entertained by Fulford's graceful erudition. Visitors will find the book an invaluable introduction to a city viewed by foreigners as a model of livable urbanity - and by many Canadians as the very symbol of smug self-satisfaction. Whatever your view of Toronto, it will be challenged and deepened by this original, insightful, and thoroughly engaging book.

Unplanned Suburbs Richard Harris, Center for American Places, 1996 This work looks at the social history of Toronto, showing that its pre-1939 suburbs were socially and ethnically diverse, with a large number of lower-income North American families making their homes on the urban fringe. It looks at the decentralization of blue-collar employment as a reason for working-class families leaving the city. Although there were advantages - a home of one's own, a garden, access to the countryside - the unplanned suburban developments led to increases in the costs of needed services. The author shows that, even by the 1920s, many families had fallen into arrears and lost their homes as a result of rising property taxes - a trend that deepened with the onset of the Great Depression. The text concludes that even a minimal amount of planning might have helped retain the advantages of owner-built housing while reducing public costs.

More Toronto Sketches Mike Filey, 1993-09-01 Mike Filey's The Way We Were column in the Toronto Sun continues to be one of the paper's most popular features. In *More Toronto Sketches*, the second volume in Dundurn Press's Toronto Sketches series, Filey brings together some of the best of his columns. Each column looks at Toronto as it was, and contributes to our understanding of how Toronto became what it is. Illustrated with photographs of the city's people and places of the past, *Toronto Sketches* is a nostalgic journey for the long-time Torontonian, and a voyage of discovery for the newcomer.

Toronto Edward Relph, 2013-08-22 Extending a hundred miles across south-central Ontario, Toronto is the fifth largest metropolitan area in North America, with the highest population density and the busiest expressway. At its core old Toronto consists of walkable neighborhoods and a financial district deeply connected to the global economy. Newer parts of the region have downtown centers linked by networks of arterial roads and expressways, employment districts with most of the region's jobs, and ethnically diverse suburbs where English is a minority language. About half the population is foreign-born—the highest proportion in the developed world. Population growth because of immigration—almost three million in thirty years—shows few signs of abating, but

recently implemented regional strategies aim to contain future urban expansion within a greenbelt and to accommodate growth by increasing densities in designated urban centers served by public transit. *Toronto: Transformations in a City and Its Region* traces the city's development from a British colonial outpost established in 1793 to the multicultural, polycentric metropolitan region of today. Though the original grid survey and much of the streetcar city created a century ago have endured, they have been supplemented by remarkable changes over the past fifty years in the context of economic and social globalization. Geographer Edward Relph's broad-stroke portrait of the urban region draws on the ideas of two renowned Torontonians—Jane Jacobs and Marshall McLuhan—to provide an interpretation of how its current forms and landscapes came to be as they are, the values they embody, and how they may change once again.

The Rise of Toronto, 1850-1890 Donald Campbell Masters, 1947

Toronto the Good? Shana Almeida, 2022-11-01 Armed with the motto Diversity Our Strength, the City of Toronto has garnered a world-class reputation for challenging racism, largely because of how it is seen to value and include racialized groups through its diversity policies and practices. *Toronto the Good?* unsettles popular depictions of both diversity and the City of Toronto by attending to what diversity does in and for the City in the context of historical relations of race. *Toronto the Good?* brings together Shana Almeida's critical insights as a former political staff member along with her years of in-depth research on diversity in the City of Toronto to offer a compelling case to rethink how we understand diversity and racial inclusion in the City of Toronto and beyond. Initiated in a local context, *Toronto the Good?* critically contributes to global discussions on diversity, race, democracy, political participation, and power.

Toronto Noir Janine Armin, 2008 A multicultural nexus, Toronto hosts Indian, Portuguese, African, Italian, and Chinese communities that provide fertile backdrops for *Toronto Noir's* corrosive exposés. Features brand-new stories by: RM Vaughan, Nathan Sellyn, Ibi Kaslik, Peter Robinson, Heather Birrell, Sean Dixon, Raywat Deonandan, Christine Murray, Gail Bowen, Emily Schultz, Andrew Pyper, Kim Moritsugu, Mark Sinnet, George Elliott Clarke, Pasha Malla, and Michael Redhill.

A Romance of Toronto (founded on Fact) Annie Gregg Savigny, 1888

The Toronto Book of Love Adam Bunch, 2021-01-19 Exploring Toronto's history through tantalizing true tales of romance, marriage, and lust. Toronto's past is filled with passion and heartache. *The Toronto Book of Love* brings the history of the city to life with fascinating true tales of romance, marriage, and lust: from the scandalous love affairs of the city's early settlers to the prime minister's wife partying with rock stars on her anniversary; from ancient First Nations wedding ceremonies to a pastor wearing a bulletproof vest to perform one of Canada's first same-sex marriage ceremonies. Home to adulterous movie stars, faithful rebels, and heartbroken spies, Toronto has been shaped by crushes, jealousies, and flirtations. *The Toronto Book of Love* explores the evolution of the city from a remote colonial outpost to a booming modern metropolis through the stories of those who have fallen in love among its ravines, church spires, and skyscrapers.

Newspaper City Phillip Gordon Mackintosh, 2017-04-24 In *Newspaper City*, Phillip Gordon Mackintosh scrutinizes the reluctance of early Torontonians to pave their streets. He demonstrates how Toronto's two liberal newspapers, the *Toronto Globe* and *Toronto Daily Star*, nevertheless campaigned for surface infrastructure as the leading expression of modern urbanity, despite the broad resistance of property owners to pay for infrastructure improvements under local improvements by-laws. To boost paving, newspapers

used their broadsheets to fashion two imagined cities for their readers: one overrun with animals, dirt, and marginal people, the other civilized, modern, and crowned with clean streets. However, the employment of capitalism to generate traditional public goods, such as concrete sidewalks, asphalt roads, regulated pedestrianism, and efficient automobilism, is complicated. Thus, the liberal newspapers' promotion of a city of orderly infrastructure and contented people in actual Toronto proved strikingly illiberal. Consequently, Mackintosh's study reveals the contradictory nature of newspapers and the historiographical complexities of newspaper research.

Indigenous Toronto Denise Bolduc, Mnawaate Gordon-Corbiere, Rebeka Tabobondung, Brian Wright-McLeod, 2021-04-27 WINNER OF THE HERITAGE TORONTO 2022 BOOK AWARD Rich and diverse narratives of Indigenous Toronto, past and present Beneath many major North American cities rests a deep foundation of Indigenous history that has been colonized, paved over, and, too often, silenced. Few of its current inhabitants know that Toronto has seen twelve thousand years of uninterrupted Indigenous presence and nationhood in this region, along with a vibrant culture and history that thrives to this day. With contributions by Indigenous Elders, scholars, journalists, artists, and historians, this unique anthology explores the poles of cultural continuity and settler colonialism that have come to define Toronto as a significant cultural hub and intersection that was also known as a Meeting Place long before European settlers arrived. This book is a reflection of endurance and a helpful corrective to settler fantasies. It tells a more balanced account of our communities, then and now. It offers the space for us to reclaim our ancestors' language and legacy, rewriting ourselves back into a landscape from which non Indigenous historians have worked hard to erase us. But we are there in the skyline and throughout the GTA, along the coast and in all directions. -- from the introduction by Hayden King

Toronto Mayors Mark Maloney, 2023-08-15 The first-ever look at all 65 Toronto mayors — the good, the bad, the colourful, the rogues, and the leaders — who have shaped the city. Toronto's mayoral history is both rich and colourful. Spanning 19 decades and the growth of Toronto, from its origins as a dusty colonial outpost of just 9,200 residents to a global business centre and metropolis of some three million, this compendium provides fascinating biographical detail on each of the city's mayors. Toronto's mayors have been curious, eccentric, or offbeat; others have been rebellious, swaggering, or alcoholic. Some were bigots, bullies, refugees, war heroes, social crusaders, or bon vivants; still others were inspiring, forward looking, or well ahead of their time. One Toronto mayor attempted to kill a predecessor, but his pistol jammed. Another simply beat up the councillors he didn't like. One committed murder, while another carried out a home invasion. And under the threat of capture and certain death, two mayors were forced to escape the city and live for years in exile, while another had 18 kids and cried poor, yet died on a luxury European vacation (minus the kids). One mayor was involved in the brutal torture of an opposition candidate. Another went insane while in office due to acute third stage syphilis. Each mayor is the inheritor of a rich legacy of hopes and dreams, ambitions and efforts, successes and failures. From the first mayor in 1834 — the firebrand rebel William Lyon Mackenzie — to those of the 21st century — Mel Lastman, David Miller, Rob Ford, and John Tory — Toronto Mayors looks at where each came from, how they came to lead the city, what issues they dealt with, and how they steered Toronto's City Council.

The Toronto Maple Leafs, Ultimate Book of Facts, Stats, and Stories Andrew Podnieks, Nhl, 2015-10-27 The Toronto Maple Leafs Ultimate Book of Facts, Stats, and Stories is the definitive guide to everything you want to know about the Toronto Maple Leafs as they approach their centennial season. From the first puck drop in 1917 right up to the present day, it brings together the

monumental games, the Stanley Cup wins, the blockbuster trades, and the many milestones in the club's celebrated history.

Toronto Architecture Patricia McHugh,Alex Bozikovic,2017-06-27 Toronto has been hailed as “a city in the making” and “the city that works.” It’s an ongoing project: in recent years Canada’s largest city has experienced transformative, exciting change. But just what does contemporary Toronto look like? This authoritative architectural guide, newly updated and expanded, leads readers on 26 walking tours—revealing the evolution of the place from a quiet Georgian town to a dynamic global city. More than 1,000 designs are featured: from modest Victorian houses to shimmering downtown towers and cultural landmarks. Over 300 photographs, 29 maps, a description of architectural styles, a glossary of architectural terms, and indexes of architects and buildings pilot readers through Toronto’s diverse cityscape. New sections illustrate the swiftly changing face of Toronto’s waterfront and design highlights across the region. Originally written by architectural journalist Patricia McHugh and enhanced with new material and insights by Globe and Mail architecture critic Alex Bozikovic, this definitive guide offers a revealing exploration of Toronto’s past and future, for the city’s visitors and locals alike.

Streetcars and the Shifting Geographies of Toronto Brian Doucet,Michael Doucet,2022-03-01 When looking at old pictures of Toronto, it is clear that the city’s urban, economic, and social geography has changed dramatically over the generations. Historic photos of Toronto’s streetcar network offer a unique opportunity to examine how the city has been transformed from a provincial, industrial city into one of North America’s largest and most diverse regions. *Streetcars and the Shifting Geographies of Toronto* studies the city’s urban transformations through an analysis of photographs taken by streetcar enthusiasts, beginning in the 1960s. These photographers did not intend to record the urban form, function, or social geographies of Toronto; they were accidental archivists whose main goal was to photograph the streetcars themselves. But today, their images render visible the ordinary, day-to-day life in the city in a way that no others did. These historic photographs show a Toronto before gentrification, globalization, and deindustrialization. Each image has been re-photographed to provide fresh insights into a city that is in a constant state of flux. With gorgeous illustrations, this unique book offers an understanding of how Toronto has changed, and the reasons behind these urban shifts. The visual exploration of historic and contemporary images from different parts of the city helps to explain how the major forces shaping the city affect its form, functions, neighbourhoods, and public spaces.

Right here, we have countless books **Toronto** and collections to check out. We additionally find the money for variant types and next type of the books to browse. Toronto Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical

documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Toronto free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Toronto free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Toronto free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors

and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Toronto. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Toronto any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Toronto Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Toronto is one of the best book in our library for free

trial. We provide copy of Toronto in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Toronto. Where to download Toronto online for free?
