The Pixar Treasures Tim Hauser, 2010-09-28 The Pixar Treasures is a scrapbook of instinct and inspiration, experiences readers can touch, and visions that exist only in the imagination. It begins with a group of animators who were inspired by Walt Disney films. In the late 1970s and early '80s, John Lasseter, Brad Bird, and Joe Ranft were hired into an apprenticeship program at Walt Disney Productions. The last of Disney's golden age artists, including animators Eric Larson, Milt Kahl, Frank Thomas, and Ollie Johnston mentored the young dreamers, and as Pixar later developed, their work would draw heavily from this direct connection with Walt Disney's "Nine Old Men." The tale continues with Pixar's foray into computer animation, and the resulting success of Toy Story. With chapters on A Bug's Life; Monsters, Inc.; Finding Nemo; The Incredibles; Cars; Ratatouille; and WALL*E, Hauser's narrative covers the struggles, growth, and successes of an incredible animation studio. And it gives readers a sneak peak at the newest Disney*Pixar film, Up. Filled with unique removable keepsakes, The Pixar Treasures is an essential collector's item for every Pixar fan.

Hidden Treasures Leslie Householder, 2005-06 Casual and conversational, Hidden Treasures presents the Universal Laws of Abundance from a spiritual perspective. These ideas are astonishing; and you'll feel empowered as they comfort, encourage, and enlighten you on your journey to financial deliverance, even prosperity. While the author learned these principles in a

secular arena through more than a decade of study and successful application, she now hopes to bring the principles to God-fearing people everywhere. How often have we been promised, Ask and ye shall receive? The problem is we don't really believe it. Why? Because, so often it just doesn't happen. So how does one develop the kind of faith required to see miracles in his/her financial life? There is a law, irrevocably decreed in heaven before the foundations of this world, upon which all blessings are predicated—and when we obtain any blessing from God, it is by obedience to that law upon which it is predicated (Doctrine and Covenants 130:20-21). So if you've ever wondered: If the 'righteous shall prosper,' why am I so broke? or, Do I 'set my heart upon riches,' or just resign myself to the smothering prison of debt and the stain of poor credit? ...then this book is for you. The answers to these questions (and many more) are the very answers which led Leslie and her husband to finally escape their own financial bondage, AND develop a closer relationship with God through the process. While the author is a member of the Church of Jesus Christ of Latter-day Saints, the ideas and applications of scriptures are solely her own and do not necessarily represent the beliefs or doctrines of any particular denomination. In a compelling way, she brings hope to individuals in strained relationships, mothers who want to come home from work, and fathers who want to spend more time with their family. Hidden Treasures brilliantly delivers a profound message of hope for all who believe there is a God.

Lost in the Museum Nancy Moses, 2007-11-05 Few beyond the insider realize that museums own millions of objects the public never sees. In *Lost in the Museum*, Nancy Moses takes the reader behind the 0employees only0 doors to uncover the stories buried—along with the objects—in the crypts of museums, historical societies, and archives. Moses discovers the actual birds shot, stuffed, and painted by John James Audubon, America0s most beloved bird artist; a spear that abolitionist John Brown carried in his quixotic quest to free the slaves; and the skull of a prehistoric Peruvian child who died with scurvy. She takes the reader to Ker-Feal, the secret farmhouse that Albert Barnes of the Barnes Foundation filled with fabulous American antiques and that was then left untouched for more than fifty years. Weaving the stories of the object, its original owner, and the often idiosyncratic institution where the object resides, the book reveals the darkest secret of the cultural world: the precarious balance of art, culture, and politics that keep items, for decades, lost in the museum.

The Secret Byron Preiss, 2016-10-05 The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels, are buried. The key to finding each can be found within the twelve full color paintings and verses of The Secret. Yet The Secret is much

more than that. At long last, you can learn not only the whereabouts of the Fair People's treasure, but also the modern forms and hiding places of their descendants: the Toll Trolls, Maitre D'eamons, Elf Alphas, Tupperwerewolves, Freudian Sylphs, Culture Vultures, West Ghosts and other delightful creatures in the world around us. The Secret is a field guide to them all. Many armchair treasure hunt books have been published over the years, most notably Masquerade (1979) by British artist Kit Williams. Masquerade promised a jewel-encrusted golden hare to the first person to unravel the riddle that Williams cleverly hid in his art. In 1982, while everyone in Britain was still madly digging up hedgerows and pastures in search of the golden hare, The Secret: A Treasure Hunt was published in America. The previous year, author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum. Preiss was killed in an auto accident in the summer of 2005, but the hunt for his casques continues.
