Saving Us Katharine Hayhoe, 2022-09-20 United Nations Champion of the Earth, climate scientist, and evangelical Christian Katharine Hayhoe changes the debate on how we can save our future in this nationally bestselling “optimistic view on why collective action is still possible—and how it can be realized” (The New York Times). Called “one of the nation’s most effective communicators on climate change” by The New York Times, Katharine Hayhoe knows how to navigate all sides of the conversation on our changing planet. A Canadian climate scientist living in Texas, she negotiates distrust of data, indifference to imminent threats, and resistance to proposed solutions with ease. Over the past fifteen years Hayhoe has found that the most important thing we can do to address climate change is talk about it—and she wants to teach you how. In *Saving Us*, Hayhoe argues that when it comes to changing hearts and minds, facts are only one part of the equation. We need to find shared values in order to connect our unique identities to collective action. This is not another doomsday narrative about a planet on fire. It is a multilayered look at science, faith, and human psychology, from an icon in her field—recently named chief scientist at The Nature Conservancy. Drawing on interdisciplinary research and personal stories, Hayhoe shows that small conversations can have astonishing results. *Saving Us* leaves us with the tools to open a dialogue with your loved ones about how we all can play a role in pushing forward for change.

Us David Nicholls, 2014-10-28 Longlisted for the Man Booker Prize David Nicholls brings the wit and intelligence that graced his enormously popular New York Times bestseller, *One Day*, to a compellingly human, deftly funny new novel about what holds marriages and families together—and what happens, and what we learn about ourselves, when everything threatens to fall apart. Douglas Petersen may be mild-mannered, but behind his reserve lies a sense of humor that, against all odds, seduces beautiful Connie into a second date . . . and eventually into marriage. Now, almost three decades after their relationship first blossomed in London, they live more or less happily in the suburbs with their moody seventeen year-old son, Albie. Then Connie tells him she thinks she wants a divorce. The timing couldn’t be worse. Hoping to encourage her son’s artistic interests, Connie has planned a month-long tour of European capitals, a chance to experience the world’s greatest works of art as a family, and she can’t bring herself to cancel. And maybe going ahead with the original plan is for the best anyway? Douglas is privately convinced that this landmark trip will rekindle the romance in the marriage, and might even help him to bond with Albie. Narrated from Douglas’s endearingly honest, slyly witty, and at times aching optimistic point of view, *Us* is the story of a man trying to rescue his relationship with the woman he loves, and learning how to get closer to a son who’s always felt like a stranger. *Us* is a moving meditation on the demands of marriage and parenthood, the regrets of abandoning youth for middle age, and the intricate relationship between the heart and the head. And in David Nicholls’s gifted hands, Douglas’s odyssey brings Europe—from the streets of Amsterdam to the famed museums of Paris, from the cafés of Venice to the beaches of Barcelona—to vivid life just as he experiences a powerful awakening of his own. Will this summer be his last as a husband, or the moment when he turns his marriage, and maybe even his whole life, around?

U.S. History P. Scott Corbett, Volker Janssen, John M. Lund, 2023-04-02 Printed in color. U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender.

It Starts with Us Colleen Hoover, 2022-10-18 PREVIOUS BOOK IN SERIES: *IT ENDS WITH US*, ISBN 9781501110368. Before 'It Ends with Us', it started with *Atlas*. Colleen Hoover tells fan favourite *Atlas* side of the story and shares what comes next in this long-anticipated sequel to the glorious and touching (USA TODAY) 'It Ends With Us'.

The Words That Made Us Akhil Reed Amar, 2021-05-04 A history of the American Constitution's formative decades from a preeminent legal scholar When the US Constitution won popular approval in 1788, it was the culmination of thirty years of passionate argument over the nature of government. But ratification hardly ended the conversation. For the next half century, ordinary Americans and statesmen alike continued to wrestle with weighty questions in the halls of government and in the pages of newspapers. Should the nation's borders be expanded? Should America allow slavery to spread westward? What rights should Indian nations hold? What was the proper role of the judicial branch? In *The Words that Made Us*, Akhil Reed Amar unites history and law in a vivid narrative of the biggest constitutional questions early Americans confronted, and he expertly assesses the answers they offered. His account of the document's origins and consolidation is a guide for anyone seeking to properly understand America's Constitution today.

Dragon of the Red Dawn Mary Pope Osborne, 2009-03-20 The #1 bestselling chapter book series of all time celebrates 25 years with new covers and a new, easy-to-use numbering system! Jack and Annie are headed to a land of fierce samurai and great beauty, the capital city of Edo (now the city of Tokyo), in ancient Japan in the 1600s. Formerly numbered as Magic Tree House #37, the title of this book is now Magic Tree House Merlin Mission #9: *Dragon of the Red Dawn*. Did you know that there’s a Magic Tree House book for every kid? Magic Tree House: Adventures with Jack and Annie, perfect for readers who are just beginning chapter books Merlin Missions: More challenging adventures for the experienced reader Super Edition: A longer and more dangerous adventure Fact Trackers: Nonfiction companions to your favorite Magic Tree House adventures

The Sum of Us Heather McGhee, 2021-02-16 NEW YORK TIMES BESTSELLER • LONGLISTED FOR THE NATIONAL BOOK AWARD • One of today’s most insightful and influential thinkers offers a powerful exploration of inequality and the lesson that generations of Americans have failed to learn: Racism has a cost for everyone—not just for people of color. WINNER OF THE PORCHLIGHT BUSINESS BOOK AWARD • ONE OF THE BEST BOOKS OF THE YEAR: Time, The Washington Post, St. Louis Post-Dispatch, Ms. magazine, BookRiot, Library Journal “This is the book I’ve been waiting for.”—Ibram X. Kendi, #1 New York Times bestselling author of *How to Be an Antiracist* Look for the author’s new podcast, *The Sum of Us*, based on this book! Heather McGhee’s specialty is the American economy—and the mystery of why it so often fails the American public. From the financial crisis of 2008 to rising student debt to collapsing public infrastructure, she found a root problem: racism in our politics and policymaking. But not just in the most obvious indignities for people of color. Racism has costs for white people, too. It is the common denominator of our most vexing public problems, the core dysfunction of our democracy and constitutive of the spiritual and moral crises that grip us all. But how did this happen? And is there a way out? McGhee embarks on a deeply personal journey across the country from Maine to Mississippi to California, tallying what we lose when we buy into the zero-sum paradigm—the idea that progress for some of us must come at the expense of others. Along the way, she

meets white people who confide in her about losing their homes, their dreams, and their shot at better jobs to the toxic mix of American racism and greed. This is the story of how public goods in this country—from parks and pools to functioning schools—have become private luxuries; of how unions collapsed, wages stagnated, and inequality increased; and of how this country, unique among the world's advanced economies, has thwarted universal healthcare. But in unlikely places of worship and work, McGhee finds proof of what she calls the Solidarity Dividend: the benefits we gain when people come together across race to accomplish what we simply can't do on our own. *The Sum of Us* is not only a brilliant analysis of how we arrived here but also a heartfelt message, delivered with startling empathy, from a black woman to a multiracial America. It leaves us with a new vision for a future in which we finally realize that life can be more than a zero-sum game. **LONGLISTED FOR THE ANDREW CARNEGIE MEDAL**

Please See Us Caitlin Mullen, 2020-03-03 Winner of the 2021 Edgar Award for Best First Novel In this “beautifully written, thoughtful page-turner” (Chloe Benjamin, New York Times bestselling author of *The Immortalists*) from “the next big voice in crime fiction” (Susan Scarf Merrell, author of *Shirley*), two young women become unlikely friends during one fateful summer in Atlantic City as mysterious disappearances hit dangerously close to home. Summer has come to Atlantic City but the boardwalk is empty of tourists, the casino lights have dimmed, and two Jane Does are laid out in the marshland behind the Sunset Motel, just west of town. Only one person even knows they're there. Meanwhile, Clara, a young boardwalk psychic, struggles to attract clients for the tarot readings that pay her rent. When she begins to experience very real and disturbing visions, she suspects they could be related to the recent cases of women gone missing in town. When Clara meets Lily, an ex-Soho art gallery girl who is working at a desolate casino spa and reeling from a personal tragedy, she thinks Lily may be able to help her. But Lily has her own demons to face. If they can put the pieces together in time, they may save another lost girl—so long as their efforts don't attract perilous attention first. “You won't be able to stop turning the pages of this heartbreaking” (Publishers Weekly, starred review) and compelling psychological thriller that explores the intersection of womanhood, power, and violence.

The World Without Us Alan Weisman, 2008-08-05 A penetrating take on how our planet would respond without the relentless pressure of the human presence

All the People Joy Hakim, 2003 Covers the period of American history from 1945 to 1998, from the end of World War II to the Clinton administration.

Just Us Claudia Rankine, 2020-09-08 **FINALIST FOR THE 2021 ANDREW CARNEGIE MEDAL FOR EXCELLENCE IN NONFICTION** Claudia Rankine's *Citizen* changed the conversation—*Just Us* urges all of us into it As everyday white supremacy becomes increasingly vocalized with no clear answers at hand, how best might we approach one another? Claudia Rankine, without telling us what to do, urges us to begin the discussions that might open pathways through this divisive and stuck moment in American history. *Just Us* is an invitation to discover what it takes to stay in the room together, even and especially in breaching the silence, guilt, and violence that follow direct addresses of whiteness. Rankine's questions disrupt the false comfort of our culture's liminal and private spaces—the airport, the theater, the dinner party, the voting booth—where neutrality and politeness live on the surface of differing commitments, beliefs, and prejudices as our public and private lives intersect. This brilliant arrangement of essays, poems, and images includes the voices and rebuttals of others: white men in first class responding to, and with, their white male privilege; a friend's explanation of her infuriating behavior at a play; and women confronting the political currency of dying their hair blond, all running alongside fact-checked notes and commentary that complements Rankine's own text, complicating notions of authority and who gets the last word. Sometimes wry, often vulnerable, and always prescient, *Just Us* is Rankine's most intimate work, less interested in being right than in being true, being together.

U.S.! Chris Bachelder, 2006-02-21 An inventive new novel by the author of *Bear v. Shark* chronicles the serial resurrection and assassination of muckraker Upton Sinclair, who is repeatedly brought back to risk his life for the Socialist revolution, only to end up dead at the hands of those seeking fame, fortune, and American business. Original. 20,000 first printing.

Night of the Ninjas Mary Pope Osborne, 2010-06-15 The #1 bestselling chapter book series of all time celebrates 25 years with new covers and a new, easy-to-use numbering system! Have you ever met a real live ninja? Jack and Annie do when the Magic Tree House whisks them back to ancient Japan, where they find themselves in the cave of a ninja master. Will they learn the secrets of the ninja? Or will the evil samurai warriors get them first? Did you know that there's a Magic Tree House book for every kid? Magic Tree House: Adventures with Jack and Annie, perfect for readers who are just beginning chapter books Merlin Missions: More challenging adventures for the experienced reader Super Edition: A longer and more dangerous adventure Fact Trackers: Nonfiction companions to your favorite Magic Tree House adventures Have more fun with Jack and Annie at MagicTreeHouse.com!

It Ends with Us Colleen Hoover, 2020-07-28 In this “brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

A People's History of the United States Howard Zinn, 2003-02-04 Since its original landmark publication in 1980, *A People's History of the United States* has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, *A People's History* is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers.

As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, *A People's History of the United States*, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new afterword by the author, this special twentieth anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.

Oregon Blue Book Oregon. Office of the Secretary of State, 1915

Liberty for All? Joy Hakim, 2003 Presents the history of America from the earliest times of the Native Americans to the Clinton administration.

How Can I Get Through to You? Terrence Real, 2010-05-11 What happened to the passion we started with? Why aren't we as close as we used to be? **PROBLEM:** If you are a woman who is unfulfilled in your marriage...if you feel unheard or overburdened...if you quietly live in a state of slow-burn resentment... **PROBLEM:** If you are a man unhappy that your partner seems so unhappy with you...if you feel bewildered, unappreciated, or betrayed... This book offers a solution. Bestselling author and nationally renowned therapist Terrence Real unearths the causes of communication blocks between men and women in this groundbreaking work. Relationships are in trouble; the demand for intimacy today must be met with new skills, and Real -- drawing on his pioneering work on male depression -- gives both men and women those skills, empowering women and connecting men, radically reversing the attitudes and emotional stumbling blocks of the patriarchal culture in which we were raised. Filled with powerful stories of the couples Real treats, no other relationship book is as straight talking or compelling in its innovative approach to healing wounds and reconnecting partners with a new strength and understanding.

The Least Among Us Rosa L. DeLauro, 2011-05-10 The outspoken Connecticut congresswoman provides "a powerful case for protecting and expanding America's safety net" (Elizabeth Warren). Cynical politicians like Mitch McConnell and Donald Trump argue that the people of the United States would be better off without food stamps, Obamacare, and workplace protections. Congresswoman Rosa L. DeLauro knows these folks are just plain wrong. Growing up in New Haven, Connecticut, DeLauro saw firsthand how vulnerable hard-working people are in the face of corporate indifference and government neglect. From fatal industrial fires to devastating childhood poverty, DeLauro witnessed it all--and emerged convinced that social programs are worth going to the mat for, again and again. Worker protections, Social Security, unemployment insurance, Medicare, Medicaid, food stamps, and housing assistance lift up all Americans; they fulfill this country's promise of opportunity for everyone and are essential for our country's health. For twenty-five years, DeLauro has been fighting for everyday Americans, earning a reputation as the most impassioned defender of our social safety net. *The Least Among Us* tells the story of a quarter-century of deal-making on behalf of people too often overlooked, told by a woman as fearless as she is opinionated. Part House of Cards, part progressive manifesto, *The Least Among Us* shares lessons about power--how it's gained and how to wield it for everyone's benefit. "Can you imagine how cool the world would be if we had Rosa DeLauro getting s*** done instead of Congress being held hostage by terrible people!" --Wonkette "An impassioned, urgent defense of democratic values and the role of government to serve and benefit all citizens." --Kirkus Reviews

What Unites Us Dan Rather, Elliot Kirschner, 2017-11-07 AN INSTANT NEW YORK TIMES BESTSELLER "I find myself thinking deeply about what it means to love America, as I surely do." --Dan Rather At a moment of crisis over our national identity, venerated journalist Dan Rather has emerged as a voice of reason and integrity, reflecting on--and writing passionately about--what it means to be an American. Now, with this collection of original essays, he reminds us of the principles upon which the United States was founded. Looking at the freedoms that define us, from the vote to the press; the values that have transformed us, from empathy to inclusion to service; the institutions that sustain us, such as public education; and the traits that helped form our young country, such as the audacity to take on daunting challenges in science and medicine, Rather brings to bear his decades of experience on the frontlines of the world's biggest stories. As a living witness to historical change, he offers up an intimate view of history, tracing where we have been in order to help us chart a way forward and heal our bitter divisions. With a fundamental sense of hope, *What Unites Us* is the book to inspire conversation and listening, and to remind us all how we are, finally, one.

US Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the energy of words has been evident than ever. They have the capability to inspire, provoke, and ignite change. Such may be the essence of the book **US**, a literary masterpiece that delves deep into the significance of words and their impact on our lives. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of US eBooks, including some

popular titles.

FAQs About US Books

What is a US PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a US PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a US PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a US PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a US PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
