Windows Patrick Guest, 2020-10-01 Windows is an uplifting story of how humanity has pulled

together during the Coronavirus pandemic. Written from Patrick's own experience of having to leave the family home due to his son's Duchenne muscular dystrophy, Windows shows how five kids from different parts of the world connect and draw strength from their communities, all from behind the safety of their own windows. Heartwarming, hopeful and surprisingly funny, Windows will resonate with families all over the world and become a valuable time capsule of what life was like in 2020.

**An Introduction to Windows 8** Dennis Adonis, 2012-01-30 To the first time user, the beautiful yet seemingly strange Metro User Interface of a Windows 8 computer can create nothing more than instant confusion or setback for commencing even the most basic tasks. The multitudes of flexibilities in Windows 8 have showed some of the ways Microsoft has reengineered the Windows interface for a new generation of touch-centric hardware, and a generation of users who craves for a more simplified yet futuristic Operating System. For a novice, and even the average computer user, the functional nature of Windows 8 may seem to be nothing more than a technology drawn from an advance alien planet. Hence, this Reference Book (by Software Engineer, Dennis Adonis) is intended to address the possible challenges that can be faced by first time users of the Windows 8 Operating System.
