Aimée Craft

The Word Book ,2011

**Big Board First 100 Words** Roger Priddy,2005-08-01 Roger Priddy's Big Board First 100 Words is a perfect children's book offering simple everyday words for infants and toddlers to develop their vocabulary. Featuring 100 beautiful color photographs, this tough board book introduces words and phrases of animals, toys, vehicles, and items used for mealtimes, bathtimes, and bedtimes that are ideal for children aged 2 and up to learn how to read and identify objects.

**Words** Kenneth E. Hagin,1979-02 Yesterday's words shape life today. Discover how words affect home life, families, health, and success.

**My Big Barefoot Book of Wonderful Words** Barefoot Books,2019-09-01 Follow a bustling family through their busy day! Each scene is teeming with people, places and things, and you'll meet people of all races, cultures, lifestyles and abilities as you go.

**The Painted Word** Phil Cousineau,Gregg Chadwick,2012-09-18 WORDCATCHER Phil Cousineau illuminates the history and mystery of weird and wonderful word storiesTo untangle the knot of interlocking meanings of these painted words, logophile and mythologist Phil Cousineau begins each fascinating word entry with his own brief definition. He then fills it in with a tint of etymology and a smattering of quotes that show how the word is used, ending with a list of companion words. The words themselves range from commonplace - like biscuit, a twice-baked cake for Roman soldiers - to loanwords including chaparral, from the Basque shepherds who came to the American West; words from myths, such as hector; metamorphosis words, like silly, which evolved holy to goofy in a mere thousand years; and words well worthy of revival, such as carrytale, a wandering storyteller. Whether old-fangled or brand new, all the words included in The Painted Word possess an ineffable quality that makes them luminous.

**The Lost Words** ,2022-05 The Lost Words by composer James Burton takes its inspiration and text from the award-winning 'cultural phenomenon' and book of the same name by Robert Macfarlane and Jackie Morris: a book that was, in turn, a creative response to the removal of everyday nature words like acorn, newt and otter from a new edition of a widely used children's dictionary. Both the book and Burton's 32-minute work, which is written in 12 short movements for upper-voice choir in up to 3 voice parts (with either orchestral or piano accompaniment), celebrates each lost word with a beautiful poem or 'spell', magically brought to life in Burton's music. At its heart, the work delivers a powerful message about the need to close the gap between childhood and the natural world. Burton's piece was co-commissioned by the Hallé Concerts Society for the Hallé Children's Choir and the Boston Symphony Orchestra. The piano accompaniment version was premiered at the Tanglewood Festival in 2019 by the Boston Symphony Children's Choir, of which Burton is founder and director. The Hallé Children's Choir will premiere the orchestral version of the full work in Manchester, UK, post-pandemic. Vocal Score Co-commission by Boston Symphony and Hallé Concerts Society for their respective Children's Choirs. Two versions - with orchestral or with piano accompaniment. The vocal score is the same for both versions. James Burton is a composer but also a conductor. He is conductor of the Tanglewood Festival Chorus and choral director of the Boston Symphony. The book The Lost Words, exquisitely designed, has won multiple awards and is an international best-seller. The vocal score includes Jackie Morris's beautiful imagery in its cover design.

**Words on Words** John B. Bremner,1980 Surveying the expanding conflict in Europe during one of his famous fireside chats in 1940, President Franklin Roosevelt ominously warned that we know of other methods, new methods of attack. The Trojan horse. The fifth column that betrays a nation unprepared for treachery. Spies, saboteurs, and traitors are the actors in this new strategy. Having identified a new type of war -- a shadow war -- being perpetrated by Hitler's Germany, FDR decided to fight fire with fire, authorizing the formation of the Office of Strategic Services (OSS) to organize and oversee covert operations. Based on an extensive analysis of OSS records, including the vast trove of records released by the CIA in the 1980s and '90s, as well as a new set of interviews with OSS veterans conducted by the author and a team of American scholars from 1995 to 1997, The Shadow

War Against Hitler is the full story of America's far-flung secret intelligence apparatus during World War II. In addition to its responsibilities generating, processing, and interpreting intelligence information, the OSS orchestrated all manner of dark operations, including extending feelers to anti-Hitler elements, infiltrating spies and sabotage agents behind enemy lines, and implementing propaganda programs. Planned and directed from Washington, the anti-Hitler campaign was largely conducted in Europe, especially through the OSS's foreign outposts in Bern and London. A fascinating cast of characters made the OSS run: William J. Donovan, one of the most decorated individuals in the American military who became the driving force behind the OSS's genesis; Allen Dulles, the future CIA chief who ran the Bern office, which he called the big window onto the fascist world; a veritable pantheon of Ivy League academics who were recruited to work for the intelligence services; and, not least, Roosevelt himself. A major contribution of the book is the story of how FDR employed Hitler's former propaganda chief, Ernst Putzi Hanfstaengl, as a private spy. More than a record of dramatic incidents and daring personalities, this book adds significantly to our understanding of how the United States fought World War II. It demonstrates that the extent, and limitations, of secret intelligence information shaped not only the conduct of the war but also the face of the world that emerged from the shadows.

*What Are Your Words?* Katherine Locke, 2021-05-25 Ari knows a lot of words for neighbors, including the pronouns each prefers, and with help from Uncle Lior, who always asks What are your words, figures out which pronouns--and other words--fit best today.

**A Few Words about Words** Joseph J. Diorio, 2021-08-10 Penned by a writer who had to teach himself the rules of English grammar, *A Few Words About Words* offers an easy and accessible approach to understanding and using the English language. In a world dominated by countless print and social media outlets, written communication is king. Writing your when you mean you're and there when you mean they're can make the difference between getting or not getting new business. A missing comma can result in a PR catastrophe, and a well-written line can be remembered for generations. And yet, many native speakers struggle with the English language. Spawned from the widely-circulated and beloved newsletter of the same name, Joe Diorio's *A Few Words About Words* blends quick-witted anecdotes from more than 30 years of newsletter entries that highlight the common, uncommon, and surprising grammar mistakes most English speakers make. The result is a digestible, all-encompassing look at English grammar. For anyone who has ever wondered whether also should follow or precede the verb; if there's a difference between 'preventive' or 'preventative'; or whether the Oxford comma is as important as everyone says it is, this book provides relief for many common grammar anxieties. Humorous, enlightening, and completely comprehensible, *A Few Words About Words* will be the go-to grammar guide you pick up and can't put down.

*The Dictionary of Lost Words* Pip Williams, 2021-04-06 NEW YORK TIMES BESTSELLER • REESE'S BOOK CLUB PICK • "Delightful . . . [a] captivating and slyly subversive fictional paean to the real women whose work on the Oxford English Dictionary went largely unheralded."—The New York Times Book Review "A marvelous fiction about the power of language to elevate or repress."—Geraldine Brooks, New York Times bestselling author of *People of the Book* Esme is born into a world of words. Motherless and irrepressibly curious, she spends her childhood in the Scriptorium, an Oxford garden shed in which her father and a team of dedicated lexicographers are collecting words for the very first Oxford English Dictionary. Young Esme's place is beneath the sorting table, unseen and unheard. One day a slip of paper containing the word bondmaid flutters beneath the table. She rescues the slip and, learning that the word means "slave girl," begins to collect other words that have been discarded or neglected by the dictionary men. As she grows up, Esme realizes that words and meanings relating to women's and common folks' experiences often go unrecorded. And so she begins in earnest to search out words for her own dictionary: the Dictionary of Lost Words. To do so she must leave the sheltered world of the university and venture out to meet the people whose words will fill those pages. Set during the height of the women's suffrage movement and with the Great War looming, *The Dictionary of Lost Words* reveals a lost narrative, hidden between the lines of a history written by men. Inspired by actual events, author

Pip Williams has delved into the archives of the Oxford English Dictionary to tell this highly original story. The Dictionary of Lost Words is a delightful, lyrical, and deeply thought-provoking celebration of words and the power of language to shape the world. WINNER OF THE AUSTRALIAN BOOK INDUSTRY AWARD

*Endangered Words* Simon Hertnon, 2015-07-07 Afterwit, agathism, ambsace, anacampserote, antepenultimate, antimony, and more! "When a word perfectly captures a human truth, humans respond to it in the same way that they respond to a beautiful melody. They smile. They nod their heads. They tell others of their discovery." So says Simon Hertnon in his introduction to *Endangered Words*, and after wrapping your tongue around the lexical rarities he offers up to his readers, you'll have to agree! Hertnon provides one hundred hand-selected rarities, and, in a virtuoso display of concinnity, breathes life into them with his lucid descriptions of their meaning and engaging examples of their usage. Perhaps you are an arriviste enjoying a newfound sense of nikhedonia as you demonstrate your sprezzatura in a given subject. Or maybe you are a desipientplutomaniac destined to a life of poshlost. If this doesn't describe you, then take your pick of the many wonderful words in this book: Omnistrain Trilemma Aporia Or maybe these are all schlimmbesserungs! Thanks to *Endangered Words*, you no longer have to be at a loss for words or reach for the clichéd and commonplace. The English language is brimming with ambrosial alternatives, and this compendium offers the cream of the crop. Filled with words to be treasured for their elegant precision, from apophenia to zemblanity, *Endangered Words* is the perfect handbook for writers, an excellent resource for communicators, and an entertaining read for anyone with an appetite for the very brightest gems of the English language.

*Making Words, Grade 2* Patricia M. Cunningham, Dorothy P. Hall, 2001-04-01 Facilitate meaningful, multilevel lessons for students in second grade using *Making Words: Lessons For Home or School*. This 64-page resource includes 50 reproducible hands-on activities in which children manipulate letter cards to construct words, sort words by spelling patterns, and use the sorted patterns to spell and read new words, and a reproducible sheet of instructions. *Making Words: Lessons For Home or School* supports the Four-Blocks(R) Literacy Model and is a great addition to any classroom or homeschool.

**Semantics and Cultural Change in the British Enlightenment: New Words and Old** Carey McIntosh, 2020-05-18 A study of English semantics during the Enlightenment. New words 1650-1800 reflect the new middle-class culture of sociability, commerce, and science. Old mostly obsolete words illuminate the realities of working-class life, exhausting labor, dirt, outrageous sexism, magic, horses, bizarre food.

*Misused Words and Then Some* Giacomo Giammatteo , 2017-11-17 This is the final book in the No Mistakes Grammar series, so be prepared to learn. We cover a lot of territory in this book. Things like: count nouns (data and media), linking verbs, comma usage, hyphenation, sayings and proverbs, appositives, more mispronunciations, words from other languages, and more. There should be enough in here to keep you busy for a while. And I guarantee it will improve your grammar in an easy-to-understand style.

**Four Dialect Words** Thomas Hallam, 1885

*Words We Use* Diarmaid Ó Muirthe, 2006-10-31 Diarmaid Ó Muirthe's column *Words We Use* was a feature of *The Irish Times* for many years. This collection of his most memorable contributions, by turns witty and sympathetic, wears its prodigious learning lightly and is sure to delight those captivated by the power of language to shape the world around us. Drawing on the author's nearly inexhaustible knowledge of languages, their mechanics and idiosyncrasies, *Words We Use* has sections covering everything from Magic and Shakespeare to Computers and Text Messaging. It will change the way you think about language forever.

**My Epic Life Word Book** Mrs. Wordsmith, 2019-09-03 From the creators of the bestseller *Storytellers Dictionary* comes the *My Epic Life Dictionary* for children ages 4-8 years. All the hilariously illustrated words every child needs to learn to express themselves in today's world. This is not your

average dictionary. It is a dictionary, but it's also a handbook for any child who wants to live a truly epic life. Designed by literacy experts to be hilariously fun and endlessly surprising, each page bursts with Hollywood illustration. The words are curated from relevant, global curriculum lists for kids aged four to eight, with extra challenging vocabulary added to the mix. This dictionary gives children the words they need to express themselves in every part of life from emotions to maths, food to philosophy, making a big mucky mess to cleaning up, as well as a whole section on the future of technology. "This is the dictionary for the 21st century. I can't imagine a more delightful way to learn about words than with these wild and hilarious characters. What's especially exciting is that My Epic Life uses the very latest in the science of learning to grab children's attention and teach them words about their world. Educators take note! This dictionary will not only improve children's vocabulary, it will accelerate it at epic speed." -- Susan Neuman, Professor of Childhood Education and Literacy Development, NYU "My Epic Life Dictionary is pure magic! Driven by compelling research on the importance of vocabulary development and socio-emotional learning for every child's growth and development, this modern marvel is filled with compelling characters, powerful themes, and remarkable story-telling assets that every child and parent will love. It has been decades since I encountered a children's dictionary that was so delightful and important!" -- Michael Levine, Chief Knowledge Officer, Sesame Street

*Treaty Words* Aimée Craft, 2021-03-30 The first treaty that was made was between the earth and the sky. It was an agreement to work together. We build all of our treaties on that original treaty. On the banks of the river that have been Mishomis's home his whole life, he teaches his granddaughter to listen—to hear both the sounds and the silences, and so to learn her place in Creation. Most importantly, he teaches her about treaties—the bonds of reciprocity and renewal that endure for as long as the sun shines, the grass grows, and the rivers flow. Accompanied by beautiful illustrations by Luke Swinson and an author's note at the end, Aimée Craft affirms the importance of understanding an Indigenous perspective on treaties in this evocative book that is essential for readers of all ages.

**Word-Formation in English** Ingo Plag, 2018-07-12 This book is the second edition of a highly successful introduction to the study of word-formation, that is, the ways in which new words are built on the bases of other words (e.g. happy - happy-ness), focusing on English. The book's didactic aim is to enable students with little or no prior linguistic knowledge to do their own practical analyses of complex words. Readers are familiarized with the necessary methodological tools to obtain and analyze relevant data and are shown how to relate their findings to theoretical problems and debates. The second edition incorporates new developments in morphology at both the methodological and the theoretical level. It introduces to the use of new corpora and data bases, acquaints the reader with state-of-the-art computational algorithms modeling morphology, and brings in current debates and theories.

English Sentence Exercises (Part 1): Word-Order In Sentences Manik Joshi, 2015-10-23 Rewrite the Sentences in Correct Word-Order – EXERCISES -- Sentences With 'Past Verbs', Sentences With 'Present Verbs', Sentences with the verb 'BE' [Am, Is, Are, Was, Were], Sentences With Verb 'Do' [Do, Does, Did], Sentences With Verb 'HAVE' [Have, Has, Had], Sentences With 'Modal Verbs', Causative Sentences, Conditional Sentences, Correlation/Comparison In A Sentence, Sentences With Verb 'Get', and other exercises Sample This: Rewrite the following Sentences in Correct word order: [1A.
