**Mothering by the Book** Jennifer Pepito,2022-08-02 Wit and wisdom for every mother, everywhere.--ERIN LOECHNER, author of Chasing Slow Becoming a better, happier mom starts with the stories you tell your kids As a mom, you want to nurture a strong family, but fear steals your joy. Sometimes you wonder if you're failing your children or whether you're cut out for this. Beloved writer and mom of seven Jennifer Pepito understands. She was intent on loving her children well, but fear and worry pushed her around. Ultimately, she found her joy in a most surprising place: the pages of classic literature she was reading aloud to her children every day. These stories helped her reclaim the wonder of childhood for herself and her children. In Mothering by the Book, Jennifer takes you on a fascinating, whimsical journey that will bring freedom and fun to your parenting--one great book at a time.

Word by Word Kory Stamper,2018-03-06 “We think of English as a fortress to be defended, but a better analogy is to think of English as a child. We love and nurture it into being, and once it gains gross motor skills, it starts going exactly where we don’t want it to go: it heads right for the goddamned electrical sockets.” With wit and irreverence, lexicographer Kory Stamper cracks open the obsessive world of dictionary writing, from the agonizing decisions about what to define and how to do it to the knotty questions of ever-changing word usage. Filled with fun facts—for example, the first documented usage of “OMG” was in a letter to Winston Churchill—and Stamper’s own stories from the linguistic front lines (including how she became America’s foremost “irregardless” apologist, despite loathing the word), Word by Word is an endlessly entertaining look at the wonderful complexities and eccentricities of the English language.
