

Dear

Rod Campbell

What Do You Say, Dear? Sesyle Joslin, 1986-09-25 What do you say when: you bump into a crocodile on a crowded city street? a nice gentleman introduces you to a baby elephant? the Queen feeds you so much spaghetti that you don't fit in your chair anymore? This is the funniest book of manners you'll ever read!

Dear Client Bonnie Siegler, 2018-02-20 In a world where every business, brand, product, and service needs a strong visual identity, it's critical for clients and creative professionals to work together. And the key to success, as with any relationship, is communication. In *Dear Client*, award-winning graphic designer Bonnie Siegler offers an invaluable step-by-step guide to how to talk so creatives will listen, and how to listen when creatives talk. Written as a series of honest, friendly lessons—"Know What You Like," "Decide Who Will Decide," "Focus Groups Suck," "Don't Say 'Make It Yellow,' Say 'Make It Sunny,'" "Serve Lunch During Lunchtime Meetings"—it shows exactly how to deal with the subjectivity, emotional pitfalls, and occasional chaos of a creative partnership. Here's how to articulate

your visual goals and set a clear, consistent direction. How to give feedback that works and avoid words that inhibit creative thinking. How to be open to something you didn't imagine. And most of all, how to have fun, save money, and get the results you want.

Oh Dear! Rod Campbell, 2023-01-05 Celebrate 40 years of the favourite lift-the-flap farmyard story from Rod Campbell, the creator of the bestselling preschool classic, Dear Zoo. Buster's staying with Grandma on the farm. But where will he find the eggs for breakfast? Not in the stable - oh dear! Young children will love lifting the flaps as they turn the pages and follow Buster around the farm. With bright, bold artwork, simple, catchy text and a whole host of favourite farm animals, Oh Dear! is a classic story to come back to again and again, and the thick board pages, chunky cased cover and sturdy flaps make it great for small hands. Rod Campbell, the creator of the preschool lift-the-flap classic Dear Zoo, has been a trusted name in early learning for over forty years, and Oh Dear! has been a firm favourite with toddlers and parents alike since it was first published in 1983. Enjoy more stories about Buster with two touch-and-feel books, Goodnight Buster! and Buster's Farm, and Where's

Teddy?, a search-and-find book.

Dear Austin Elvira Woodruff,1998 In 1853, in letters to his older brother, eleven-year-old Levi describes his adventures in the Pennsylvania countryside with his black friend Jupiter and his experiences with the Underground Railroad.

Dear Shirley ,2018 A meditation on coming out and love through the decades.

Dear World Bana Alabed,2017-10-03 “A story of love and courage amid brutality and terror, this is the testimony of a child who has endured the unthinkable.” —J.K. Rowling “I’m very afraid I will die tonight.” —Bana Alabed, Twitter, October 2, 2016 “Stop killing us.” —Bana Alabed, Twitter, October 6, 2016 “I just want to live without fear.” —Bana Alabed, Twitter, October 12, 2016 When seven-year-old Bana Alabed took to Twitter to describe the horrors she and her family were experiencing in war-torn Syria, her heartrending messages touched the world and gave a voice to millions of innocent children. Bana’s happy childhood was abruptly upended by civil war when she was only three years old. Over the next four years, she knew nothing but bombing, destruction, and fear. Her harrowing ordeal

culminated in a brutal siege where she, her parents, and two younger brothers were trapped in Aleppo, with little access to food, water, medicine, or other necessities. Facing death as bombs relentlessly fell around them—one of which completely destroyed their home—Bana and her family embarked on a perilous escape to Turkey. In Bana's own words, and featuring short, affecting chapters by her mother, Fatemah, *Dear World* is not just a gripping account of a family endangered by war; it offers a uniquely intimate, child's perspective on one of the biggest humanitarian crises in history. Bana has lost her best friend, her school, her home, and her homeland. But she has not lost her hope—for herself and for other children around the world who are victims and refugees of war and deserve better lives. *Dear World* is a powerful reminder of the resilience of the human spirit, the unconquerable courage of a child, and the abiding power of hope. It is a story that will leave you changed.

Dear Data Giorgia Lupi, Stefanie Posavec, 2016-09-13 Equal parts mail art, data visualization, and affectionate correspondence, *Dear Data* celebrates the infinitesimal, incomplete, imperfect, yet exquisitely human details of life, in the words of Maria Popova (*Brain Pickings*), who introduces this

charming and graphically powerful book. For one year, Giorgia Lupi, an Italian living in New York, and Stefanie Posavec, an American in London, mapped the particulars of their daily lives as a series of hand-drawn postcards they exchanged via mail weekly—small portraits as full of emotion as they are data, both mundane and magical. *Dear Data* reproduces in pinpoint detail the full year's set of cards, front and back, providing a remarkable portrait of two artists connected by their attention to the details of their lives—including complaints, distractions, phone addictions, physical contact, and desires. These details illuminate the lives of two remarkable young women and also inspire us to map our own lives, including specific suggestions on what data to draw and how. A captivating and unique book for designers, artists, correspondents, friends, and lovers everywhere.

Dear Rosalyn Drexler, 1997 (Applause Books). The script to one of the most tender yet devastating plays of the Drexlerian oeuvre is the musical romance *Dear*. It takes place in the Eisenhower Fifties, the early years of television. There is an elegiac quality for the tragicomedy punctuated by the sentimental music of the era...The play is about Jessie Clup, a Queens housewife

whose philandering husband has deserted her. Her only culpa is her fixation on Perry Como, the ex-barber, crooner kin, reigning TV star. Rosette Lamont, StageView .

Dear Everybody Michael Kimball, 2013-02-05 Jonathon Bender had something to say to the world; unfortunately, the world wasn't listening, and didn't start until Jonathon committed suicide. *Dear Everybody* is his last will and testament: unsent letters addressed to relatives, friends, teachers, classmates, professors, roommates, employers, former girlfriends, his ex-wife, the Tooth Fairy, the Easter Bunny, Santa Claus, the state of Michigan, and a weather satellite, just to name a few, alongside the eulogizing reminiscences of his closest acquaintances. Michael Kimball fills in the story of Jonathon's life through his letters, bringing the reader to laughter and tears in an involving and sympathetically written work of fiction.

Dear Popsy Eric Bishop-Potter, 2013-11-01 Welcome to St Cloud's, an exclusive public school where the boys prefer rouge to rugger and bondage to bunsen burners. Here, courtesy of new boy Basil Leaf and the postcards he writes to his long-suffering father, you'll meet the 'criminally pretty'

Gemini Tarquogon, who paints his nails scarlet and wears frocks and feathers; Courtney Durham, who runs up curtains on his sewing machine; Hugo Bletchworth, keen on leatherwear and flagellation; Father Absolute, Basil's gin-swilling Father Confessor; Rory O'Brien, St Cloud's rugger coach and Courtney Durham's 'close companion'. Then there are Basil's camp followers, so to speak: Nipper Thompson, a spirited jockey sacked by his guv'nor for wearing earrings at the morning gallop; Maurice Le Vere, a former ballet dancer and owner of The Last Faerie, a notorious watering hole; Sir Geoffrey Grassington, a local magistrate and the proprietor of a palace of pleasure, wherein Basil and his chums bring comfort to wealthy gentlemen of unusual tastes, until the men from MI5 move in... Dear Popsy is an outrageous, madly comic book, brimming with zip and exuberance. Michael Palin, of Monty Python fame, said: 'Very, very funny, wonderful turns of phrase, carries on where Decline and Fall left off, I think I am jealous.'* And Goodreads' reviewers have given it five-star ratings. Dear Popsy was first published by Andrew Deutsch and later by Penguin. This is the third edition of this popular book

executive. It also follows the development of Sallie's relationships with Gordon Hallock, a wealthy politician, and Dr. Robin MacRae, the orphanage's physician, (to whom Sallie addresses her letters: Dear Enemy). Both relationships are affected by Sallie's initial reluctance to commit herself to her job, and by her gradual realization of how happy the work makes her and how incomplete she'd feel without it.

Dear California David Kipen, 2023-10-03 Dispatches from a land of extremes, by writers and movie stars, natives and visitors, activists and pioneers, and more. California has always been, literally, a place to write home about. Renowned figures and iconoclasts; politicians, actors, and artists; the world-famous and the not-so-much—all have contributed their voices to the patchwork of the state. With this book, cultural historian and California scholar David Kipen reveals this long-storied place through its diaries and letters, and gives readers a highly anticipated follow up to his book *Dear Los Angeles*. Running from January 1 through December 31, leaping across decades and centuries, *Dear California* reflects on the state's shifting landscapes and the notion of place. Entries talk across the

centuries, from indigenous stories told before the Spanish arrived on the Pacific coast through to present-day tweets, blogs, and other ephemera. The collected voices show how far we've wandered—and how far we still have to go in chasing the elusive California dream. This is a book for readers who love California—and for anyone who simply treasures flavorful writing. Weaving together the personal, the insightful, the impressionistic, the lewd, and the hysterically funny, *Dear California* presents collected writings essential to understanding the diversity, antagonisms, and abiding promise of the Golden State. Writings from Edward Abbey, Louis Armstrong, Ambrose Bierce, Octavia Butler, John Cage, Willa Cather, Cesar Chavez, Julia Child, Winston Churchill, Simone de Beauvoir, Albert Einstein, F. Scott Fitzgerald, Jane Fonda, Allen Ginsberg, Dolores Huerta, Langston Hughes, Zora Neale Hurston, Steve Jobs, Billy Joel, Frida Kahlo, John F. Kennedy, Anne Lamott, John Lennon, Groucho Marx, Henri Matisse, Marshall McLuhan, Herman Melville, Charles Mingus, Marilyn Monroe, John Muir, Ronald Reagan, Sally Ride, Joan Rivers, Susan Sontag, Mark Twain, Oscar Wilde, Laura Ingalls Wilder, Mark Zuckerberg, and many others.
