The Ladder Halfdan Rasmussen, Marilyn Nelson, Pierre Pratt, 2006 A jolly ladder, left behind by a strange carpenter, takes on a life of its own and embarks on a grand journey through the countryside where it encounters people and animals, who, after climbing it to the top and disappearing into the sky, return in a special way!

Jacob's Ladder Bruce Joel Rubin, 1990 (Applause Books). From the hit movie directed by Adrian Lyne, this is the original script with over 100 photos. From Rubin's introduction: The script presented here is not my initial screenplay but the final draft completed just before shooting. While close to the original, some significant scenes have been changed or cut. You will find them in the final chapter.

A Ladder to the Sky John Boyne, 2018-11-13 "A satire of writerly ambition wrapped in a psychological thriller . . . An homage to Patricia Highsmith, Oscar Wilde and Edgar Allan Poe, but its execution is entirely Boyne's own."—Ron Charles, *The Washington Post*
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND MINNEAPOLIS STAR TRIBUNE Maurice Swift is handsome, charming, and hungry for fame. The one thing he doesn't have is talent—but he's not about to let a detail like that stand in his way. After all, a would-be writer can find stories anywhere. They don't need to be his own. Working as a waiter in a West Berlin hotel in 1988, Maurice engineers the perfect opportunity: a chance encounter with celebrated novelist Erich Ackermann. He quickly ingratiates himself with the powerful – but desperately lonely – older man, teasing out of Erich a terrible, long-held secret about his activities during the war. Perfect material for Maurice's first novel. Once Maurice has had a taste of literary fame, he knows he can stop at nothing in pursuit of that high. Moving from the Amalfi Coast, where he matches wits with Gore Vidal, to Manhattan and London, Maurice hones his talent for deceit and manipulation, preying on the talented and vulnerable in his cold-blooded climb to the top. But the higher he climbs, the further he has to fall. . . . Sweeping across the late twentieth century, *A Ladder to the Sky* is a fascinating portrait of a relentlessly immoral man, a tour de force of storytelling, and the next great novel from an acclaimed literary virtuoso. Praise for *A Ladder to the Sky* "Boyne's mastery of perspective, last seen in *The Heart's Invisible Furies*, works beautifully here. . . . Boyne understands that it's far more interesting and satisfying for a reader to see that narcissist in action than to be told a catchall phrase. Each step Maurice Swift takes skyward reveals a new layer of calumny he's willing to engage in, and the desperation behind it. . . so dark it seems almost impossible to enjoy reading *A Ladder to the Sky* as much as you definitely will enjoy reading it."—NPR
"Delicious . . . spins out over several decades with thrilling unpredictability, following Maurice as he masters the art of co-opting the stories of others in increasingly dubious ways. And while the book reads as a thriller with a body count that would make Highsmith proud, it is also an exploration of morality and art: Where is the line between inspiration and thievery? To whom does a story belong?"—*Vanity Fair*

Climbing Jacob's Ladder Alan Morinis, 2007-05-08 Jewish by birth, though from a secular family, Alan Morinis explored Hinduism and Buddhism as a young man. But in 1997, in the face of personal crisis, he turned to his Jewish heritage for guidance. In his reading he happened upon a Jewish spiritual tradition called Mussar. Gradually he realized that he had stumbled upon an insightful discipline for self-development, complete with meditative, contemplative, and other well-developed transformative practices designed to penetrate the deepest roots of the inner life. Eventually reaching the limits of what he could learn on his own, he decided to seek out a Mussar teacher. This was not an easy task, since almost the entire world of the Mussar tradition had been wiped out in the Holocaust. In time, he found an accomplished master who stood in an unbroken line of transmission of the Mussar tradition, and who lived in the center of a community of Orthodox Jews on Long Island. This book tells the story of Morinis's journey to meet his teacher and what he learned from him, revealing the central teachings and practices that are the spiritual treasury and legacy of Mussar. The Fish Ladder Katharine Norbury, 2015-08-11 Katharine Norbury was abandoned as a baby in a Liverpool convent. Raised by a loving adoptive family, she grew into a wanderer, drawn by the landscape of the British countryside. One summer, following the miscarriage of a much-longed-for child, Katharine sets out-accompanied by her nine-year-old daughter, Evie-with the idea of following a river from the sea to its source. The luminously observed landscape grounds the walkers, providing both a constant and a context to their expeditions. But what begins as a diversion from grief evolves into a journey to the source of life itself: a life threatening illness forces Katharine to seek a genetic medical history, and this new and unexpected path delivers her to the door of the woman who abandoned her all those years ago. Combining travelogue, memoir, exquisite nature writing, and fragments of poems with tales from Celtic mythology, *The Fish Ladder* has a rare emotional resonance. It is a portrait of motherhood, of a literary marriage, a hymn to the adoptive family, but perhaps most of all it is an exploration of the extraordinary majesty of the natural world. Imbued with a keen and joyful intelligence, this original and life-affirming book is set to become a classic of its genre.

Ladder to the Light Steven Charleston, 2021-01-05 Darkness will not last forever. Together we can climb toward the light. They were as troubled as we, our ancestors, those who came before us, and all for the very same reasons: fear of illness, a broken heart, fights in the family, the threat of another war. Corrupt politicians walked their stage, and natural disasters appeared without warning. And yet they came through, carrying us within them, through the grief and struggle, through the personal pain and the public chaos, finding their way with love and faith, not giving in to despair but walking upright until their last step was taken. My culture does not honor the ancestors as a quaint spirituality of the past but as a living source of strength for the present. They did it and so will we. In the same voice that has comforted and challenged countless readers through his daily social media posts, Choctaw elder and Episcopal priest Steven Charleston offers words of hard-won hope, rooted in daily conversations with the Spirit and steeped in Indigenous wisdom. Every day Charleston spends time in prayer. Every day he writes down what he hears from the Spirit. In *Ladder to the Light* he shares what he has heard with the rest of us and adds thoughtful reflection to help guide us to the light Native America knows something about cultivating resilience and resisting darkness. For all who yearn for hope, *Ladder to the Light* is a book of comfort, truth, and challenge in a time of anguish and fear.

Jacob's Ladder: A Story of Virginia During the War Donald McCaig, 2009-12-07 Winner of the Michael Shaara Award for Excellence in Civil War Fiction A civil war saga that resonates with the bitter glory and human shame of the Confederacy. Jacob's Ladder is a Civil War epic, a love story that pits the indomitable longing of the human heart against circumstances of racism, slavery, and war. Duncan Gatewood, seventeen and heir to the Gatewood plantation, falls in love with Maggie, a mulatto slave, who conceives a son, Jacob. Maggie and Jacob are sold south, and Duncan is packed off to the Virginia Military Institute. As Duncan fights for Robert E. Lee, Jesse—a Gatewood slave whose love for Maggie is unrequited—escapes north and enlists in Lincoln's army, determined to confront his former masters, while Maggie finds herself living a life she never could have imagined as the wife of a blockade runner. From the interlocked lives of masters and slaves, Donald McCaig conjures a passionate and richly textured story in the heart of America's greatest war. The destiny of these three compelling characters connect a Vicksburg brothel to a Richmond salon, the nightmare of a Confederate hospital to the lurid hell of battlefields at Fredericksburg and Chancellorsville. Winner of the John Estlin Cook Award Winner of the Boyd Military Novel Award

Word Ladders Clarity Media, 2012-12-07 Welcome to this fantastic collection of 100 word ladder puzzles. Word ladders are fun and entertaining word puzzles that are a real test of your vocabulary. The rules of word ladders are deceptively simple. All you need to do is move from the word at the top of the ladder to the word at the bottom of the ladder in the stated number of steps, placing a new word on each rung of the ladder. As you move down the ladder, the rule is that you can only change one letter at a time, and you cannot shuffle the order of any of the letters. For instance, you can move from 'MORE' to 'MOVE', here changing the 'R' for a 'V'. However, 'MORE' to 'LOVE' isn't valid as here you are swapping two letters when you are only allowed to swap one. Of course, each word you make must be in the dictionary, so you couldn't move from 'MORE' to 'MZRE' for instance. That's all there is to it - good luck, and we hope you have lots of fun climbing, or descending, the 100 word ladders in this book!
