Me Elton John, 2019-10-15 In his first and only official autobiography, music icon Elton John reveals the truth about his extraordinary life. *Me* is the joyously funny, honest and moving story of the most enduringly successful singer/songwriter of all time. The Sunday Times bestseller with a new chapter bringing the story up to date. 'The rock memoir of the decade' – Daily Mail 'The rock star's gloriously entertaining and candid memoir is a gift to the reader' – Sunday Times _____ Christened Reginald Dwight was a shy boy with Buddy Holly glasses who grew up in the London suburb of Pinner and dreamed of becoming a pop star. By the age of twenty-three, he was performing his first gig in America, facing an astonished audience in his bright yellow dungarees, a star-spangled T-shirt and boots with wings. Elton John had arrived and the music world would never be the same again. His life has been full of drama, from the early rejection of his work with songwriting partner Bernie Taupin to spinning out of control as a chart-topping superstar; from half-heartedly trying to drown himself in his LA swimming pool to disco-dancing with the Queen; from friendships with John Lennon, Freddie Mercury and George Michael to setting up his AIDS Foundation. All the while, Elton was hiding a drug addiction that would grip him for over a decade. In *Me* Elton also writes powerfully about getting clean and changing his life, about finding love with David Furnish and becoming a father. In a voice that is warm, humble and open, this is Elton on his music and his relationships, his passions and his mistakes. This is a story that will stay with you, by a living legend. _____ 'Self-deprecating, funny . . . You cannot help but enjoy his company throughout, temper tantrums and all' – The Times 'Racy, pacy and crammed with scurrilous anecdotes - what more could you ask from the rocket man' – Guardian (Book of the Week) 'Chatty, gossipy, amusing and at times brutally candid' – Telegraph

Stop Calling Me Christian Josh Nelson, 2018-11-15 The word Christian has many connotations, and depending on one's personal beliefs and experiences, they may be positive or negative. Regardless, we must acknowledge that it has become an extremely polarizing word today. In *Stop Calling Me Christian*, author Josh Nelson shares his personal story of faith, where he went from a so-called "Christian" to a man truly dedicated to honoring Christ and applying the gospel in his life. Introducing us to the notion of Phariseeism—a disease of the heart and mind that can leave godly believers blind, hopeless, and standing on a weakened faith—Josh shows how this disease can be cured through listening to and truly hearing God's Word. And by learning about the path of authentic discipleship, you too can discover the life in Jesus that you always desired. Many of us believe we are living the good Christian life, yet there is a reason why our prayers may seem to go unanswered, as if God is not there. But he is always with us, and we must make it the focus of our lives to seek him and reflect the character of his son.
