A perfect gift to celebrate a new school year, birthdays, milestones and all the amazing things YOU accomplish! How tall are YOU? How many teeth do YOU have? Where do YOU live? What do YOU like to eat? Kids will answer these questions and more, celebrating their unique selves while creating their very own biographies in this classic activity book from Dr. Seuss, illustrated by Roy McKie. With fill-in-the-blanks, lists, check boxes, and drawing prompts, this book allows readers to write and draw right on the fun-filled pages! From the number of freckles you have, to the kind of house you live in, to the silly animal sounds you can make, Dr. Seuss guides kids through an interactive reading experience with a creative spark. The perfect gift for special birthdays or for year-round fun, this book will hold special memories long after it's filled in.

In the Dream House Carmen Maria Machado,2019-11-05 A revolutionary memoir about domestic abuse by the award-winning author of *Her Body and Other Parties* *In the Dream House* is Carmen Maria Machado's engrossing and wildly innovative account of a relationship gone bad, and a bold dissection of the mechanisms and cultural representations of psychological abuse. Tracing the full arc of a harrowing relationship with a charismatic but volatile woman, Machado struggles to make sense of how what happened to her shaped the person

she was becoming. And it's that struggle that gives the book its original structure: each chapter is driven by its own narrative trope—the haunted house, erotica, the bildungsroman—through which Machado holds the events up to the light and examines them from different angles. She looks back at her religious adolescence, unpacks the stereotype of lesbian relationships as safe and utopian, and widens the view with essayistic explorations of the history and reality of abuse in queer relationships. Machado's dire narrative is leavened with her characteristic wit, playfulness, and openness to inquiry. She casts a critical eye over legal proceedings, fairy tales, Star Trek, and Disney villains, as well as iconic works of film and fiction. The result is a wrenching, riveting book that explodes our ideas about what a memoir can do and be.

This is My Book Mark Pett, 2016 The author explains how to make a book with the help of a panda he has drawn—who has his own ideas about how to make a book. Includes a flap, a pull tab, and a pop-up image.

My "i" Book Jane Belk Moncure, 1984 My first steps to Reading, Book A in set of 24.

Why I Burned My Book and Other Essays on Disability Paul K. Longmore, 2003 'Personal inclination made me a historian. Personal encounter with public policy made me an activist.'

My Life with Bob Pamela Paul, 2017-05-02 For twenty-eight years, Pamela Paul has been keeping a diary that records the books she reads, rather than the

life she leads. Or does it? Over time, it's become clear that this Book of Books, or Bob, as she calls him, tells a much bigger story. For Paul, as for many readers, books reflect her inner life--her fantasies and hopes, her dreams and ideas. And her life, in turn, influences which books she chooses, whether for solace or escape, diversion or self-reflection, information or entertainment. My Life with Bob isn't about what's in those books; it's about the relationship between books and readers--

The Book with No Pictures B. J. Novak, 2014-09-30 A #1 New York Times bestseller, this innovative and wildly funny read-aloud by award-winning humorist/actor B.J. Novak will turn any reader into a comedian—a perfect gift for any special occasion! You might think a book with no pictures seems boring and serious. Except . . . here's how books work. Everything written on the page has to be said by the person reading it aloud. Even if the words say . . . BLORK. Or BLUURF. Even if the words are a preposterous song about eating ants for breakfast, or just a list of astonishingly goofy sounds like BLAGGITY BLAGGITY and GLIBBITY GLOBBITY. Cleverly irreverent and irresistibly silly, *The Book with No Pictures* is one that kids will beg to hear again and again. (And parents will be happy to oblige.)

What Will I Do with My Love Today? Kristin Chenoweth, 2022-03-08 Broadway and screen star Kristin Chenoweth's whimsical adventure about adoption reminds kids they have an abundance of love and kindness to share, whether adopting a pet or expanding their family. *What Will I Do with My Love Today?*

is a sweet adventure picture book by celebrity Kristin Chenoweth, known for her role in Broadway's *Wicked* and her Emmy Award-winning performance in the ABC hit series *Pushing Daisies*. Join young Kristi Dawn as she joyfully walks around New York City, sharing her love through acts of generosity—from singing in the church choir to helping a neighbor weed her garden. When she meets a lonely dog looking for a home, Kristi shows that adoption is one of the most loving and life-changing gifts of all. Through delightful rhyme and examples of child-friendly (and pup-friendly!) acts of generosity and kindness, Chenoweth shares the powerful message that the more love you give, the more love you get back! This read-aloud picture book is perfect for kids ages 4 to 8, tells a meaningful story alongside playful illustrations from Maine Diaz, is a great gift for baby showers, adoption parties, soon-to-be older siblings, and dog-loving kids, is a meaningful way to celebrate Random Acts of Kindness Day, National Dog Day, and National Adopt a Shelter Pet Day, and is a fun gift for fans of Kristin Chenoweth. Inspired by Chenoweth's inspiring, love-filled message, your kids will jump out of bed every morning and say, What will I do with my love today?

My Leaf Book Monica Wellington, 2015-09-01 The brilliant colors of fall foliage take center stage in this picture book perfect for fans of the classic *Red Leaf*, *Yellow Leaf*. With her trademark bold, graphic style Monica Wellington has created a picture book about autumn, trees, and leaves. When the seasons change, a young girl visits the arboretum to collect fallen

leaves and make a book with them. Brilliant illustrations show each variety of tree the girl encounters, from the common oak to the lesser known ginkgo. Spreads silhouetting leaves up-close help young children learn to identify them. Like the girl in the book, young readers will be eager to make their very own leaf books.

In My Heart Jo Witek, 2014-10-14 Celebrate feelings in all their shapes and sizes in this New York Times bestselling picture book from the Growing Hearts series! Happiness, sadness, bravery, anger, shyness . . . our hearts can feel so many feelings! Some make us feel as light as a balloon, others as heavy as an elephant.
