The Seven Wonders of the Ancient World Peter A. Clayton,Martin Price,1988 First published in 1988. Can you name the Seven Wonders of the Ancient World? Did they even exist? The Pharos at Alexandria survived into the Middle Ages, but the Hanging Gardens of Babylon exist only in references by ancient authors and the Colossus of Rhodes if too improbable to have existed in the form and place traditionally ascribed to it. The Seven Wonders of the Ancient World sets the record straight, with an attractive account of each Wonder in the context in which it was built. The authors combine ancient sources with the results of modern scholarship and excavations to recreate a vivid picture of the Seven Wonders. All experts in their specialist fields, the contributors bring together facts and background that are remarkably difficult to find from any other single source and establish for the first time the archaeology and location of each Wonder.

The Book of Awesome Neil Pasricha,2011-03-01 Based on the award-winning 10-million-plus-hit blog 1000 Awesome Things, The Book of Awesome is an international bestselling high five for humanity and a big celebration of life's little moments. Sometimes it's easy to forget the things that make us smile. With a 24/7 news cycle reporting that the polar ice caps are melting, hurricanes are swirling in the seas, wars are heating up around the world, and the job market is in a deep freeze, it's tempting to feel that the world is falling apart. But awesome things are all around us, like: • Popping Bubble Wrap • Wearing underwear just out of the dryer • Fixing electronics by smacking them • Getting called up to the dinner buffet first at a wedding • Watching The Price Is Right when you're home sick • Hitting a bunch of green lights in a row • Waking up and realizing it's Saturday The Book of Awesome reminds us that the best things in life are free (yes, your grandma was right). With laugh-out-loud observations from award-winning comedy writer Neil Pasricha, The Book of Awesome is filled with smile-inducing moments on every page that make you feel like a kid looking at the world for the first time. Read it and you'll remember all the things there are to feel good about.
