The Book Amaranth Borsuk,2018-05-04 The book as object, as content, as idea, as interface. What is the book in a digital age? Is it a physical object containing pages encased in covers? Is it a portable device that gives us access to entire libraries? The codex, the book as bound paper sheets, emerged around 150 CE. It was preceded by clay tablets and papyrus scrolls. Are those books? In this volume in the MIT Press Essential Knowledge series, Amaranth Borsuk considers the history of the book, the future of the book, and the idea of the book. Tracing the interrelationship of form and content in the book's development, she bridges book history, book arts, and electronic literature to expand our definition of an object we thought we knew intimately. Contrary to the many reports of its death (which has been blamed at various times on newspapers, television, and e-readers), the book is alive. Despite nostalgic paeans to the codex and its printed pages, Borsuk reminds us, the term “book” commonly refers to both medium and content. And the medium has proved to be malleable. Rather than pinning our notion of the book to a single form, Borsuk argues, we should remember its long history of transformation. Considering the book as object, content, idea, and interface, she shows that the physical form of the book has always been the site of experimentation and play. Rather than creating a false dichotomy between print and digital media, we should appreciate their continuities.

The Book of Why Judea Pearl,Dana Mackenzie,2018-05-15 A Turing Award-winning computer scientist and statistician shows how understanding causality has revolutionized science and will revolutionize artificial intelligence Correlation is not causation. This mantra, chanted by scientists for more than a century, has led to a virtual prohibition on causal talk. Today, that taboo is dead. The causal revolution, instigated by Judea Pearl and his colleagues, has cut through a century of confusion and established causality -- the study of cause and effect -- on a firm scientific basis. His work explains how we can know easy things, like whether it was rain or a sprinkler that made a sidewalk wet; and how to answer hard questions, like whether a drug cured an illness. Pearl's work enables us to know not just whether one thing causes another: it lets us explore the world that is and the worlds that could have been. It shows us the essence of human thought and key to artificial intelligence. Anyone who wants to understand either needs The Book of Why.

The Book with No Pictures B. J. Novak,2014-09-30 A #1 New York Times bestseller, this innovative and wildly funny read-aloud by award-winning humorist/actor B.J. Novak will turn any reader into a comedian—a perfect gift for any special occasion! You might think a book with no pictures seems boring and serious. Except . . . here’s how books work. Everything written on the page has to be said by the person reading it aloud. Even if the words say . . . BLORK. Or BLUURF. Even if the words are a preposterous song about eating ants for breakfast, or just a list of astonishingly goofy sounds like BLAGGITY BLAGGITY and GLIBBITY GLOBBITY. Cleverly irreverent and irresistibly silly, *The Book with No Pictures* is one that kids will beg to hear again and again. (And parents will be happy to oblige.)

Somebody Feed Phil the Book Phil Rosenthal,Jenn Garbee,2022-10-18 NEW YORK TIMES BESTSELLER “Wherever I travel, be it a different state, country, or continent, I always call Phil when I need to know where and what to eat. He’s the food guru of the world.” —Ray Romano The ultimate collection of must-have recipes, stories, and behind-the-scenes photos from the beloved Netflix show *Somebody Feed Phil*. Phil Rosenthal, host of the beloved Netflix series *Somebody Feed Phil*, really loves food and learning about global cultures, and he makes sure to bring that passion to every episode of the show. Whether he’s traveling stateside to foodie-favorite cities such as San Francisco or New Orleans or around the world to locations like Saigon, Tel Aviv, Rio de Janeiro, Mexico City, or Marrakesh, Rosenthal includes a healthy dose of humor to every episode—and now to this book. In *Somebody Feed Phil the Book*, Rosenthal presents never-before-heard stories from every episode of the first four seasons of the series, along with more than sixty of viewers’ most requested recipes from acclaimed international chefs and local legends alike (including Rosenthal’s favorite sandwich finds from San Francisco to Tel Aviv), so you can replicate many of the dishes from the show right at home. There are also “scripts” from some of Rosenthal’s video phone calls from the road with his family making this the ultimate companion guide for avid fans of the show as well as armchair travelers and adventurous at-home chefs.

Holy Bible (NIV) Various Authors,2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Drawdown Paul Hawken,2017-04-18 • New York Times bestseller • The 100 most substantive solutions to reverse global warming, based on meticulous research by leading scientists and policymakers around the world “At this point in time, the Drawdown book is exactly what is needed; a credible, conservative solution-by-solution narrative that we can do it. Reading it is an effective inoculation against the widespread perception of doom that humanity cannot and will not solve the climate crisis. Reported by-effects include increased determination and a sense of grounded hope.” —Per Espen Stoknes, Author, *What We Think About When We Try Not To Think About Global Warming* “There’s been no real way for ordinary people to get an understanding of what they can do and what impact it can have. There remains no single, comprehensive, reliable compendium of carbon-reduction solutions across sectors. At least until now. . . . The public is hungry for this kind of practical wisdom.” —David Roberts, *Vox* “This is the ideal environmental sciences textbook—only it is too interesting and inspiring to be called a textbook.” —Peter Kareiva, Director of the Institute of the Environment and Sustainability, UCLA In the face of widespread fear and apathy, an international coalition of researchers, professionals, and scientists have come together to offer a set of realistic and bold solutions to climate change. One hundred techniques and practices are described here—some are well known; some you may have never heard of. They range from clean energy to educating girls in lower-income countries to land use practices that pull carbon out of the air. The solutions exist, are economically viable, and communities throughout the world are currently enacting them with skill and determination. If deployed collectively on a global scale over the next thirty years, they represent a credible path forward, not just to slow the earth’s warming but to reach drawdown, that point in time when greenhouse gases in the atmosphere peak and begin to decline. These measures promise cascading benefits to human health, security, prosperity, and well-being—giving us every reason to see this planetary crisis as an opportunity to create a just and livable world.

The Four Agreements Don Miguel Ruiz,Janet Mills,2010-01-18 Bestselling author don Miguel Ruiz reveals the source of self-limiting beliefs that rob us of joy and create needless suffering. Based on ancient Toltec wisdom, The Four Agreements offer a powerful code of conduct that can rapidly transform our lives to a new experience of freedom, true happiness, and love. • A New York Times bestseller for over 7 years • Over 5.2 million copies sold in the U.S. • Translated into 38 languages worldwide Don Miguel Ruiz’s book is a roadmap to enlightenment and freedom.” — Deepak Chopra, Author, *The Seven Spiritual Laws of Success* “An inspiring book with many great lessons . . .” — Wayne Dyer, Author, *Real Magic* “In the tradition of Castaneda, Ruiz distills essential Toltec wisdom, expressing with clarity and impeccability what it means for men and women to live as peaceful warriors in the modern world.” — Dan Millman, Author, *Way of the Peaceful Warrior*

What Is the What Dave Eggers,2009-02-24 What Is the What is the story of Valentino Achak Deng, a refugee in war-ravaged southern Sudan who flees from his village in the mid-1980s and becomes one of the so-called Lost Boys. Valentino’s travels bring him in contact with enemy soldiers, with liberation rebels, with hyenas and lions, with disease and starvation, and with deadly murahaleen (militias on horseback)—the same sort who currently terrorize

Darfur. Eventually Deng is resettled in the United States with almost 4000 other young Sudanese men, and a very different struggle begins. Based closely on true experiences, *What Is the What* is heartbreaking and arresting, filled with adventure, suspense, tragedy, and, finally, triumph.

The Book of Woe Gary Greenberg,2013-05-02 “Gary Greenberg has become the Dante of our psychiatric age, and the DSM-5 is his Inferno.” —Errol Morris Since its debut in 1952, the American Psychiatric Association’s Diagnostic and Statistical Manual of Mental Disorders has set down the “official” view on what constitutes mental illness. Homosexuality, for instance, was a mental illness until 1973. Each revision has created controversy, but the DSM-5 has taken fire for encouraging doctors to diagnose more illnesses—and to prescribe sometimes unnecessary or harmful medications. Respected author and practicing psychotherapist Gary Greenberg embedded himself in the war that broke out over the fifth edition, and returned with an unsettling tale. Exposing the deeply flawed process behind the DSM-5’s compilation, *The Book of Woe* reveals how the manual turns suffering into a commodity—and made the APA its own biggest beneficiary.

The Daily Show (The Book) Chris Smith,2016-11-22 NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The Road Cormac McCarthy,2007-03-20 WINNER OF THE PULITZER PRIZE • NATIONAL BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful (San Francisco Chronicle). • From the bestselling author of *The Passenger* A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, each the other's world entire, are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

The Rotarian ,2003-11 Established in 1911, *The Rotarian* is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners – from Mahatma Ghandi to Kurt Vonnegut Jr. – have written for the magazine.

The Book of Will Lauren Gunderson,2018-06-18 Without William Shakespeare, we wouldn’t have literary masterpieces like *Romeo and Juliet*. But without Henry Condell and John Heminges, we would have lost half of Shakespeare’s plays forever! After the death of their friend and mentor, the two actors are determined to compile the First Folio and preserve the words that shaped their lives. They’ll just have to borrow, beg, and band together to get it done. Amidst the noise and color of Elizabethan London, *THE BOOK OF WILL* finds an unforgettable true story of love, loss, and laughter, and sheds new light on a man you may think you know.

America Jon Stewart,Ben Karlin,David Javerbaum,2005 American democracy is the world's most beloved form of government, which is why so many other nations are eager for it to be imposed on them. But just what exactly is it? Jon Stewart and his fellow patriots from the Emmy-winning *The Daily Show* finally deliver the answer. They offer their insights into a unique system of government, dissecting its institutions, explaining its history and processes, and exploring the reasons why concepts like 'One man, one vote', 'Government by the people', and 'Every vote counts' have become such popular urban myths. Includes such favourites as *Ancient Rome: The First Republicans*; *The Founding Fathers: Young, Gifted and White*; *The President: King of Democracy*; *The Supreme Court: 18 Legs, Four Tits, One Mission*; *Running for Office: What Are You Thinking?*; *The Media: Can It Be Stopped?*; *The Future of Democracy: The Constitutional Robocracy and You*

The Social Studies Curriculum E. Wayne Ross,2012-02-01 This updated third edition contains new chapters on important issues—including race, gender, sexuality, and multiculturalism—affecting social studies education.

The Engineer ,1908

The Accountant ,1913

The Seven Wonders of the Ancient World Peter A. Clayton,Martin Price,1988 First published in 1988. Can you name the Seven Wonders of the Ancient World? Did they even exist? The Pharos at Alexandria survived into the Middle Ages, but the Hanging Gardens of Babylon exist only in references by ancient authors and the Colossus of Rhodes if too improbable to have existed in the form and place traditionally ascribed to it. *The Seven Wonders of the Ancient World* sets the record straight, with an attractive account of each Wonder in the context in which it was built. The authors combine ancient sources with the results of modern scholarship and excavations to recreate a vivid picture of the Seven Wonders. All experts in their specialist fields, the contributors bring together facts and background that are remarkably difficult to find from any other single source and establish for the first time the archaeology and location of each Wonder.

The Stone Monkey Jeffery Deaver,2002-03-12 SOON TO BE A MAJOR TELEVISION EVENT FROM NBC, STARRING RUSSELL HORNSBY, ARIELLE KEBBEL, AND MICHAEL IMPERIOLI. The follow-up to Jeffery Deaver’s massive bestseller *The Bone Collector* (also a feature film starring Angelina Jolie and Denzel Washington) *The Stone Monkey* is a “simply outstanding” (San Jose Mercury News) addition to the Lincoln Rhyme series.

Recruited to help the FBI and the Immigration and Naturalization Service, Lincoln Rhyme and Amelia Sachs manage to track down a cargo ship headed for New York City carrying two dozen illegal Chinese immigrants, as well as the notorious human smuggler and killer known as “the Ghost.” But when the Ghost’s capture goes disastrously wrong, Lincoln and Amelia find themselves in a race to track him down before he can find and murder the two surviving families from the ship, who have vanished into the labyrinth of New York City’s Chinese community. As Rhyme struggles to locate the families, aided by a quirky policeman from mainland China, Sachs finds herself forming a connection with one of the immigrants that may affect her relationship with her partner and lover.

The Delineator ,1908

The: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. The : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
