**Decorating with Books** Marie Proeller Hueston, 2006 From the publishers of House Beautiful comes a book packed with ideas about decorating your home elegantly with all those books you've got lying around or sitting in boxes.

**With** Skye Jethani, 2011-08-22 With explores the narrative of the Bible to show that we were created to be with God, and that restoring this connection is his mission. Instead of life over, under, from, or even for God, what leads us into freedom and restoration is life with God. Why are American Christians, who have more access to biblical teaching than any other people in history, failing to experience the freedom of the Christian life? Why are pastors, those closest to the work and ministry, burning out at an alarming rate? Why do many church members, who give large amounts of their time and wealth to Christ and his kingdom, secretly question the legitimacy of their efforts? And why are spiritual seekers dismissing the validity of the Christian message? Is it possible we've misunderstood the call of the Christian life? A life lived in rich communion with God cultivates faith, hope, and love in a way that transforms both us and the broken world we inhabit. In With, you'll find: illustrations of concepts in the book to aid understanding; recommendations for how to practice communion with God, including three helpful practices; and a discussion guide for use when continuing the conversation with others in small groups. Endorsements: If we've grown weary of Christianity, if we find most any local church uninspiring, maybe the problem lies not in the Christian faith or these faithful bodies, but in our own disgruntled hearts. In With, Skye Jethani tenderly unmasks the clichéd posturing that too often masquerades as genuine communion with Christ. More importantly, he takes readers to the humble place they must occupy--in prayer, studying Scripture, with the Church--if faith, hope, and love are to truly mark our lives. -James H. Gilmore, author, The Experience Economy It doesn't matter, as old theologians were rumored to argue, how many angels can dance on a pinhead. But it does matter which preposition governs your faith--over, after, against, for, from, under, with. Who knew what huge worlds turn on such tiny words? Who knew what theological riches were laced into the bones of grammar? Skye has done a great service to the church. In prose elegant and clear, with insights keen and deep, he shows how everything changes with just one word: With. It's a book I want my whole church to read. -Mark Buchanan, author of Spiritual Rhythm Who knew that a preposition had so much influence? Skye's book will challenge the way that you think about God and faith, digging deep into our motivations and heart issues. You can't read this book and not see yourself and others differently! -Margaret Feinberg, author of Scouting the Divine and Hungry for God
