

# Alice

Jennifer Mathieu

**Alice Neel: Uptown** Hilton Als, Alice Neel, 2017-05-23 Known for her portraits of family, friends, writers, poets, artists, students, singers, salesmen, activists, and more, Alice Neel created forthright, intimate, and, at times, humorous paintings that quietly engaged with political and social issues. In *Alice Neel, Uptown*, writer and curator Hilton Als brings together a body of paintings and works on paper of African-Americans, Latinos, Asians, and other people of color for the first time. Highlighting the innate diversity of Neel's approach, the selection looks at those whose portraits are often left out of the art-historical canon and how this extraordinary painter captured them; "what fascinated her was the breadth of humanity that she encountered," Als writes. The publication, which opens with a foreword by Jeremy Lewison, advisor to The Estate of Alice Neel, explores Neel's interest in the diversity of uptown New York and the variety of people amongst whom she lived. This group of portraits includes well-known figures such as playwright, actress, and author Alice Childress; the sociologist Horace R. Cayton, Jr.; the community activist Mercedes Arroyo; and the widely published

academic Harold Cruse; alongside more anonymous individuals of a nurse, a ballet dancer, a taxi driver, a businessman, and a local kid who ran errands for Neel. In short and illuminating texts on specific works written in his characteristic narrative style, Als writes about the history of each sitter and offers insights into Neel and her work, while adding his own perspective. A contemporary and personal approach to the artist's oeuvre, Als's project is "an attempt to honor not only what Neel saw, but the generosity of her seeing." This catalogue is published on the occasion of the 2017 exhibitions of Neel's paintings and drawings at David Zwirner, New York, and Victoria Miro, London.

**About Alice** Calvin Trillin, 2006-12-26 In Calvin Trillin's antic tales of family life, she was portrayed as the wife who had "a weird predilection for limiting our family to three meals a day" and the mother who thought that if you didn't go to every performance of your child's school play, "the county would come and take the child." Now, five years after her death, her husband offers this loving portrait of Alice Trillin off the page—his loving portrait of Alice Trillin off the page—an educator who was equally at home teaching at a university or a drug treatment center, a gifted writer, a stunningly beautiful and

thoroughly engaged woman who, in the words of a friend, “managed to navigate the tricky waters between living a life you could be proud of and still delighting in the many things there are to take pleasure in.” Though it deals with devastating loss, *About Alice* is also a love story, chronicling a romance that began at a Manhattan party when Calvin Trillin desperately tried to impress a young woman who “seemed to glow.” “You have never again been as funny as you were that night,” Alice would say, twenty or thirty years later. “You mean I peaked in December of 1963?” “I’m afraid so.” But he never quit trying to impress her. In his writing, she was sometimes his subject and always his muse. The dedication of the first book he published after her death read, “I wrote this for Alice. Actually, I wrote everything for Alice.” In that spirit, Calvin Trillin has, with *About Alice*, created a gift to the wife he adored and to his readers.

The End Of Alice A.M. Homes, 2012-10-23 From the 2013 Orange Prize-winning author of *May We Be Forgiven*. Only a work of such searing, meticulously controlled brilliance could provoke such a wide range of visceral responses. Here is the incredible story of an imprisoned pedophile who is drawn

into an erotically charged correspondence with a nineteen-year-old suburban coed. As the two reveal—and revel in—their obsessive desires, Homes creates in *The End of Alice* a novel that is part romance, part horror story, at once unnerving and seductive.

**Alice in Blunderland** Phyllis Reynolds Naylor, 2003-09 Fourth-grader Alice tries unsuccessfully to avoid embarrassing mistakes and to establish better relations with her older brother Lester.

**Everything Alice** Hannah Read-Baldrey, Christine Leech, 2011 With Everything Alice there will never be a dull moment in your own personal wonderland.

*A is for Alice: An Alphabet Book* Lewis Carroll, 2017-02-09 A is for Alice: An Alphabet Book is a delightful introduction to the alphabet, using characters and objects from Lewis Carroll's iconic *Alice's Adventures in Wonderland* and *Through the Looking-Glass*. A is for Alice, E is for Egg (Humpty Dumpty of course), Q is for the Queen, not forgetting R for the Rabbit who started off the whole adventure. With charming, traditional colour illustrations by Sir John Tenniel and beautiful Victorian-style decorations and backgrounds, this is a really special book for young children and, together with

One White Rabbit: A Counting Book, forms a classy introduction to the classic Macmillan Alice.

All But Alice Phyllis Reynolds Naylor, 1992-04-30 Seventh grader Alice decides that the only way to stave off personal and social disasters is to be part of the crowd, especially the in crowd, no matter how boring and, potentially, difficult.

*Almost Alice* Phyllis Reynolds Naylor, 2012-06-12 Is it possible to be too good of a friend—too understanding, too always there, too much like a doormat? Alice has always been a best friend to Pamela and Liz. But she's starting to wonder where that leaves her: What am I? An ear for listening? An arm around the shoulder? And then there's Patrick—after ending their relationship two years ago, he's suddenly calling again, and wants to take her to his senior prom. What does that mean? As Alice tries to figure out who she is in relation to her friends, she learns one thing: Aometimes friends need you more than they let on...especially when the unthinkable happens

**Alice in Wonderland** Lewis Carroll, 2009-01-01 Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a

rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of literary nonsense has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

**The Truth About Alice** Jennifer Mathieu, 2014-06-03 Winner of the Children's Choice Book Awards' Teen Choice Debut Author Award Everyone knows Alice slept with two guys at one party. When Healy High star quarterback, Brandon Fitzsimmons, dies in a car crash, it was because he was sexting with Alice. Ask anybody. Rumor has it Alice Franklin is a slut. It's written all over the slut stall in the girls' bathroom: Alice had sex in exchange for math test answers and Alice got an abortion last semester. After Brandon dies, the rumors start to spiral out of control. In this remarkable debut novel, four Healy High students tell all they know about Alice--and in doing so reveal their own secrets and motivations, painting a raw look at the realities of teen life. But in this novel from Jennifer Mathieu, exactly what is the truth about Alice? In the end there's only one person to ask: Alice herself. This title has Common Core connections.

*Alice in Bed* Cathleen Schine, 2012-01-03 Stricken by a mysterious malady, college sophomore Alice Brody has suddenly lost the use of her legs. How does a bright, beautiful, and now immobile young woman proceed with her passions? As she convalesces in a Manhattan hospital, Alice finds herself attended by a motley group of visitors: indifferent nurses, doctors both good and bad, divorcing parents, and eccentric relatives. But Alice is a creature of many charms, whose wit can enchant those bearing even the worst bedside manner. With a captivating heroine of great comic depth, Cathleen Schine's *Alice in Bed* is balm for whatever ails you.

*Alice* Whoopi Goldberg, 1992 Alice learns the meaning of true riches when she and two friends go to claim a prize in the Wegonnagetcha Sweepstakes.

*Alice: and other poems*, by B.P. B. P., 1860

Rock Paper Scissors Alice Feeney, 2021-09-07 INSTANT NEW YORK TIMES BESTSELLER  
“Feeney lives up to her reputation as the “queen of the twist”...This page-turner will keep you guessing.” —Real Simple Think you know the person you married? Think again... Things have been

wrong with Mr and Mrs Wright for a long time. When Adam and Amelia win a weekend away to Scotland, it might be just what their marriage needs. Self-confessed workaholic and screenwriter Adam Wright has lived with face blindness his whole life. He can't recognize friends or family, or even his own wife. Every anniversary the couple exchange traditional gifts--paper, cotton, pottery, tin--and each year Adam's wife writes him a letter that she never lets him read. Until now. They both know this weekend will make or break their marriage, but they didn't randomly win this trip. One of them is lying, and someone doesn't want them to live happily ever after. Ten years of marriage. Ten years of secrets. And an anniversary they will never forget. Rock Paper Scissors is the latest exciting domestic thriller from the queen of the killer twist, New York Times bestselling author Alice Feeney.

**Alice Adams** Booth Tarkington,1921 Story of young woman's efforts to overcome the handicaps of little money and mediocre family.

**Go Ask Alice** Anonymous,1999-07-13 A teen plunges into a downward spiral of addiction in this classic cautionary tale. January 24th After you've had it, there isn't even life without drugs... It started

when she was served a soft drink laced with LSD in a dangerous party game. Within months, she was hooked, trapped in a downward spiral that took her from her comfortable home and loving family to the mean streets of an unforgiving city. It was a journey that would rob her of her innocence, her youth—and ultimately her life. Read her diary. Enter her world. You will never forget her. For thirty-five years, the acclaimed, bestselling first-person account of a teenage girl's harrowing descent into the nightmarish world of drugs has left an indelible mark on generations of teen readers. As powerful—and as timely—today as ever, *Go Ask Alice* remains the definitive book on the horrors of addiction.

**Intensely Alice** Phyllis Reynolds Naylor, 2012-06-12 Wouldn't it be great to go back to the time before Pam got pregnant, before Patrick left for the University of Chicago, before anyone was making any big decisions about sex or college or life in general? Wouldn't it be great to get the whole gang together again, just once? What it takes for this to happen will change Alice (and the whole gang) forever. A funeral is not a happy reunion. Full of life—the good, the bad, and the heartbreaking—this *Alice* book is a reminder of just how much can change in an instant.

**Alice Adams** Booth Tarkington, Sheba Blake, 2021-11-20 The winner of the 1922 Pulitzer Prize in literature and the subject of several well-received film adaptations, Alice Adams is regarded as one of Booth Tarkington's most accomplished novels. The tale follows the exploits of the plucky young protagonist, who disregards her family's low social standing and pursues love with the well-heeled young man of her dreams.

Looking Glass Christina Henry, 2020-04-21 In four new novellas, Christina Henry returns to the world of Alice and Red Queen, where magic runs as freely as secrets and blood. *Lovely Creature* In the New City lives a girl with a secret: Elizabeth can do magic. But someone knows her secret-- someone who has a secret of his own. That secret is a butterfly that lives in a jar, a butterfly that was supposed to be gone forever, a butterfly that used to be called the Jabberwock... *Girl in Amber* Alice and Hatcher are just looking for a place to rest. Alice has been dreaming of a cottage by a lake and a field of wildflowers, but while walking blind in a snowstorm she stumbles into a house that only seems empty and abandoned... *When I First Came to Town* Hatcher wasn't always Hatcher. Once, he was a

boy called Nicholas, and Nicholas fancied himself the best fighter in the Old City. No matter who fought him he always won. Then his boss tells him he's going to battle the fearsome Grinder, a man who never leaves his opponents alive... The Mercy Seat There is a place hidden in the mountains, where all the people hate and fear magic and Magicians. It is the Village of the Pure, and though Alice and Hatcher would do anything to avoid it, it lies directly in their path...

After Alice Gregory Maguire, 2015-10-27 After Alice by Gregory Maguire, the bestselling author of WICKED, is a wonderful retelling of what happened next after Alice disappeared down the rabbit hole. An entertaining spin on Lewis Carroll's classic tale of Alice in Wonderland, this novel will delight fans of Angela Carter. When Alice fell down the rabbit-hole, she found Wonderland as rife with inconsistent rules and abrasive egos as the world she left behind. But how did Victorian Oxford react to Alice's disappearance? Gregory Maguire turns his imagination to the question of underworlds, undergrounds, underpinnings -and understandings old and new, offering an inventive spin on Carroll's enduring tale. Ada, a friend mentioned briefly in Alice's Adventures in Wonderland, sets out to visit Alice but, arriving

a moment too late, tumbles down the rabbit-hole herself. Ada brings to Wonderland her own imperfect apprehension of cause and effect as she embarks on an odyssey to find Alice and bring her safely home from this surreal world below the world. The White Rabbit, the Cheshire Cat and the bloodthirsty Queen of Hearts interrupt their mad tea party to suggest a conundrum: if Eurydice can ever be returned to the arms of Orpheus, or if Lazarus can be raised from the tomb, perhaps Alice can be returned to life. Either way, everything that happens next is After Alice.

Immerse yourself in the artistry of words with Experience Art with is expressive creation, **Alice** . This ebook, presented in a PDF format ( \*), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge. Download now to let the beauty of literature and artistry envelop your mind in a unique and expressive way.
