📖 **Atomic Habits** James Clear,2018-10-16 The #1 New York Times bestseller. Over 10 million copies sold! Tiny changes, remarkable results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

📖 **BESTSELLERS** IVAN KING,BESTSELLERS,2017-01-01 yet to be written. Currently, he is working on a couple dozen writing projects and turning some of his novels into screenplays. Ivan's first published work, Valley of Steel, is a fiction novel loosely based on his life growing up in the favelas, or slums, of Brazil. Favorite quote: "In life, incredible things happen and unforgettable moments do exist; but nothing compares to having been loved by you, and though you rest in peace, I will miss and love you always."

📖 **Black Ops** Ric Prado,2022-03-01 The explosive national bestseller A memoir by the highest-ranking covert warrior to lift the veil of secrecy and offer a glimpse into the shadow wars that America has fought since the Vietnam era. Enrique Prado found himself in his first firefight at age seven. The son of a middle-class Cuban family caught in the midst of the Castro revolution, his family fled their war-torn home for the hope of a better life in America. Fifty years later, the Cuban refugee retired from the Central Intelligence Agency as the CIA equivalent of a two-star general. Black Ops is the story of Ric's legendary career that spanned two eras, the Cold War and the age of terrorism. Operating in the shadows, Ric and his fellow CIA officers fought a little-seen and virtually unknown war to keep USA safe from those who would do it harm. After duty stations in Central, South America, and the Philippines, Black Ops follows Ric into the highest echelons of the CIA's headquarters at Langley, Virginia. In late 1995, he became deputy chief of station and co-founding member of the Bin Laden task force. Three years later, after serving as head of Korean operations, Ric took on one of the most dangerous missions of his career: to re-establish a once-abandoned CIA station inside a hostile nation long since considered a front line of the fight against Islamic terrorism. He and his team carried out covert operations and developed assets that proved pivotal in the coming war on terror. A harrowing memoir of life in the shadowy world of assassins, terrorists, spies and revolutionaries, Black Ops is a testament to the courage, creativity and dedication of the Agency's special activities group and its elite shadow warriors.

📖 **THE BESTSELLER** Olivia Goldsmith,2014-10-14 From a New York Times bestselling author, comes this "highly entertaining tale [with] considerable humor and some cynical fun at the expense of the book business" (Publishers Weekly). At Davis & Dash, one of New York's most prestigious publishing houses, five new authors will be published—but only one of them will be a bestseller. They have worked long and hard to write their novels of romance and murder, drama and love, but the story behind the stories is even more exciting. And the vicious competition to get the right agent, the perfect editor, and the choice spot on the bestseller list must be seen to be believed. From the author of The First Wives Club, this "dishy" novel set in New York's book publishing industry (Glamour) is a fun behind-the-scenes romp with "lots of romance and revenge" (The Washington Post Book World). "Extremely satisfying." —The New York Times Book Review

📖 **THE LOVE OF MY LIFE** Rosie Walsh,2023-07-06 ** From Rosie Walsh, the author of the million copy bestselling sensation The Man Who Didn't Call, comes another OMG love story, The Love of My Life ** 'Dazzling' Lisa Jewell 'I couldn't put it down' Jane Fallon 'An absolute triumph' Jill Mansell 'It made me cry, smile and hug my own loved ones a little tighter' Beth O'Leary I have held you every night for ten years and I didn't even know your name. We have a child together. A dog, a house. Who are you? Emma loves her husband Leo and their young daughter Ruby: she'd do anything for them. But almost everything she's told them about herself is a lie. And she might just have got away with it, if it weren't for her husband's job. Leo is an obituary writer and Emma is a well-known marine biologist, so, when she suffers a serious illness, Leo copes by doing what he knows best - reading and writing about her life. But as he starts to unravel her past, he discovers the woman he loves doesn't really exist. Even her name is fictitious. When the very darkest moments of Emma's past life finally emerge, she must somehow prove to Leo that she really is the woman he always thought she was . . . But first, she must tell him about the love of her other life. 'Stunning' Daily Mail 'A winning combination of big emotions and didn't-see-that-coming twist' Good Housekeeping
