A plan that will bring amazing benefits to your career, new job possibilities, as well as publishing, speaking, and consulting opportunities. And if you are blogging for business, you'll attract new customers, partners, and outstanding employees. Understand what blogging is and how it can improve your professional (and personal) life. Devise a plan for your new or existing blog. Create remarkable content that ranks well in Google and is shared by readers. Beat procrastination by employing proven time-management techniques that make you an efficient and effective blogger. Promote your blog by mastering on-page and off-page SEO, as well as social media promotion, without compromising your ethics. Analyze your traffic to understand your audience and measure growth. Build a community around your blog and make the best of your newfound popularity, by maximizing its benefits for your career, business, or simply for extra income. Create and maintain a successful technical blog that will amplify your impact, influence, and reach by following Antonio's step-by-step plan.

*Building a WordPress Blog People Want to Read* Scott McNulty, 2010-12-03 Having your own blog isn't just for the nerdy anymore. Today, it seems everyone—from multinational corporations to a neighbor up the street—has a blog. They all have one, in part, because the folks at WordPress make it easy to have one. But to actually build a good blog—to create a blog people want to read—takes thought, planning, and some effort. From picking a theme and using tags to choosing widgets and building a community, creating your blog really starts after you've set it up. In *Building a WordPress Blog People Want to Read* by blogger extraordinaire Scott McNulty, you'll learn how to: Install and get your WordPress site running. Set up your site to ensure it can easily grow with you and your readers. Be the master of user accounts. Manage your site with the WordPress Dashboard and extend its capabilities with plug-ins. Make the most of images. Work with pages, templates, and links and—of course—publish your posts. Use custom post types and taxonomies to bend WordPress to your will. Deal with comments—if you even want readers commenting at all. Find a theme and make it your own.

*A Kid of Their Own* Megan Dowd Lambert, 2020-02-11 In this fresh and funny follow-up to the Ezra Jack Keats Honor Book *A Crow of His Own*, rooster Clyde is forced to adjust to new roommates on the farm when Fran the goat and her kid, Rowdy, take up residence. Can Clyde handle having a new kid in town? Rooster Clyde has just settled in and found his voice when everyone demands that he take his hard-earned crow down a notch so as to not disturb newcomer Rowdy. That doesn't sit well with Clyde. Neither does the fact that motherly goose Roberta seems to have taken the new animals' side. The farm community learning to deal with a young member of the group is the main story in text and is paired with a wordless story in illustrations that shows Farmer Jay and Farmer Kevin getting ready for their adopted child to arrive on the farm.
