Now, it's no longer a quick stop at the courthouse during a lunch break, but a full-blown wedding and there's nothing Josie can do to stop it. There was no way he could hold his peace... Daniel Alexander hasn't been home in years. After fifteen years as a Navy SEAL, he's more than ready to return to civilian life. No matter how he breaks it down, something's just not adding up about this wedding and he's determined to figure out why. And he's not just trying to stop it from happening because he's finding himself wildly attracted to the bride-to-be. Or because they can't stop kissing each other. Josie had given up on finding her own happily ever

The Chase Bradley Caffee, 2021-06-03 Win the Chase. Be the hero. Or die trying. The chaos and anarchy following the Great Collapse nearly brought the world to its knees until the unchanging Law brought order and peace. Generations later, the twelve alliances of the World Coalition come together once a year to allow their best and brightest young people to compete in the Chase. The prize? A chance to pass exactly one new law. The son of two former Chase runners, Willis Thomson is the top trainee in the Western Alliance. With the expectations of the world and his heritage driving him, he leads his elite Red Team as they prepare for his moment to become a coveted Law-changer. Perryn Davis, the new leader of the Blue Team, struggles to survive as she competes as one of the designated losers. She knows that losing means genetic recoding, a process that cannot go on indefinitely, and longs to age out of the program before it kills her. When a mysterious new racer with knowledge of the outside shows up at their orbiting training center, the natural order of the Western Alliance trainees is upended. In a world where too much knowledge is dangerous, Willis and Perryn find themselves in a race to save their lives and uncover the hidden underbelly of the peaceful World Coalition.

We are all born with a gift—a unique skill or talent that brings us joy and serves the greater good. In *Chase the Bears*, Ric Keller shows you that it is never too late. No matter your age or stage in life, you can still be what you wish to be. This inspiring book weaves together practical, actionable steps with fascinating stories about how other successful people have applied secret techniques to convert their thoughts and dreams into reality. first of a proposed six-volume edition of the selected papers of Salmon Portland Chase (1808-1873), a notable figure in the anti-slavery movement and American politics of the 19th century. This volume includes his Civil War-era diaries and his account of a tour of the South in 1865.

And Then One Day Samantha Chase, 2020-01-28 Courtney Baker is ready to put small town life—and the man she can't have—behind her. Years of secretly crushing on her best friend's older brother have led nowhere and she's finally ready to move on. It would have been a great plan had she not drunkenly blurted out all her feelings and kissed him. At least she'll be able to forget all about it when she leaves town in less than 48 hours. It takes a lot to surprise Dean Jones, but a kiss from the girl he's been secretly attracted to for years does just that. All it takes it one kiss for him to realize he doesn't want to let her go. But she's his sister's best friend and that's a line he knows he should never cross. Never mind that she seems determined to leave their small town—and him—behind. When a storm and a broken car stop Courtney from leaving town, Dean sees perfect opportunity to get her out of his system. But can one night ever be enough?

Ten Things I Hate About the Duke Loretta Chase, 2020-12-01 USA Today bestselling author Loretta Chase continues her Difficult Dukes series with this delightful spin on Shakespeare's classic, *The Taming of the Shrew*. This time, who's taming whom... Cassandra Pomfret holds strong opinions she isn't shy about voicing. But her extremely plain speaking has caused an uproar, and her exasperated father, hoping a husband will rein her in, has ruled that her beloved sister can't marry until Cassandra does. Now, thanks to a certain wild-living nobleman, the last shreds of Cassandra's reputation are about to disintegrate, taking her sister's future and her family's good name along with them. The Duke of Ashmont's looks make women swoon. His character flaws are beyond counting. He's lost a perfectly good bride through his own carelessness. He nearly killed one of his

two best friends. Still, troublemaker that he is, he knows that damaging a lady's good name isn't sporting. The only way to right the wrong is to marry her...and hope she doesn't smother him in his sleep on their wedding night.

Men, women - it doesn't matter; the victims serve only to satisfy a perverted need to kill. The killer watches the moment of death on multiple computer screens, over and over again. When the killer goes after Lopez's law-enforcement mentor, Lopez and Stone decide to give the cops a little extra, unsolicited help. What

Now, Stone and Lopez become the killer's next target as Stone must make a difficult decision to leave the ones she loves in an all-or-nothing effort for survival. Can they stay alive long enough to blow the whistle on this unlikely perpetrator?
