

Christian

Kevin O'Donnell

Christian America? Christian Smith,2000 This extensive study of American evangelicals explores the beliefs, values, commitments and goals of the ordinary men and women who make up this often misunderstood religious group.

What Is Christianity? Gail Ramshaw,2013-07-01 With over twenty years in the classroom, Gail Ramshaw frames this new introduction to Christianity survey text around the basic questions students ask. Taking a broad social-scientific approach and integrating historical context, she anchors each chapter in phenomenological theory and teases out the answers to each chapters question by surveying the history, doctrine, practices, and convictions of Christianity. Written for students with little to no background in Christianity, the book contains student-friendly learning helps including chapter summaries, photos and charts, I am a Christian statements that illustrate the diversity of practice and belief, study questions, suggestions for further exploration in both books and film, a glossary, and an index.

Lit! Tony Reinke,2011-09-09 I love to read. I hate to read. I don't have time to read. I only read Christian books. I'm not good at reading. There's too much to read. Chances are, you've thought or said one of these exact phrases before because reading is important and in many ways unavoidable. Learn how to better read, what to read, when to read, and why you should read with this helpful guide from accomplished reader Tony Reinke. Offered here is a theology for reading and practical suggestions for reading widely, reading well, and for making it all worthwhile.

The Unsaved Christian Dean Inerra,2019-03-05 What to do when they say they're Christian but don't know Jesus Whether it's the Christmas and Easter Christians or the faithful church attenders whose hearts are cold toward the Lord, we've all encountered cultural Christians. They'd check the Christian box on a survey, they're fine with church, but the truth is, they're far from God. So how do we bring Jesus to this overlooked mission field? The Unsaved Christian equips you to confront cultural Christianity with honesty, compassion, and grace, whether you're doing it from the pulpit or the pews. This practical guide will: show you how to recognize cultural Christianity teach you how to overcome the barriers that get in the way give you easy-to-understand advice about VBS, holiday services, reaching "good people," and more! If you've ever felt stuck or unsure how to minister to someone who identifies as Christian but still needs Jesus, this book is for you.

What's the Least I Can Believe and Still be a Christian? Martin Thielen,2013-01-01 Pastor and author Martin Thielen has compiled a list of ten things people need to believe, and ten things they don't, in order to be a Christian. This lively and engaging book will be a help to seekers as well as a comfort to believers who may find themselves questioning some of the assumptions they grew up with. With an accessible, storytelling style that's grounded in solid biblical scholarship, Thielen shows how Christians don't need to believe that sinners will be left behind to burn in hell or that it's heresy to believe in evolution. And while we must always take the Bible seriously, we don't always have to take it literally. At the same time, Christians do need to believe in Jesus--his life, his teachings, his death and resurrection, and his vision for the world. A great benefit of those beliefs is that they provide promising answers to life's most profound questions, including: Where is God? What matters most? What brings fulfillment? What about suffering? Is there hope? Thielen articulates centrist, mainline Christianity in a way that's fresh and easy to understand, and offers authentic Christian insights that speak to our deepest needs. This new edition includes a leader's guide, previously only available online, and a new introduction from the author that reflects on the book's reception. The leader's guide features unique and easily implemented aids for carrying out a seven-week, congregation-wide initiative that will help local churches reach out to their communities. More information is available at thielen.wjkbooks.com.

Christian Socialism Philip Turner,2022-05-26 Christian Socialism arose in England in the mid-nineteenth century as a response to the philosophy of 'political economy' - now commonly called neoliberalism. Seeking not institutional change or nationalisation, but a reform of the moral underpinnings of society, it refuted the assumption that people are essentially selfish, competitive individuals seeking nothing but personal happiness. Although they did not deny the presence of selfishness, its proponents believed that the social nature of humankind lies deeper than such egotism and conflict, and pursued a society built on this belief. Less prominent now than at the time of its inception, Christian Socialism nevertheless continues into the twenty-first century, its goal nothing less than a new society built upon the virtues of equality, fellowship, cooperation, service and justice. Philip Turner's careful exposition traces the history of this strand of Anglican political thought and restores confidence in its message for the future.

The Reason for God Timothy Keller,2008-02-14 A New York Times bestseller people can believe in—by a pioneer of the new urban Christians (Christianity Today) and the C.S. Lewis for the 21st century (Newsweek). Timothy Keller, the founding pastor of Redeemer Presbyterian Church in New York City, addresses the frequent doubts that skeptics, and even ardent believers, have about religion. Using literature, philosophy, real-life conversations, and potent reasoning, Keller explains how the belief in a Christian God is, in fact, a sound and rational one. To true believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism. And to skeptics, atheists, and agnostics, he provides a challenging argument for pursuing the reason for God.

Rooted and Grounded Steven Croft ,2019-08-30 Beginning in New Testament times, there is a time-honoured tradition of forming new Christians in the essentials of faith: catechesis. This volume aims to uncover the riches of this tradition for all who teach and preach the faith today, and well as animate it: St Augustine wrote that joy should be the prime characteristic of those who teach the faith. Six outstanding theologians and historians open up the tradition of catechesis for today's church: • Alister McGrath explores the role of the creeds in catechesis; • Susan Gillingham, Professor of the Hebrew Bible, looks at the Psalms in Christian formation; • Jennifer Strawbridge, Associate Professor of New Testament, reflects on catechesis in the early church; • Carole Harrison, Lady Margaret Professor of Divinity, offers lessons from the patristic period; • Sarah Foot, Regius Professor of Ecclesiastical History, draws lessons from the Anglo Saxon missions to Europe; • Simon Jones, Chaplain of Merton College and member of the Liturgical Commission, links formation and liturgy; • Steven Croft shows how this great tradition can be revitalised today.

Cold-Case Christianity J. Warner Wallace,2013-01-01 Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Almost Christian Kenda Creasy Dean,2010-07-16 Based on the National Study of Youth and Religion--the same invaluable data as its predecessor, *Soul Searching: The Religious and Spiritual Lives of American Teenagers*--Kenda Creasy Dean's compelling new book, *Almost Christian*, investigates why American teenagers are at once so positive about Christianity and at the same time so apathetic about genuine religious practice. In *Soul Searching*, Christian Smith and Melinda Lundquist Denton found that American teenagers have embraced a Moralistic Therapeutic Deism--a hodgepodge of banal, self-serving, feel-good beliefs that bears little resemblance to traditional Christianity. But far from faulting teens, Dean places the blame for this theological watering down squarely on the churches themselves. Instead of proclaiming a God who calls believers to lives of love, service and sacrifice, churches offer instead a bargain religion, easy to use, easy to forget, offering little and demanding less. But what is to be done? In order to produce ardent young Christians, Dean argues, churches must rediscover their sense of mission and model an understanding of being Christian as not something you do for yourself, but something that calls you to share God's love, in word and deed, with others. Dean found that the most committed young Christians shared four important traits: they could tell a personal and powerful story about God; they belonged to a significant faith community; they exhibited a sense of vocation; and they possessed a profound sense of hope. Based on these findings, Dean proposes an approach to Christian education that places the idea of mission at its core and offers a wealth of concrete suggestions for inspiring teens to live more authentically engaged Christian lives. Persuasively and accessibly written, *Almost Christian* is a wake up call no one concerned about the future of Christianity in America can afford to ignore.

Modern Doubt and Christian Belief Theodor Christlieb,1874

The Complete Book of Christian Parenting and Child Care Martha Sears,William Sears,1997-09-15 This total child care book offers Christian- centered, medically authoritative advice on every aspect of parenting, from choosing an obstetrician to disciplining teenagers. As parents of eight children, William and Martha Sears draw on thirty years of practical and professional experience, resulting in a valuable reference book no family should be without.

A Pocket Guide to Christian History Kevin O'Donnell,2009 Bringing a wide range of chronological, geographical, and doctrinal history vividly to life, this concise guide highlights the key occurrences and individuals in the development and expansion of the world's most widespread religion. A bevy of diverse topics are addressed, including the Apostles and Constantine; the Celtic Church and the division between East and West; and the impact of the Reformation and the Enlightenment. This is an indispensable resource for understanding the global phenomenon of the Christian faith.

The World's Christians Douglas Jacobsen,2011-03-21 Written by an award-winning author, this well-organized and comprehensive introduction to global Christianity illuminates the many ways the world's Christians live their faith today. Covers the entire globe: Africa, Asia, and Latin America as well as Europe, North America, and the Pacific Provides impartial, in-depth descriptions of the world's four major Christian traditions: Orthodox, Catholic, Protestant, and Pentecostal/Charismatic Utilizes the best available sources to produce an up-to-date profile of demographic trends in the Christian population Blends history, sociology, anthropology, and theology to create a rich, multi-layered analysis of the world Christian movement Features clear maps and 4-color illustrations throughout the volume

The Christian Religion: an Account of Every Sect, Etc CHRISTIAN RELIGION.,1840

Early Christian Letters for Everyone Wright Tom,2011-11-15 Writing in an accessible and anecdotal style, Tom Wright opens up to us the wisdom of the letters of James, Peter, John and Judah (Jude). A vital resource for every church and every Christian, these letters are full of clear practical advice for Christians. Written for those new to the faith, they warn of the dangers and difficulties a young Christian community would face both within and without, while revelling in the delight of budding faith, hope and life. Today, these letters are just as relevant as they were two thousand years ago. They continue to help Christians to live with genuine faith in a complex modern age.

Catholic and Christian Alan Schreck,2023-03

Art, Craft, and Theology in Fourth-Century Christian Authors Morwenna Ludlow,2020-10 Art, Craft, and Theology in Fourth-Century Christian Authors analyses Christian Greek literature in the fourth century in order to emphasise the style, ingenuity, and craftsmanship demonstrated by the authors of such texts. It considers the way these 'wordsmiths' used classical literature techniques to strengthen their theological writings.

Testimony Thomas G. Long,2004-08-10 In this groundbreaking book, Thomas G. Long—a theologian and respected authority on preaching—explores how Christians talk when they are not in church. Testimony breaks the stained-glass image of religious language to show how ordinary talking in our everyday lives— talk across the backyard fence, talk with our kids, talk about politics and the events of the day—can be sacred speech. In a world of spin, slick marketing, mindless chatter, and easy deceptions, Testimony shows that the hunger for truthful, meaningful, and compassionate speech is ultimately grounded in truth about God.

Christians and Evolution R J Berry,2014-11-19 The debate surrounding creation and evolution divides Christians, particularly evangelicals. It has been a stumbling block for young Christians and a point of contention for the new Atheists. Professor R. J Berry assembles a wide range of distinguished contributors, all convinced, committed and orthodox Christian believers, each of whom has undertaken a conceptual journey, based on sound science and careful theology, from a creationist position to one in which God's creation and the processes of evolution are properly and credibly integrated. Christians and Evolution is a luminous volume that offers a pathway for doubters, sceptics and conservative Christians to embrace the overall scientific consensus of the evolutionary approach, while holding solidly and without reservation to the doctrines of God's creation and God's omnipotence. This text is a must-read for anyone interested in the creation v evolution debate.

Right here, we have countless ebook **Christian** and collections to check out. We additionally manage to pay for variant types and also type of the books to browse. The satisfactory book, fiction, history, novel, scientific research, as well as various further sorts of books are readily affable here.

Christian Introduction

In the digital age, access to information has become easier than ever before. The ability to download Christian has revolutionized the way we

consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Christian has opened up a world of possibilities. Downloading Christian provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Christian has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Christian. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Christian. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Christian, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Christian has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Christian Books

1. Where can I buy Christian books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Christian book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Christian books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and

- Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Christian audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
 8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
 9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
 10. Can I read Christian books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
