**The Creature Department** Robert Paul Weston, 2013-11-05 Stunning. . . a bit like if you took Charlie and the Chocolate Factory and Monsters Inc. and shoved them in a TARDIS.—Buzzfeed It's a tentacled, inventive, gooey, world in there. . . Elliot Von Doppler and his friend Leslie think nothing ever happens in Bickleburgh, except inside the gleaming headquarters of DENKi-3000—the world's eighth-largest electronics factory. Beneath the glass towers and glittering skywalks, there's a rambling old mansion from which all the company's amazing inventions spring forth. And no one except Uncle Archie knows what's behind the second-to-last door at the end of the hall. Until Elliot and Leslie are invited to take a glimpse inside. They find stooped, troll-like creatures with jutting jaws and broken teeth. Tiny winged things that sparkle as they fly. And huge, hulking, hairy nonhumans (with horns). It is unlike anything they've ever seen. But when Chuck Brickweather threatens to shut down the DENKi-3000 factory if a new product isn't presented soon, the creatures know they are in danger. And when Uncle Archie vanishes, it's up to Elliot, Leslie, and every one of the unusual, er, "employees" to create an invention so astonishing it will save the Creature Department.

*The Engaged Department Toolkit* Richard M. Battistoni, Sherril B. Gelmon, John Saltmarsh, Jon Wegin, Edward Zlotkowski, 2003 This handbook is designed to help departments develop strategies for including community-based work in their teaching and scholarship, making community-based experiences a standard expectation for majors, and encouraging civic engagement and progressive change at the departmental level. It acts as both a resource and a curriculum, assisting others in replicating the Engaged Department Institutes offered nationwide by Campus Compact. The toolkit comes with a CD-ROM with key information from the text as well as PowerPoint slides and sample documents that can be adapted to meet the needs of individual departments.

**The Department of Rare Books and Special Collections** Eva Jurczyk, 2022-01-25 International Bestseller With its countless revelations about the dusty realms of rare books, a likable librarian sleuth who has just the right balance of compassion and wit, and a library setting that is teeming with secrets, *The Department of Rare Books and Special Collections* is a rare treat for readers. I loved this book!—Matthew Sullivan, author of *Midnight at the Bright Ideas Bookstore* Anxious People meets the delights of bookish fiction in a stunning debut following a librarian whose quiet life is turned upside down when a priceless manuscript goes missing. Soon she has to ask: what holds more secrets in the library—the ancient books shelved in the stacks, or the people who preserve them? Liesl Weiss long ago learned to be content working behind the scenes in the distinguished rare books department of a large university, managing details and working behind the scenes to make the head of the department look good. But when her boss has a stroke and she's left to run things, she discovers that the library's most prized manuscript is missing. Liesl tries to sound the alarm and inform the police about the missing priceless book, but is told repeatedly to keep quiet, to keep the doors open and the donors happy. But then a librarian unexpectedly stops showing up to work. Liesl must investigate both disappearances, unspooling her colleagues' pasts like the threads of a rare book binding

as it becomes clear that someone in the department must be responsible for the theft. What Liesl discovers about the dusty manuscripts she has worked among for so long—and about the people who care for and revere them—shakes the very foundation on which she has built her life. The Department of Rare Books and Special Collections is a sparkling book-club read about a woman struggling to step out from behind the shadows of powerful and unreliable men, and reveals the dark edge of obsession running through the most devoted bookworms.
