Fridays from the Garden Richard Christiansen, 2021-12 *Fridays From the Garden* is a collection of recipes and stories from a year in a verdant Los Angeles garden. But it's more than that, too. Tracing the trajectory of Flamingo Estate, this cookbook is the story of a house that became a brand, and a brand that became a rallying cry for regenerative farming and Pleasure from the Garden. Spurred from a simple desire to support struggling farmers during the pandemic, founder Richard Christiansen turned his bookstore into a CSA box operation, which quickly grew into a weekly Friday ritual for the greater Los Angeles community - a chance to connect with the marvels of the natural world in the midst of a global pandemic. Each Friday, this box would feature beautiful, delicious produce, recipes inspired by the week's harvest, and a personal note from Richard, urging subscribers to cook a meal for someone they love. This cookbook is a collection of over 150 of those stories and recipes - a monument to the pleasures of the Flamingo Estate garden, the people that keep it buzzing, and the ways in which Mother Nature takes care of us when we take care of her. With stories by Richard Christiansen, a foreword by Martha Stewart and recipes from Chefs Ella Murphy, Jo Kim & more. Featuring the photography of Drew Escriva, Pia Riverola, Christian Högstedt, François Halard, Larkin Donley, Andrea D'Agosto, Adrian Gaut and John Von Palmer.

Estates Lynsey Hanley,2012-11-01 Lynsey Hanley was born and raised just outside of Birmingham on what was then the largest council estate in Europe, and she has lived for years on an estate in London's East End. Writing with passion, humour and a sense of history, she recounts the rise of social housing a century ago, its adoption as a fundamental right by leaders of the social welfare state in the mid-century and its decline - as both idea and reality - in the 1960s and '70s. Throughout, Hanley focuses on how shifting trends in urban planning and changing government policies - from Homes Fit for Heroes to Le Corbusier's concrete tower blocks, to the Right to Buy - affected those so often left out of the argument over council estates: the millions of people who live on them. What emerges is a vivid mix of memoir and social history, an engaging and illuminating book about a corner of society that the rest of Britain has left in the dark.
