My Very Favorite Book in the Whole Wide World

Malcolm Mitchell, 2020-12-29 From Super Bowl champion and literacy crusader Malcolm Mitchell comes an exciting new story that shows even reluctant readers that there is a book out there for everyone! Meet Henley, an all-around good kid, who hates to read. When he's supposed to be reading, he would rather do anything else. But one day, he gets the scariest homework assignment in the world: find your favorite book to share with the class tomorrow. What's a kid to do? How can Henley find a story that speaks to everything inside of him? Malcolm Mitchell, best-selling author of *The Magician's Hat*, pulls from his own literary triumph to deliver another hilarious and empowering picture book for readers of all abilities. Through his advocacy and his books, Malcolm imparts the important message that every story has the potential to become a favorite.

Love Is My Favorite Thing Emma Chichester

Clark, 2020-12-29 Starring an enthusiastic pooch whose joy, optimism and love know no bounds, this lively picture book is based on Emma Chichester Clark's own dog, and joyfully celebrates unconditional love. Plum has lots of favorite things—catching sticks, her bear, her bed—but really, LOVE is her absolute favorite thing. She loves her family and all the things they do together. Sometimes, however, Plum's exuberance causes trouble, and she just can't help being naughty. But fortunately, love is such a great thing that even when she makes mistakes, Plum's family still adores her.

Love Your Life Not Theirs Rachel

Cruze, 2016-09-14 In *Love Your Life, Not Theirs*, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never

get you anywhere. It's time to live--and love--your life, not theirs. I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses! Candace Cameron-Bure Actress, author, and co-host of *The View* *Love Your Life, Not Theirs* is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits. Susan Spencer Editor-in-Chief for *Woman's Day* Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in. Kimberly Williams-Paisley New York Times best-selling author of *Where the Light Gets In* In today's world of social media, the temptation to play the comparison game is stronger than ever. *Love Your Life, Not Theirs* is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read. Jean Chatzky Financial Editor, NBC TODAY and Host of *HerMoney* with Jean Chatzky Podcast

My Grandmother's All-Time Favorite Cookie Recipes Dennis Wildberger, 2019-04-30 My grandmother made the best cookies, period. It didn't matter what time the year it was, it didn't matter what day the week it was. When we visited my grandmother, she ALWAYS had one or two kinds of homemade cookies waiting for us. Christmas at my grandmother's was special. She would have DOZENS of cookie varieties for our family and every guest that came to visit. We swear that she started baking those batches in September just to be ready for the holidays. From her small kitchen she would produce thousands of the most amazing cookies for all to enjoy! I once asked my grandmother what her favorite cookie was, and she told me that they were all her favorites. She elaborated that it wasn't because they were delicious, it was because her family and friends thought they were delicious. When my grandmother passed, we found a few pieces of paper tucked into the pages of a notebook with her cookie recipes written in her beautiful handwriting. Missing were some recipes, like her vanilla sugar wafers (we believe that she made those from memory), but the recipes for almost all of the cookies she ever made were there. Some instructions were in bits and pieces, but we were able to recreate them fairly accurately. For the first time, I present to you my Grandmother's all-time favorite cookie recipes. I hope that you make each of these, find your favorite, and share them with your family and

friends.

Granny'S Favorite Canning and Preserving

Cookbook Dee Schoenmakers, 2016-11-23 The Grannys Favorite Canning and Preserving Cookbook shows you how to make jellies, butters, conserves, jams, marmalades, sauces, syrups, dried fruits and leathers, preserves, condiments, juices, vinegars, and herb recipes. I have been asked to put this book together as a helping tool for all the people I helped to preserve fruits, vegetables, and herbs. Low sugar preserving is not new. I have been doing it for almost forty years. I preserve with low sugar and without preservatives so my husband, who is diabetic, may enjoy and digest the treats to his satisfaction. Its a wonderful gift for you to share with your family. Homemade preserves offer pleasing, inexpensive, and wholesome means of satisfying the universal hunger for something sweet at meal time. Home-canned fruits, in good supply, is a safeguard to family health by supplying vitamins and minerals necessary to our physical well-being and provides a tasty way that helps with our food budget.

Enlightenment Now Steven Pinker, 2018-02-13
INSTANT NEW YORK TIMES BESTSELLER A NEW YORK TIMES
NOTABLE BOOK OF 2018 ONE OF THE ECONOMIST'S BOOKS
OF THE YEAR My new favorite book of all time. --
Bill Gates If you think the world is coming to an
end, think again: people are living longer,
healthier, freer, and happier lives, and while our
problems are formidable, the solutions lie in the
Enlightenment ideal of using reason and science.
By the author of the new book, *Rationality*. Is the
world really falling apart? Is the ideal of
progress obsolete? In this elegant assessment of
the human condition in the third millennium,
cognitive scientist and public intellectual Steven
Pinker urges us to step back from the gory
headlines and prophecies of doom, which play to
our psychological biases. Instead, follow the
data: In seventy-five jaw-dropping graphs, Pinker
shows that life, health, prosperity, safety,
peace, knowledge, and happiness are on the rise,
not just in the West, but worldwide. This progress
is not the result of some cosmic force. It is a
gift of the Enlightenment: the conviction that
reason and science can enhance human flourishing.
Far from being a naïve hope, the Enlightenment, we
now know, has worked. But more than ever, it needs
a vigorous defense. The Enlightenment project
swims against currents of human nature--tribalism,
authoritarianism, demonization, magical thinking--
which demagogues are all too willing to exploit.
Many commentators, committed to political,
religious, or romantic ideologies, fight a
rearguard action against it. The result is a

corrosive fatalism and a willingness to wreck the precious institutions of liberal democracy and global cooperation. With intellectual depth and literary flair, Enlightenment Now makes the case for reason, science, and humanism: the ideals we need to confront our problems and continue our progress.

Scott, New York Times Book Review, cover review Following on the heels of his New York Times bestselling novel Telegraph Avenue, Pulitzer Prize-winning author Michael Chabon delivers another literary masterpiece: a novel of truth and lies, family legends, and existential adventure—and the forces that work to destroy us. In 1989, fresh from the publication of his first novel, The Mysteries of Pittsburgh, Michael Chabon

traveled to his mother's home in Oakland, California, to visit his terminally ill grandfather. Tongue loosened by powerful painkillers, memory stirred by the imminence of death, Chabon's grandfather shared recollections and told stories the younger man had never heard before, uncovering bits and pieces of a history long buried and forgotten. That dreamlike week of revelations forms the basis for the novel *Moonglow*, the latest feat of legerdemain from Pulitzer Prize-winning author Michael Chabon. *Moonglow* unfolds as the deathbed confession of a man the narrator refers to only as "my grandfather." It is a tale of madness, of war and adventure, of sex and marriage and desire, of existential doubt and model rocketry, of the shining aspirations and demonic underpinnings of American technological accomplishment at midcentury, and, above all, of the destructive impact—and the creative power—of keeping secrets and telling lies. It is a portrait of the difficult but passionate love between the narrator's grandfather and his grandmother, an enigmatic woman broken by her experience growing up in war-torn France. It is also a tour de force of speculative autobiography in which Chabon devises and reveals a secret history of his own imagination. From the Jewish slums of prewar South Philadelphia to the invasion of Germany, from a Florida retirement village to the penal utopia of New York's Wallkill prison, from the heyday of the space program to the twilight of the "American Century," the novel revisits an entire era through a single life and collapses a lifetime into a

single week. A lie that tells the truth, a work of fictional nonfiction, an autobiography wrapped in a novel disguised as a memoir, Moonglow is Chabon at his most moving and inventive.
