North Dallas Forty Peter Gent,2011-06-28 National Bestseller: The “powerful novel” about the hidden side of pro football, written by a former NFL player (Newsweek). On the field, the men who play football are gladiators, titans, and every other kind of cliché. But when they leave the locker room they are only men. Peter Gent’s classic novel looks at the seedy underbelly of the pro game, chronicling eight days in the life of Phil Elliott, an aging receiver for the Texas team. Running on a mixture of painkillers and cortisone as he tries to keep his fading legs strong, Elliott tries to get every ounce of pleasure out of his last days of glory, living the life of sex, drugs, and football. Adapted for the screen in 1979, this novel, written by ex-Dallas Cowboy Peter Gent, is widely considered the best football novel of all time.

Flirting with Forty Jane Porter,2008-05-07 He got the second home and the Porsche. She got the kids and a broken heart. Now Jackie, post-divorce and heading toward the big four-oh, is on vacation in sunny and staring down her upcoming birthday-alone. But not for long. She's soon falling for Kai, her gorgeous, much younger surf instructor, and the wild passionate fling they have becomes the biggest surprise of Jackie's life. Back home in Seattle, Jackie has to struggle with single parenthood...and memories of Kai. He hasn't forgotten her. Yet thousands of miles of ocean-not to mention an age difference that feels even wider-separate them. And, of course, her friends disapprove. When a choice must be made, can she, will she risk everything for her chance at happiness?

The Diary of a Forty-niner Chauncey L. Canfield,1906 Chauncey de Leon Canfield (1843-1909) first published The diary of a forty-niner in 1906, and 1,200 of the 2,000 copies in that edition were burned. Joseph Gaer's Bibliography of California literature describes this book as written in the form of a diary, but fictional. The diary of a forty-niner (1920) reprints Canfield's 1906 publication. It purports to be the diary of Alfred T. Jackson, of Litchfield County, Connecticut, during his days as a gold prospector, 1850-1852. Jackson offers first-hand accounts of Nevada City and neighboring Rock Creek; descriptions of Grass Valley, North and South Yuba Valleys, and the Sierra Mountains; details of gold mining with accounts of pioneer overland crossings, and foreign mineworkers (including Chinese). Entries concerning Jackson's personal life include details of his courtship of a French woman in the camps.

Muhammad: Forty Introductions Michael Muhammad Knight,2019-01-08 More than a survey of the prophet’s life and times, this book is an introduction to the stunning diversity of Islam and the ways in which Muslims think, dream, and make Muhammad into their very own prophet. —Publishers Weekly (starred review) He ranks among the most venerated historical figures in the world, as well as among the most contested. Muhammad: Forty Introductions offers a distinct and nuanced take on the life and teachings of the prophet Muhammad, using a traditional genre of Islamic literature called the forty hadiths collection. Hadiths are the reported sayings and actions of Muhammad that have been collected by the tens of thousands throughout Islamic history. There is a tradition in which Muslim scholars take from this vast textual ocean to compile their own smaller collections of forty hadiths, an act of curation that allows them to present their particular understanding of Muhammad’s legacy and the essential points of Islam. Here, Michael Muhammad Knight offers forty narrations that provide windows into the diverse ways in which Muslims envision Muhammad. He also examines his own relationship to Muslim traditions while exploring such topics as law, mysticism, sectarianism, gender, and sexuality. By revealing the Prophet to be an ongoing construction, he carefully unravels notions about Islam’s center and margins.

Forty Days on Being a Nine Marlena Graves,2021-02-23 Why do you hold back? Enneagram Nines are often asked questions like this by others who want to invite them to share their gifts. Marlena Graves describes her own experience with deciding whether to speak up: I know what it's like to be run over and rendered invisible. I don't want to do the same to others. Nines are easy to be around because they seem to instinctively put others before themselves. In these readings Marlena reflects on what it's like to be a Nine with a spirit of honest self-assessment and a desire for personal and spiritual growth. She draws wisdom from the deep wells of both counseling and spirituality, using illustrations from Scripture and life. She writes out of her personal context, drawing on the lessons learned from her Puerto Rican Abuelita and from growing up in poverty. But she also writes for all of us. Each reading concludes with an opportunity for further engagement such as a journaling prompt, reflection questions, a written prayer, or a spiritual practice. Any of us can find aspects of ourselves in any of the numbers. The Enneagram is a profound tool for empathy, so whether or not you are a Nine, you will grow from your reading about Nines and enhance your relationships across the Enneagram spectrum.

Forty Years a Forester Elers Koch,2019-10 Elers Koch, a key figure in the early days of the U.S. Forest Service, was among the first American-trained silviculturists, a pioneering forest manager, and a master firefighter. By horse and on foot, he helped establish the boundaries of most of our national forests in the West, designed new fire-control strategies and equipment, and served during the formative years of the agency. *Forty Years a Forester*, Koch’s entertaining and illuminating memoir, reveals one remarkable man’s contributions to the incipient science of forest management and his role in building the human relationships and policies that helped make the U.S. Forest Service, prior to World War II, the most respected bureau in the federal government. This new, fully annotated edition of Koch’s memoir offers an unparalleled look at the Forest Service’s formative ambitions to regulate the national forests and grasslands and reminds us of the principled commitment that Koch and his peers exemplified as they built the national forest system and nurtured the essential conservation ethic that continues to guide our use of the public lands.

Forty Favours The Brave Lise Carlaw & Sarah Wills,2022-03-29 From the creators of the hit podcast FORTY come musings, advice and real-life stories on the highs, lows and unexpected delight of life in your forties. How can I be nearing middle age when twenty-six feels like yesterday? After the craziness of my twenties and hard work of my thirties, what's next? Who am I now that youth is behind me? These were the questions Lise Carlaw and Sarah Wills (aka 'Those Two Girls') asked themselves as they entered a milestone decade - their forties. And they're not alone. The second phase of life can seem daunting. But it's so much more than declining collagen, hormonal upheavals, and a supposed descent into invisibility. There is power in knowing who you are, ditching 'nice' for what's important, and arriving at the stage in your life when you decide rather than 'slide'. In *Forty Favours the Brave*, Lise and Sarah, along with women from all walks of life, share insightful tales about entering their forties and beyond: the lessons learned, heartbreaks survived, things they wish they'd known, relationship changes, confidence gained ... and the surprising, wondrous joy of life in its second act. Brimming with wit, honesty and relatable 'aha!' moments, *Forty Favours the Brave* is the ultimate coming-of-age reading for any woman approaching (or in) her forties.

Forty Rooms Olga Grushin,2016-02-16 The internationally acclaimed author of *The Dream Life of Sukhanov* now returns to gift us with *Forty Rooms*, which outshines even that prizewinning novel. Totally original in conception and magnificently executed, *Forty Rooms* is mysterious, withholding, and ultimately emotionally devastating. Olga Grushin is dealing with issues of women’s identity, of women’s choices, that no modern novel has explored so deeply. “Forty rooms” is a conceit: it proposes that a modern woman will inhabit forty rooms in her lifetime. They form her biography, from childhood to death. For our protagonist, the much-loved child of a late marriage, the first rooms she is aware of as she nears the age of five are those that make up her family’s Moscow apartment. We follow this child as she reaches adolescence, leaves home to study in America, and slowly discovers sexual happiness and love. But her hunger for adventure and her longing to be a great poet conspire to kill the affair. She seems to have made her choice. But one day she runs into a college classmate. He is sure of his path through life, and he is protective of her. (He is also a great cook.) They drift into an affair and marriage. What follows are the decades of births and deaths, the celebrations, material accumulations,

and home comforts—until one day, her children grown and gone, her husband absent, she finds herself alone except for the ghosts of her youth, who have come back to haunt and even taunt her. Compelling and complex, *Forty Rooms* is also profoundly affecting, its ending shattering but true. We know that Mrs. Caldwell (for that is the only name by which we know her) has died. Was it a life well lived? Quite likely. Was it a life complete? Does such a life ever really exist? Life is, after all, full of trade-offs and choices. Who is to say her path was not well taken? It is this ambiguity that is at the heart of this provocative novel.

Forty Years War Len Colodny,Tom Shachtman,2016-07-11 This groundbreaking book chronicles the little-understood evolution of the neoconservative movement—from its birth as a rogue insurgency in the Nixon White House through its ascent to full and controversial control of America's foreign policy in the Bush years. In eye-opening detail, *The Forty Years War* documents the neocons' four-decade campaign to seize the reins of American foreign policy: the undermining of Richard Nixon's outreach to the Communist bloc nations; the success at halting détente during the Ford and Carter years; the uneasy but effectual alliance with Ronald Reagan; and the determined, and ultimately successful, campaign to overthrow Saddam Hussein—no matter the cost.Drawing upon recently declassified documents, hundreds of hours of interviews, and long-observed White House tapes, *The Forty Years War* delves into the political and intellectual development of some of the most fascinating political figures of the last four decades. It describes the complex, three-way relationship of Richard Nixon, Henry Kissinger, and Alexander Haig, and unravels the actions of Donald Rumsfeld, Dick Cheney, and Paul Wolfowitz over the course of seven presidencies. And it reveals the role of the mysterious Pentagon official Fritz Kraemer, a monocle-wearing German expatriate whose unshakable faith in military power, distrust of diplomacy, moralistic faith in American goodness, and warnings against provocative weakness made him the hidden geopolitical godfather of the neocon movement. The authors' insights into Kraemer's influence on the neocons—will change the public understanding of the conduct of government in our time.

A Forty-Day Study of John's Gospel Rick Jory,2021-11-30 Did Jesus claim to be God? Without question. And he did so repeatedly. That's why John, a member of the “inner circle” of the disciples, wrote his own account of Jesus' time on earth. *A Forty-Day Study of John's Gospel* answers the question, “Who exactly is Jesus?” and shows how the works and words of Jesus validate his claim that he is God the Son. Other books in this series include *A Forty-Day Study of the Biblical Story*, volumes one and two; *A Forty-Day Study of the Book of Hebrews*; and *A Forty-Day Study on Sin, Salvation, and Sanctification*.

Forty Sermons Upon Several Occasions Anthony Tuckney,1676

Forty-Nine Truths and the Pentecost John Richie,2000-08 This work results from years of studying God's Word and observation of the current trends in Christianity. The problem with Christianity today is that it has forgotten that the battle is not with those without, but with the foolishness, sin, and unbelief in the believer. The forty-nine truths contained herein appear to be the most neglected in this age. Considering that God's Word is not open to personal interpretation, each Scripture quotation is left to individual understanding through the visitation of the Holy Spirit. Although some explanation is given, my intent is to guide the reader toward understanding; and not to impose upon them my own understanding. It is perhaps ironic that many Christians professing Jesus to be their Lord and Master may spend eternity in a place they would not desire. God's Word states that a follower of Jesus that does not keep his sayings will not inherit the kingdom of heaven. The truths discussed herein are the sayings of Jesus, not mine. The Pentecost follows these forty-nine truths. It is a day that is in the future. It will be a happy day for many, but the road thereto is troubled with much tribulation.

Forty Years a Legislator Elmer Thomas,2007 Thomas's panoramic look at the issues of his time ranges from flood control dams and the forty-hour work week to America's preparedness for war in 1940 and the Marshall Plan. He provides a behind-the-scenes view of the Nurnberg War Crimes Trial. And he tells how he had to push funding for the atomic bomb project through Congress without disclosing its true nature.--BOOK JACKET.
