Good Luck Frenchy Alain Olivier,2020-02-27 Being mistaken for someone else, being falsely depicted as an important international heroin importer and trafficker, and being made an unwilling accessory to murder aren't everyday occurrences. Surely this is not how the police behave to get their man? But...what if they go further? What if, with the aid of a thuggish civil agent, the RCMP implement a buy and bust operation, a Final Solution to get rid of you? And what if a Mountie is killed in the process under very nebulous circumstances? A chilling scenario that becomes even more disconcerting when members of the RCMP commit perjury to insure your conviction and cover up the true circumstances surrounding their colleague's death. But, what about you being sentenced to death as a result of this and a trial littered with lying witnesses and tainted evidence that sends you on a path meant to shatter your already broken life? And...what if, in the end, Canadian legal institutions and ministries opt to defend the undefendable in order to protect the RCMP's integrity and the image of Canada? Known as Bang Kwang prison inmate 482/33, my name is Alain Olivier. I learned first-hand what it means to be treated as expendable when the RCMP screws things up during a sketchy buy & bust operation oversea. This was my struggle against all odds to survive in the jungle of Bang Kwang prison, a true story that has something for everyone—drugs, murder, threats, violence, conflict of interest, political corruption, coverups, and my faint hope that the Canadian government would come to its senses and bring me home.

**The Frenchy's Connection** Pat Wilson,Kris Wood,2001 With a wonderful dash of humour, the authors take us on a trip for fashion that doesn't cost the earth.

**Mr. New Orleans** Matthew Randazzo V,Frenchy Brouillette,2014-06-19 Wiseguys called him the Keith Richards of the American Mafia and JFK hero Jim Garrison denounced him as one of the most notorious vice operators in the history of New Orleans ... but you can just call him MR. NEW ORLEANS. Mr. New Orleans tells the incredible story of Frenchy Brouillette, a redneck Cajun teenager who stole his big brother's motorcycle and embarked on a 60-year vacation to New Orleans, where he became a legendary gangster and the underworld political fixer for his cousin, Louisiana Governor Edwin Edwards. Written by Crescent City native Matthew Randazzo V, the wickedly funny Mr. New Orleans is the first book to ever break the code of secrecy of the New Orleans Mafia Family, the oldest and most mysterious criminal secret society in America. Mr. New Orleans is a rollicking, disturbing ride through the underbelly of a bygone New Orleans, lined with moments of dark, side-splitting hilarity. If you're a fan of James Lee Burke, drop what you're reading and pick this one up. In an era when popular wisdom tells us T.V. has stolen all depth from the literary true-crime narrative, Matthew Randazzo has found a way to beat that trend mightily; he's gone straight to the source and captured the singular, confounding voice of the New Orleans' mafia's top political fixer with fast-paced, riveting prose and a fine journalist's eye for detail. Chris Rice, New York Times

Bestselling Author Mr. New Orleans is a total knockout: Take everything you ever imagined about the sleazy good times to be had in New Orleans -- the sleazy good times capital of America -- and quadruple it, and you have a hint of what's inside these sticky pages. Bill Tonelli, Author of The Italian American Reader and Editor for Esquire and Rolling Stone

**Frenchys Coded Adventure Story #1 Ciphers** Thomas French, 2020-05-18 This is the companion book to FRENCHY'S CODED ADVENTURE BOOK #1: The Narrowboat Quest. It holds the ciphers aka answers to that book. I considered offering it for free in the eBook format, as anyone wanting it would have already purchased a copy of the book that goes with it - find it on Amazon if you don't have it. But then I considered the many hours of work that went into creating the fun in The Narrowboat Quest and I decided that if I offered it completely free, it might be too big of a temptation and some of that fun might be lost. It is the same reason I decided not to include the ciphers in the book. If you are stuck, by all means, get this book and let it give you that little boost that you need. Just try not to give into the temptation of using it for every paragraph. Thomas French King of the run-on sentences

**Frenchy's Escape on the Space Needle** Roger Jacob Schmidt, 2008-05-01 How anyone can establish a date in time and then count back to BC and forward in AD, and claim that certain events have and will happen is beyond me. If you need to set your alarm for 6: 00 a.m. to be at work at 7: 30 a.m., what is the first thing you do? You should check to make sure your clock is reading the correct time! If you don't have the correct time, you can bet your boss will! If you don't set your clock to the correct time you will be early or late. And so it is with prophecy and your God. And wh am I? The purpose of this book is to help you reset the clock. Rather than prophecy seeming outdated or incorrect, you will have a new paradigm for viewing God's time. My prayerful intent is that this will bring hope to Christians, who are awaiting Christ's prophesied return, as foretold in Revelations.
