Do you get to the end of your day but feel like you accomplished nothing? Do you have a tendency to put things off until the last minute? We all tend to delay things from time to time, and some days, we're just swamped with work when there's so many things to be done. Even the most organized people will struggle with time management at one point or another. Dominic Wolff addresses these problems and more in his latest book, Tame Your Gmail in 5 Easy Steps with David Allen's GTD. This book will show you how to manage your time better and actually get things done! Wolff, an author and advocate of productivity tools, has written several books about using the famous Getting Things Done (the time management system developed by David Allen) in combination with different software applications - first with Evernote, and now Google's Gmail, Tasks, Calendar, and Drive. A Manifesto For Change V. Ponraj, A.P.J. Abdul Kalam, 2014-07-01 In 1998, a book was published that was surprisingly ahead of its times. It was called India 2020 and proposed that India could soon be one of the top five economies of the world. The nation had set off a series of nuclear tests and was facing worldwide sanctions. A new government had taken charge, and the economy was facing a tough time. It was not the best of times to predict that India had it in her to get on the fast track to development. The vision

presented in the book would go on to inspire, directly or indirectly, many sectors of the economy to work for and achieve high growth. The book has since sold hundreds of thousands of copies. In *A Manifesto for Change*, its author A.P.J. Abdul Kalam, writing with co-author V. Ponraj, offers a sequel. As focused then as now on his dream of a developed India by 2020, the eleventh President of India examines what we need to get right to accomplish that essential goal: harnessing the stupendous energy of our youth to contribute to growth, a united Parliament that makes full use of its time for constructive debate and rises above petty party politics to achieve the larger national vision, and a plan of action that looks at development from the grassroots to giant strides in infrastructure and bridging the urban-rural disparity. It is time to leave behind the politics of antagonism and disruption behind, he suggests. As reward: a developed India as befits this beautiful land.
