Blu's Hanging Lois-Ann Yamanaka,1998-07 Set on the Hawaiian island of Moloka'i, after the death of their mother and withdrawal of their grief-stricken father, Blu's Hanging tells a poignant yet unsentimental tale (San Francisco Chronicle) about the three children left behind.

A Handbook on Hanging Charles Duff,1999-10-31 A Handbook on Hanging is a Swiftian tribute to that unappreciated mainstay of civilization: the hangman. With barbed insouciance, Charles Duff writes not only of hanging but of electrocution, decapitations, and gassings; of innocent men executed and of executions botched; of the bloodlust of mobs and the shabby excuses of the great. This coruscating and, in contemporary America, very relevant polemic makes clear that whatever else capital punishment may be said to be--justice, vengeance, a deterrent--it is certainly killing.

"... Hang by the Neck ..." Negley King Teeters,Jack H. Hedblom,1967

The Hanging Tree Kristy Thomas,2016-01-03 Ester is an older African American woman who begins the scene in her late seventies humming and standing underneath The Hanging Tree in the downtown square of Mansfield, TX where she was born and raised. This tree represents the death of hundreds of African American men, women and children that were hung in this city for as long as time can remember. In 1957 one of its victims was Ester's son Toby. He was determined to integrate the local high school so with a group of his friends they protest at the doors of the school. Men from the city arrive and beat all of them but Toby was the ringleader and they took him downtown and hung him. Ester comes to this tree very often just to feel like she is in the presence of her son. She goes from present time back to the night that the murder happened remembering all of the things that she did that night to try and support her son while being a mother in a vital time of American history. Ester is a strong woman and her story is unlike any that has been told of a time in our history that we can never forget. This is just a snapshot; her moment in time that forever shaped who she was as a woman and as a mother. The moment that she watched her son swing from The Hanging Tree.

The Hanging Woods Scott Loring Sanders,2008-03-21 What Walter reads that day changes him. Not in any way someone would really notice. He still goes to school, hangs out with his friends Jimmy and Mothball, and tries to avoid the Troll, the town recluse. But something in him has changed. It's as if he can feel a part of him growing—the part that can stand by and watch a house burn down or the life flow out of a fox, without doing anything to stop either. He knows he could—should—do something to help. But some part of him keeps him glued in place, watching with fascination and curiosity. Maybe it would have been better if Walter had never found out the things he did. Maybe he didn't really want to know. But then again, maybe he did. Richly atmospheric, The Hanging Woods is at times disturbing, but it is always riveting. It's a tale of deception, delusion, and the dark places a troubled mind can go.

Hanging Up Delia Ephron,1996 HILARIOUS. . . A CHARMING, ENTERTAINING READ. --Los Angeles Times WONDERFUL. . . Eve Mozell is having a lousy day, and she hasn't even gotten past breakfast yet. Her father, a senile ex-alcoholic whose idea of a good joke is goosing his woman doctor, started phoning Eve at 6 a.m. Her teenage son, who alternately ignores and lectures her, is off to a séance. ('You know, Mom, all doors are entrances. Think about it.') And a quick glance in the mirror turns out to be a big mistake. Oh, God, is that my face? . . . I need a vacation. No. This is just me. Me at forty-four. . . . What a terrific debut. --Newsweek TRUE AND TOUCHING. --People Delia Ephron is blessed with the driest of wits, the tenderest of hearts, and an uncanny ear for the way people really talk. Do yourself a favor and curl up with *Hanging Up*--but unplug the phone first. --Armistead Maupin MOVING AND FUNNY. . . In some ways, *Hanging Up* is a funhouse version of *King Lear*. --Newsday From the Trade Paperback edition.

Reflections on Hanging Arthur Koestler,2019-03-15 *Reflections on Hanging* is a searing indictment of capital punishment, inspired by its author's own time in the shadow of a firing squad. During the Spanish Civil War, Arthur Koestler was held by the Franco regime as a political prisoner, and condemned to death. He was freed, but only after months of witnessing the fates of less-fortunate inmates. That experience informs every page of the book, which was first published in England in 1956, and followed in 1957 by this American edition. As Koestler ranges across the history of capital punishment in Britain (with a focus on hanging), he looks at notable cases and rulings, and portrays politicians, judges, lawyers, scholars, clergymen, doctors, police, jailers, prisoners, and others involved in the long debate over the justness and effectiveness of the death penalty. In Britain, *Reflections on Hanging* was part of a concerted, ultimately successful effort to abolish the death penalty. At that time, in the forty-eight United States, capital punishment was sanctioned in forty-two of them, with hanging still practiced in five. This edition includes a preface and afterword written especially for the 1957 American edition. The preface makes the book relevant to readers in the U.S.; the afterword overviews the modern-day history of abolitionist legislation in the British Parliament. *Reflections on Hanging* is relentless, biting, and unsparing in its details of botched and unjust executions. It is a classic work of advocacy for some of society's most defenseless members, a critique of capital punishment that is still widely cited, and an enduring work that presaged such contemporary problems as the sensationalism of crime, the wrongful condemnation of the innocent and mentally ill, the callousness of penal systems, and the use of fear to control a citizenry.

The Hanging Tree V. A. C. Gatrell, Vic Gatrell, 1994 A history of mentalities, emotions, and attitudes rather than of policies and ideas, it analyses responses to the scaffold at all social levels: among the crowds which gathered to watch executions; among 'polite' commentators from Boswell and Byron on to Fry, Thackeray, and Dickens; and among the judges, home secretary, and monarch who decided who should hang and who should be reprieved. Drawing on letters, diaries, ballads, broadsides, and images, as well as on poignant appeals for mercy which historians until now have barely explored, the book surveys changing attitudes to death and suffering, 'sensibility' and 'sympathy', and demonstrates that the long retreat from public hanging owed less to the growth of a humane sensibility than to the development of new methods of punishment and law enforcement, and to polite classes' deepening squeamishness and fear of the scaffold crowd.

The Hanging on Union Square H. T. Tsiang, 2019-05-21 A subversively comic, genre-bending satire of bourgeois life by an essential Chinese American voice A Penguin Classic It's Depression-era New York, and Mr. Nut, an oblivious American everyman, wants to strike it rich, even if at the moment he's unemployed, with no job prospects in sight. Over the course of a single night, in a narrative that unfolds hour by hour, he meets a cast of strange characters—disgruntled workers at a Communist cafeteria, lecherous old men, sexually exploited women, pesky authors—who eventually convince him to cast off his bourgeois aspirations for upward mobility and become a radical activist. Absurdist, inventive, and suffused with revolutionary fervor, and culminating in a dramatic face-off against capitalist power in the figure of the greedy businessman Mr. System, *The Hanging on Union Square* is a work of blazing wit and originality. More than eighty years after it was self-published, having been rejected by dozens of baffled publishers, it has become a classic of Asian American literature—a satirical send-up of class politics and capitalism and a shout of populist rage that still resonates today. Celebrate Asian American and Pacific Islander (AAPI) Heritage Month with these three Penguin Classics: *America Is in the Heart* by Carlos Bulosan (9780143134039) *East Goes West* by Younghill Kang (9780143134305) *The Hanging on Union Square* by H. Hanging Bridge Jason Morgan Ward, 2016 Even at the height of the civil rights movement in the 1960s, when the clarion call for equality and justice echoed around the country, few volunteers ventured into Clarke County, Mississippi. Fewer still remained. Located just south of Neshoba County, where three civil rights workers had been murdered during 1964's Freedom Summer, Clarke lay squarely in what many considered Mississippi's, and thus America's, meanest corner ... Ward ... traces a legacy of violence that reflects the American experience of race, from the depths of Jim Crow through to the growing power of the NAACP and national awareness of what was taking place even in the country's bleakest racial landscapes--

The condition upon which God hath given liberty to man is eternal vigilance; which condition if he breaks, servitude is at once the consequence of his crime and the punishment of his guilt.
