

Johannesburg

Yicheng Fang

Johannesburg Keith Beavon,2022-08-01 Until now there has been no single text that brings together the material that reveals the unfolding geography of Johannesburg, South Africa. This books describes the history of the city from its days as a mining camp to its position of premier metropolis in Africa. The present geography of Johannesburg, and the problems and dysfunctions that is hat exhibited at various stages in its history since 1886, cannot be understood without a firm grasp of what has evolved of the past 120 years.

Johannesburg Sarah Nuttall,Achille Mbembe,2008-10-24 Johannesburg: The Elusive Metropolis is a pioneering effort to insert South Africa’s largest city into urban theory, on its own terms. Johannesburg is Africa’s premier metropolis. Yet theories of urbanization have cast it as an emblem of irresolvable crisis, the spatial embodiment of unequal economic relations and segregationist policies, and a city that responds to but does not contribute to modernity on the global scale. Complicating and contesting such characterizations, the contributors to this collection reassess classic theories of metropolitan modernity as they explore the experience of “city-ness” and urban life in post-apartheid South Africa. They portray Johannesburg as a polycentric and international city with a hybrid history that continually permeates the present. Turning its back on rigid rationalities of planning and racial separation, Johannesburg has become a place of intermingling and improvisation, a city that is fast developing its own brand of cosmopolitan culture. The volume’s essays include an investigation of representation and self-stylization in the city, an ethnographic examination of friction zones and practices of social reproduction in inner-city Johannesburg, and a discussion of the economic and literary relationship between Johannesburg and Maputo, Mozambique’s capital. One contributor considers how Johannesburg’s cosmopolitan sociability enabled the anticolonial projects of Mohandas Ghandi and Nelson Mandela. Journalists, artists, architects, writers, and scholars bring contemporary Johannesburg to life in ten short pieces, including reflections on music and megamalls, nightlife, built spaces, and life for foreigners in the city. Contributors: Arjun Appadurai, Carol A. Breckenridge, Lindsay Bremner, David Bunn, Fred de Vries, Nsizwa Dlamini, Mark Gevisser, Stefan Helgesson, Julia Hornberger, Jonathan Hyslop, Grace Khunou, Frédéric Le Marcis, Xavier Livermon, John Matshikiza, Achille Mbembe, Robert Muponde, Sarah Nuttall, Tom Odhiambo, Achal Prabhala, AbdouMaliq Simone

Emerging Johannesburg Richard Tomlinson,Robert Beaugard,Lindsay Bremmer,Xolela Mangcu,2014-02-04 Johannesburg is most often compared with Sao Paulo and Los Angeles and sometimes even with Budapest, Calcutta and Jerusalem. Johannesburg reflects and informs conditions in cities around the world. As might be expected from such comparisons, South Africa's political transformation has not led to redistribution and inclusive social change in Johannesburg. In Emerging Johannesburg the contributors describe the city's transition from a post apartheid city to one with all too familiar issues such as urban/suburban divide in the city and its relationship to poverty and socio-political power, local politics and governance, crime and violence, and, especially for a city located in Southern Africa, the devastating impact of AIDS.

A Concise Historical Dictionary of Greater Johannesburg Naomi Musiker,2000

Portrait with Keys: The City of Johannesburg Unlocked Ivan Vladislavic,2009-06-01 “Surely one of the most ingenious love letters—full of violence, fear, humour, and cunning—ever addressed to a city.” —Geoff Dyer This dazzling portrait of Johannesburg is one of the most haunting, poetic pieces of reportage about a metropolis since Suketu Mehta’s Maximum City. Through precisely crafted snapshots, Ivan Vladislavic observes the unpredictable, day-today transformation of his embattled city: the homeless using manholes as cupboards, a public statue slowly cannibalized for scrap. Most poignantly he charts the small, devastating changes along the postapartheid streets: walls grow higher, neighborhoods are gated off, the keys multiply. Security—insecurity?—is the growth industry. Vladislavic, described as “one of the most imaginative minds at work in South African literature today” (André Brink), delivers “one of the best things ever written about a great, if schizophrenic, city, and an utterly true picture of the new South Africa” (Christopher Hope).

Lost and Found in Johannesburg Mark Gevisser,2014-04-15 An inner life of Johannesburg that turns on the author's fascination with maps, boundaries, and transgressions Lost and Found in Johannesburg begins with a transgression—the armed invasion of a private home in the South African city of Mark Gevisser's birth. But far more than the riveting account of a break-in, this is a daring exploration of place and the boundaries upon which identities are mapped. As a child growing up in apartheid South Africa, Gevisser becomes obsessed with a street guide called Holmden's Register of Johannesburg, which literally erases entire black townships. Johannesburg, he realizes, is full of divisions between black and white, rich and poor, gay and straight; a place that draws its energy precisely from its atomization and its edge, its stacking of boundaries against one another. Here, Gevisser embarks on a quest to understand the inner life of his city. Gevisser uses maps, family photographs, shards of memory, newspaper clippings, and courtroom testimony to chart his intimate history of Johannesburg. He begins by tracing his family's journey from the Orthodox world of a Lithuanian shtetl to the white suburban neighborhoods where separate servants' quarters were legally required at every house. Gevisser, who eventually marries a black man, tells stories of others who have learned to define themselves within, and across, and against, the city's boundaries. He recalls the double lives of gay men like Phil and Edgar, the ever-present housekeepers and gardeners, and the private swimming pools where blacks and whites could be discreetly intimate, even though the laws of apartheid strictly prohibited sex between people of different races. And he explores physical barriers like The Wilds, a large park that divides Johannesburg's affluent Northern Suburbs from two of its poorest neighborhoods. It is this park that the three men who held Gevisser at gunpoint crossed the night of their crime. An ode to both the marked and unmarked landscape of Gevisser's past, Lost and Found in Johannesburg is an existential guide to one of the most complex cities on earth. As Gevisser writes, Maps would have no purchase on us, no currency at all, if we were not in danger of running aground, of getting lost, of dislocation and even death without them. All maps awaken in me a desire to be lost and to be found . . . [They force] me to remember something I must never allow myself to forget: Johannesburg, my hometown, is not the city I think I know.

City of Extremes Martin J. Murray,2011-06-20 A powerful critique of urban development in greater Johannesburg since the end of apartheid in 1994.

A Thousand Tales of Johannesburg Harry Kalmer,2017-01-06 A Thousand Tales of Johannesburg is Harry Kalmer’s spellbinding ode to Johannesburg and its people. This is the story of Sara, who poses stiffly for a photo with her four children at Turffontein concentration camp in 1901, and of Abraham, who paints the street names on Johannesburg’s kerbs. It is the tale of their grandson Zweig, a young architect who has to leave Johannesburg when he falls in love with the wrong person, and of Marceline, a Congolese mother who flees to the city only to be caught up in a wave of xenophobic violence. Spanning more than a hundred years, A Thousand Tales of Johannesburg is a novel that documents and probes the lives of the inhabitants of this incomparable African city - the exiled, those returning from exile, and those who never left.

Johannesburg Then and Now Marc Latilla,2018-10-01 In less than a century, the jumble of shabby tents and lean-tos that constituted Johannesburg’s first settlement has grown into a modern metropolis of towering office buildings, high-rise apartments and sprawling suburbs. Its rapid development has been in no small measure the result of the fabulous wealth that lay in the goldrich deposits of the now-famous Witwatersrand basin. The story of gold is also the story of Johannesburg, and in a fascinating series of photographic juxtapositions, Johannesburg Then and Now chronicles the city’s expansion from dusty mining camp to economic powerhouse. Rare archival photographs, dating from the 1880s to the 1940s, are contrasted with vivid scenes of the modern city, providing a hitherto untold portrait of the Place of Gold. Where possible, the modern-day photographs have been shot from the same locations as the originals. Detailed captions provide fascinating comparisons between the old and the new, while also illuminating features that have remained the same. Johannesburg Then and Now is a superb collection of images and text that will delight both local residents and visitors. Sales points: Fascinating portrait of early and modern Johannesburg; Rare archival photographs (1880–1950), many never published before; Informative and well-researched text; Beautiful and elegantly designed coffee-table book; Excellent gift and keepsake; Companion volume to the successful Cape Town Then and Now.

City of Johannesburg ,2004

Migrant Women of Johannesburg C. Kihato,2013-11-07 Through rich stories of African migrant women in Johannesburg, this book explores the experience of living between geographies. Author Caroline Kihato

draws on fieldwork and analysis to examine the everyday lives of those inhabiting a fluid location between multiple worlds, suspended between their original home and an imagined future elsewhere.

America's Johannesburg Bobby M. Wilson,2019 Originally published by Rowman & Littlefield Publishers, an imprint of The Rowman & Littlefield Publishing Group, Inc ... Copyright © 2000--Title page verso.

Emerging Johannesburg Richard Tomlinson,Robert Beauregard,Lindsay Bremmer,Xolela Mangcu,2014-02-04 Johannesburg is most often compared with Sao Paulo and Los Angeles and sometimes even with Budapest, Calcutta and Jerusalem. Johannesburg reflects and informs conditions in cities around the world. As might be expected from such comparisons, South Africa's political transformation has not led to redistribution and inclusive social change in Johannesburg. In Emerging Johannesburg the contributors describe the city's transition from a post apartheid city to one with all too familiar issues such as urban/suburban divide in the city and its relationship to poverty and socio-political power, local politics and governance, crime and violence, and, especially for a city located in Southern Africa, the devastating impact of AIDS.

Hidden Johannesburg Paul Duncan,2016-10-01 Johannesburg: Egoli to some, Jozi to others. Once a mining town, now the most important commercial city in Africa. It's been home to renegades and rogues, colonialists and capitalists, the dispossessed and the newly enriched. Today it's populated by those who call themselves Africans or Afrikaners, by blacks, whites and every shade in between, and by immigrants from all over. There are suburbs where the daily rituals of Jewish culture rival New York's; elsewhere, the tone is more Lagos than laid-back. Remnants of the colonial era stand alongside contemporary steel and glass. In a town that prides itself on the pursuit of fortune, it's a challenge to preserve heritage, and it is against this background that Hidden Johannesburg offers a snapshot of 28 notable buildings. From the stately mansions of the Randlords to their downtown headquarters, the clubs where they socialised and the churches where they worshipped, the architecture of early Johannesburg lives on in sandstone, granite, marble and slate. But this is a city that constantly reinvents itself, and where the old is all-too-readily demolished to make way for the next 'big thing'. Some buildings will survive, others will be consigned to memory. Hidden Johannesburg reveals fragments of the history of this vibrant city but, perhaps, the book also tells us something about our future, for if we allow our heritage to be swept away in the name of progress, are we advancing at all?

Cities of Entanglements Barbara Heer,2019-09-30 How do people live together in cities shaped by inequality? This comparative ethnography of two African cities, Maputo and Johannesburg, presents a new narrative about social life in cities often described as sharply divided. Based on the ethnography of entangled lives unfolding in a township and in a suburb in Johannesburg, in a bairro and in an elite neighborhood in Maputo, the book includes case studies of relations between domestic workers and their employers, failed attempts by urban elites to close off their neighborhoods, and entanglements emerging in religious spaces and in shopping malls. Systematizing comparison as an experience-based method, the book makes an important contribution to urban anthropology, comparative urbanism and urban studies.

An Insider's Guide to Johannesburg John Ostrowick,2010-05-03 Johannesburg is severely underrated as a tourist destination. This could be because it has no beaches, no snow-capped mountains, and no ancient buildings. But Johannesburg has something else - it is a cultural and industrial centre, with an enormous array of entertainment events running day and night. Johannesburg is also the scene of the fall of the abominable Apartheid system. So Johannesburg is not only a cultural centre, but it is also politically one of the most significant cities in Africa, and the most economically powerful. Furthermore, the human race evolved in the Johannesburg area. So there are many reasons to visit. This book gives an introduction to South Africa and Johannesburg in particular. It covers all the things to see and visit in Johannesburg and its surrounds. It provides addresses, phone numbers and GPS coordinates of each tourist attraction, so that you can find them easily.

Imagining the Edgy City Loren Kruger,2013-10-30 All roads lead to Johannesburg, remarks the narrator of Alan Paton's novel Cry, The Beloved Country. Taking this quote as her impetus, Loren Kruger guides readers into the heart of South Africa's largest city. Exploring a wide range of fiction, film, architecture, performance, and urban practices from trading to parades, Imagining the Edgy City traverses Johannesburg's rich cultural terrain over the last century. The edgy city in Kruger's exploration refers not only to persistent boundaries between the haves and have-nots but also to the cosmopolitan diversity and innovation that has emerged from Johannesburg. The book begins with the building boom, performances and uneven but noteworthy inter-racial exchange that marked the city's fiftieth-anniversary celebration at the Empire Exhibition in 1936. This celebration rapidly gave way to the political repression and civil unrest that characterized South Africa from 1950 to 1990. Yet poetry, drama, fiction, and photography continued to thrive, bearing witness not only against apartheid but to alternatives beyond it. In the late twentieth century, the not quite post-apartheid condition fired the artistic imaginations of film makers as well as novelists. Urban neglect, rising crime, and the influx of migrants inspired noir cinema-like Michael Hammon's Wheels and Deals-and fiction about migration from Achmat Dangor to Phaswane Mpe, and in the twenty-first, urban renewal has produced public art that incorporates the desire lines of newcomers as well as natives. Alongside well-known artists such as Nadine Gordimer, William Kentridge, and David Goldblatt, the book introduces many artists, architects, writers, and other chroniclers who have hitherto received little attention abroad. Ultimately, Johannesburg emerges as a city whose negotiation of the tensions between incivility and innovation invites comparisons with modern conurbations across the world, not only African cities such as Dakar, or other cities of the south such as Bogotá, but also with major metropolises in North America and Europe from Chicago to Paris. A multi-faceted work that speaks to scholars in urban studies, literature, and history, Imagining the Edgy City is a rich example of interdisciplinary scholarship at its best.

Portrait with Keys Ivan Vladislavic,2011-10-27 This is a book about Johannesburg and one man's place in it: a provocative, teasing, revealing, analytical and poetic text on the city and the life rooted in its concrete streets. A high-water mark in Ivan Vladislavic's writing, Portrait with Keys is a sprawling yet comprehensive portrait of his Joburg. His gaze roams freely across the decades, but the focus falls on the eve of the millennium. Neither a novel in any conventional sense nor a collection of short stories, this chain of lyrical texts brings together memoir, history, snapshots, meditations, asides on arts and – not least – observations on that essential urban accessory, the Gorilla steering lock. Home, habit, change, memory, mortality, friendship, ghosts, gardens, walking, falling, selling and stealing are all part of this unique dossier of city life. Portrait with Keys is an extraordinary work, both an oblique self-portrait of the author and a vivid recovery of where we have been all along.

Johannesburg Pioneer Journals, 1888-1909 Maryna Fraser,1985

Johannesburg Portraits Mike Alfred,2003 Tells the story of Johannesburg's geography; its economic, political, and social history; and its vibrant personality through the lives of prominent Johannesburg citizens.

Whispering the Strategies of Language: An Psychological Quest through **Johannesburg**

In a digitally-driven world wherever monitors reign supreme and quick conversation drowns out the subtleties of language, the profound strategies and mental nuances hidden within phrases often go unheard. Yet, situated within the pages of **Johannesburg** a charming fictional prize blinking with natural feelings, lies a fantastic quest waiting to be undertaken. Penned by a talented wordsmith, this enchanting opus attracts visitors on an introspective journey, gently unraveling the veiled truths and profound affect resonating within the material of every word. Within the psychological depths of this emotional review, we shall embark upon a sincere exploration of the book's core themes, dissect its interesting publishing fashion, and succumb to the strong resonance it evokes strong within the recesses of readers' hearts.
