Between Two Worlds Katherine Kirkpatrick, 2014 In the 1890s, sixteen-year-old Eqariusaq, from the village of Itta near Ellesmere, is caught between traditional Inuit life with her lazy husband Angulluk and the world of Lieutenant Peary and his family and crew, who call her Billy Bah.

Yup'ik Eskimo Dictionary , 2012 The most comprehensive Yup'ik dictionary in existence, the second edition of this important work now adds extensive research on Central Alaskan Yup'ik, enhancing the forty years of research done by Steven A. Jacobson on the Yup'ik language and dialects. Over these decades, Jacobson has combed through records of explorers, linguists, missionaries, and anyone who has come in contact with the actively migratory Yup'ik people. Combined with information from native Yup'ik speakers, that research has led to a richly detailed dictionary that covers the entire language and all its dialects. The dictionary also offers sections on Yup'ik spelling, early vocabulary, demonstrative words, and important intersections of Yup'ik language and culture such as the kayak, dogsled, parka, and old-style dwellings.

The Beholder's Eye Scott Anderson, Mary Kay Blakely, Harry Crews, 2007-12-01 A collection of the very best in contemporary first-person journalism compiled by the award-winning former Washington Post reporter and author. Great journalists, at one time or another, have all been characters in their own stories: people with personalities that shaped what they saw and reported, and were touched and changed by the experiences about which they wrote; and

innovators who borrowed the storytelling techniques of fiction. The Beholder's Eye showcases the very best of an increasing trend toward personal narrative: Mike Sager stalking Marlon Brando in the Tahitian jungle; J. R. Moehringer's quest to discover the true identity of an old boxer; Bill Plaschke's story about a woman with cerebral palsy who runs an obscure Los Angeles Dodgers Web site; Scott Anderson's story of his lifetime of covering war after war; Harrington's own tale of his interracial family's struggle to persevere; and many others. Written by reporters who were willing to reveal themselves in order to bring readers insights that were deeper than supposedly objective third-person stories, their articles are an invaluable resource for aspiring journalists, students, and teachers of the craft of writing, and any reader with an appreciation for masterful storytelling. "Aims to dispel the old journalistic cliché: that a journalist writing about him/herself is always 'self-indulgent and, quite likely, narcissistic.' He couldn't have put together a better lineup of writers to make the point that it doesn't have to be . . . Not just some of the country's finest personal journalism, but some of its finest journalism, period."—Kirkus Reviews
