**Big Island La Boston Teran, 2023-10-16** BIG ISLAND, L.A. In Big Island, L.A., a unique successor to the cult crime classic by Boston Teran, *Never Count Out the Dead*, a former combat Marine and a crime columnist embark on a suicide mission on the battlefield of L.A. --a city of privilege, corruption, violence, rehearsed hypocrisy, card carrying culture cancellors, pedigreed hustlers, and a citizenry forever exploited by the lying haves. Known through his pen name, Landshark, William Worth, author of the popular crime column and podcast BIG ISLAND L.A. rules over his reading public from an estate high above Mount Washington. Into the life of this agoraphobic reclusive comes Ana Ride. A former combat Marine she swapped a foot for a Silver Star. Ana is in possession of a thread of information, relating to an investigation Landshark has tapped into. Together, they follow a trail of murder and destruction, connected to the 710 Corridor Conflict. By the time all blood has been spent, scores settled, the dead accounted for, justice will rise from the City of Fallen Angels.

**Sunset Swing** Ray Celestin, 2023-01-26 Los Ángeles. Navidad de 1967. Un demonio anda suelto en la Ciudad de los Ángeles... Una joven enfermera, Kerry Gaudet, viaja a la Ciudad de los Ángeles desesperada por encontrar a su hermano desaparecido, temiendo que algo terrible le haya sucedido: un asesino en serie está aterrorizando la ciudad, eligiendo víctimas al azar, y Kerry tiene muy pocas pistas. Ida Young, investigadora privada recién jubilada, se ve obligada a ayudar a la policía cuando una joven aparece asesinada en su habitación de motel. Ida nunca ha conocido a la víctima, pero su nombre aparece en la escena del crimen y la policía de Los Ángeles quiere saber por qué... Mientras tanto, el mafioso Dante Sanfelippo ha invertido los ahorros de toda su vida en la compra de una bodega en el Valle de Napa, pero primero debe hacer un último favor antes de abandonar la ciudad. El amigo de Ida, Louis Armstrong, aterriza en la ciudad justo cuando sus investigaciones descubren misteriosas pistas sobre la identidad del asesino. Y Dante debe recorrer un camino peligroso para pagar sus deudas, un camino que lo lanzará de cabeza a una conspiración aterradora y a un secreto que los cabecillas harán cualquier cosa para proteger... *Sunset Swing*, de Ray Celestin, es una impresionante novela de intriga, asesinatos y locura, un retrato inolvidable de una ciudad al límite.

**The Fragmented Metropolis: Los Angeles, 1850-1930** Robert M. Fogelson, 1967 Here with a new preface, a new foreword, and an updated bibliography is the definitive history of Los Angeles from its beginnings as an agricultural village of fewer than 2,000 people to its emergence as a

metropolis of more than 2 million in 1930--a city whose distinctive structure, character, and culture foreshadowed much of the development of urban America after World War II.

A Connected Metropolis Maxwell Johnson, 2023 A Connected Metropolis describes Los Angeles's rise in the early twentieth century as catalyzed by a series of upper-class debates about the city's connections to the outside world.

Wonder and Generosity Marguerite La Caze, 2013-06-11 A compelling understanding of equality and difference in public life. Wonder and Generosity provides a fresh account of how the passions of wonder—based on accepting others' differences—and generosity—based on self-respect and mutual respect—can supplement each other to establish an ethics and politics of respect for sexual and cultural differences. Drawing on the work of both historical and contemporary thinkers, such as Descartes, Kant, Beauvoir, Arendt, Irigaray, and Derrida, Marguerite La Caze applies her theoretical framework to a range of contemporary political challenges, including asylum-seeker policies, justice for indigenous and other oppressed groups, debates over official apologies, gender equality, and responses to radical evil. La Caze's book contributes to understanding the relationship between equality and difference in public life, the extent to which we must regard others as similar in the name of equality, and the extent to which we must acknowledge significant differences. Marguerite La Caze is Associate Professor in Philosophy at the University of Queensland, Australia. She is the author of *The Analytic Imaginary* and the coauthor (with Damian Cox and Michael P. Levine) of *Integrity and the Fragile Self*.

My Los Angeles Edward W. Soja, 2014-03-14 At once informative and entertaining, inspiring and challenging, *My Los Angeles* provides a deep understanding of urban development and change over the past forty years in Los Angeles and other city regions of the world. Once the least dense

American metropolis, Los Angeles is now the country's densest urbanized area and one of the most culturally heterogeneous cities in the world. Soja takes us through this urban metamorphosis, analyzing urban restructuring, deindustrialization and reindustrialization, the globalization of capital and labor, and the formation of an information-intensive New Economy. By examining his own evolving interpretations of Los Angeles and the debates on the so-called Los Angeles School of urban studies, Soja argues that a radical shift is taking place in the nature of the urbanization process, from the familiar metropolitan model to regional urbanization. By looking at such concepts as new regionalism, the spatial turn, the end of the metropolis era, the urbanization of suburbia, the global spread of industrial urbanism, and the transformative urban-industrialization of China, Soja offers a unique and remarkable perspective on critical urban and regional studies.

*Comes a Soldier's Whisper* Jenny La Sala, 2013-02-15 The Golden Warrior and the bravest man I ever knew. When Dave and I fought together, no matter how severe the action, he would put his hand on my shoulder, and it gave me a calming effect. He was as fierce in battle as he was gentle in friendship. Charles E. Eckman, 101st Airborne Screaming Eagles Holtwood, Pennsylvania I remember David as a kind, soft-spoken man and was intrigued that he was also Colonel Michaelis radio operator. All of these men were larger than life! Little is known about Michealis because he was in command of the 502nd for such a short, yet important, time. Peter J. K. Hendriks, author of *Orange is the Color of the Day* Pictorial history of the 101st Airborne Liberation of Holland [www.heroesatmargraten.com](http://www.heroesatmargraten.com) Madame Rolle, owner of Chateau Rollea castle located in Champs outside of Bastogne, Belgium, and was designated as the headquarter command post for the 502nd Parachute Infantry Regiment when she was a young girl remembered our father operating his radio in her foyer, and said, He was a nice young fellow who kept talking to someone named Roger. Madame Rolle This collection of letters, written by a young 101st Airborne paratrooper soldier to his sweetheart from 1943-1945, is so personal and matter-of-fact that I almost forgot that David Clinton Tharp was only one of millions of heroes made by World War II. David Tharp certainly deserves a book like this in his honor, and it deserves to be read and praised. It is a must-read for every American, and especially for veterans of war. Palmetto Review

*The Family Business 5* Carl Weber, La Jill Hunt, 2020-01-28 New York Times bestselling author Carl Weber and Essence bestseller La Jill Hunt return with a story of love, betrayal and racism in the next addition to the wildly popular Family Business series. From the time he was a boy in Georgia,

LC Duncan, patriarch and leader of the Duncan clan, has battled racism. Even now that he and his family are truly successful, the racism can still be in-your-face. Maybe it's the political climate or perhaps it's just bad timing, but LC and the rest of the Duncans are being challenged by the ultimate power-hungry racist, Sheriff KD Shrugs. Nevada Duncan is at that age when girls and sex are always on his mind. His handsome face and superior intellect attract Kia, the beautiful "Blasian" call girl who tempts him into running away to a place where the Duncans are definitely not wanted—El Paso, Texas, the home of KD Shrugs. What is the worst thing that can happen to a handsome, rich millennial? Rio Duncan would say it's mistaken identity after being beat down in a nightclub by someone who thinks he's Roman Johnson, a stickup kid who happens to be Rio's doppelganger. What happens next will open up the biggest can of worms the Duncans have ever had to deal with. Get ready for another roller coaster ride with the Duncan family.

Perfect L.A. Kessler, 2022-05-02 Perfection. Juliet Huff's life depends on it. She's never been outside, had friends over, or attended school. She's also never had a cold, a bruise, or a scrape. Her parents are researchers, part of the secretive Genesis Foundation, and they have one goal. Utopia. No one will ever lose another child to disease or birth defects. They'll achieve their goal through cloning perfect children. In order to attract funding, any imperfect subjects are terminated. As she nears her eighteenth birthday, she discovers she will become the first Genesis child to reach this milestone and will be "preserved" as a permanent record of their work unless she can break free. But Juliet has a secret. She met someone from the outside world once, the boy from across the street. Escaping her house, she finds Bill Manning all grown up, but time is running out and she must expose the Genesis Foundation... Because she'll never be perfect again.

**The Wrecking of La Salle's Ship Aimable and the Trial of Claude Aigron** Robert S. Weddle, 2009-05-01 When Robert Cavelier, sieur de La Salle, landed on the Texas coast in 1685, bent on founding a French colony, his enterprise was doomed to failure. Not only was he hundreds of miles from his intended landfall--the mouth of the Mississippi--but his supply ship, Aimable, was wrecked at the mouth of Matagorda Bay, leaving the colonists with scant provisions and little protection against local Indian tribes. In anger and disgust, he struck out at the ship's captain, Claude Aigron, accusing him of wrecking the vessel purposely and maliciously. Captain Aigron and his crew escaped the doomed colony by returning to France on the warship that had escorted the expedition on its ocean crossing. Soon after reaching France, Aigron found himself defendant in a civil suit filed by two of his officers seeking recompense for lost salary and personal effects, and then imprisoned on order of King Louis XIV while La Salle's more serious accusations

were being investigated. In this book, Robert Weddle meticulously recounts, through court documents, the known history of Aigron and the Aimable, and finds that despite La Salle's fervent accusations, the facts of the case offer no clear indictment. The court documents, deftly translated by François Lagarde, reveal Captain Aigron's successful defence and illuminate the circumstances of the wreck with Aigron's testimony. Much is also revealed about the French legal system and how the sea laws of the period were applied through the French government's L'Ordonnance de la Marine.

**Falling with Wings: A Mother's Story** Dianna De La Garza,Vickie McIntyre,2018-03-06 Before she was mother to global superstar Demi Lovato, she was just Dianna Hart. Dianna tells her story from the very beginning in this complete and genuinely affecting memoir. She had big plans of becoming a country music star, but her life went in a different direction than her dreams. She developed an eating disorder early in life to gain a sense of control in her strict upbringing. As she continued to struggle with body image and her obsession with being perfect her entire adult life, she was also met with other difficult situations. Her husband and father of her two eldest daughters, Dallas and Demi, had his own troubles that effected the entire family. She coped with alcohol and pills, forming a long-lasting addiction. She's had terrible lows but also some great highs as she watched her daughters break out in Hollywood to become strong, empowered young women. As a mother caring for daughters with addictions while continuing to battle her own, Dianna offers a unique perspective. And as a family, they have survived everything life has thrown at them and come away from it stronger than ever. Dianna tells her story of living through and surviving adversity--with tremendous strength, love and faith.
