**The Librarian's Book of Lists** George M.

Eberhart, 2010-05-10 After years spent editing American Libraries and the many editions of The Whole Library Handbook, George Eberhart has collected a raft of arcane librarianship and amusing trivia for this endlessly browsable volume. ... the mixture of serious topics, tongue-in-cheek items, and outright silliness provides something to please everyone familiar with libraries, making a fun read and a wonderful gift.--Page 4 of cover.

**Implementing Online Union Lists of Serials** Ruth

C. Carter, James D Hooks, 2019-12-06 This book, first published in 1989, is a comprehensive look at PaULS, the Pennsylvania Union List of Serials. The editors, both of whom have extensive experience with online union listing, have collected the previously published articles recording the development and implementation of PaULS; compiled new articles representing updated perspectives; provided the PaULS procedure manual; and included an annotated bibliography of literature about online union listing.

Contributors to this fascinating volume describe extensive union listing activities of West Virginia University, a special library, Calgon Corporation, and a regional consortia, the Lehigh Valley Association of Independent Colleges.

**Clinical Problem Lists in the Electronic Health Record** Adam Wright, 2014-11-24 Edited by a

professor at Harvard Medical School who has extensive experience in this field, this important and timely book presents a variety of perspectives on the organization of patient medical records

around patient problems, presenting a more effective problem-oriented approach rather than the traditional data-oriented approach. It is comprehensive, covering the history and importance of the electronic health record, the attitudes toward and use of problem lists, strategies to improve the problem list, and applications in practice of the problem list.
