Will Ellis

ABC NYC Joanne Dugan,2005-05-01 This collection by noted photographer Joanne Dugan features images of the the city's famous landmarks, including the Chrysler building and Grand Central Station, along with such New York City staples as bagels and hot dogs. Full color.

Good Night New York City Adam Gamble,2006-10-28 Easy-to-read text introduces the sights of New York City through a full day of sightseeing.

NYC Basic Tips and Etiquette Nathan W. Pyle,2014-04-15 New York Times Bestseller Living in New York City for five years as a transplant from Ohio, illustrator and T-shirt designer Nathan Pyle was fascinated by the unique habits and unspoken customs New Yorkers follow to make life bearable in a city with 8 million people (and seemingly twice the number of tourists). In *NYC Basic Tips and Etiquette*, Pyle reveals the secrets and unwritten rules for living in and visiting New York including the answers to such burning questions as, how do I hail a cab? What is a bodega? Which way is Uptown? Why are there so many doors in the sidewalk? How do I walk on an escalator? Do we need be touching right now? Where should I inhale or exhale while passing sidewalk garbage? How long should I honk my horn? If New York were a game show, how would I win? What happens when I stand in the bike lane? Who should get the empty subway seats? How do I stay safe during a trash tornado? Each tip is a little story illustrated in simple black and white drawings.

Awkwafina's NYC Nora Lum,2015-04-14 Walking shoes? Check. Metrocard? Check. Sombrero? (Just a suggestion.) ONWARD! Let Awkwafina—the Queens-born rap artist of “NYC Bitches” fame—be your guide to the hidden gems of New York City (natives, we’re talking to you, too.) with 10 walking tour adventures that you don’t

need a trust fund to enjoy. Travel back in time exploring revolutionary-era Tottenville or Louis Armstrong's house in Corona. Gorge yourself on the haute-cuisine of the street-savvy, from authentic pierogi in Little Poland to steam dumplings in Flushing. Roll with Awkwafina, and she'll show you the neighborhoods you never knew you were missing (and a few you were missing the point of). This edition includes enhanced features that allow you to connect to a map from each checkpoint and plot your next moves at the click of a button.

A People's Guide to New York City Carolina Bank Muñoz, Penny Lewis, Emily Tumpson Molina, 2022-01-25 This alternative guidebook for one of the world's most popular tourist destinations explores all five boroughs to

reveal a people's New York City. The sites and stories of A People's Guide to New York City shift our perception of what defines New York, placing the passion, determination, defeats, and victories of its people at the core. Delving into the histories of New York's five boroughs, you will encounter enslaved Africans in revolt, women marching for equality, workers on strike, musicians and performers claiming streets for their art, and neighbors organizing against landfills and industrial toxins and in support of affordable housing and public schools. The streetscapes that emerge from these groups' struggles bear the traces, and this book shows you where to look to find them. New York City is a preeminent global city, serving as the headquarters for hundreds of multinational firms and a world-renowned cultural hub for fashion, art, and music. It is among the most multicultural cities in the world and also one of the most segregated cities in the United States. The people that make this global city function—immigrants, people of color, and the working classes—reside largely in the so-called outer boroughs, outside the corporations, neon, and skyscrapers of Manhattan. A People's Guide to New York City expands the scope and scale of traditional guidebooks, providing an equitable exploration of the diverse communities throughout the city. Through the stories of over 150 sites across the Bronx, Manhattan, Queens, Brooklyn and Staten Island as well as thematic tours and contemporary and archival photographs, a people's New York emerges, one in which collective struggles for justice and freedom have shaped the very landscape of the city.

123 NYC Joanne Dugan, 2007-04-04 Various scenes in New York City are used to illustrate the numbers from 1 to 20.

Gotham Edwin G. Burrows, Mike Wallace, 1998-11-19

To European explorers, it was Eden, a paradise of waist-high grasses, towering stands of walnut, maple, chestnut, and oak, and forests that teemed with bears, wolves, raccoons, beavers, otters, and foxes. Today, it is the site of Broadway and Wall Street, the Empire State Building and the Statue of Liberty, and the home of millions of people, who have come from every corner of the nation and the globe. In Gotham, Edwin G. Burrows and Mike Wallace have produced a monumental work of history, one that ranges from the Indian tribes that settled in and around the island of Manna-hata, to the consolidation of the five boroughs into Greater New York in 1898. It is an epic narrative, a story as vast and as varied as the city it chronicles, and it underscores that the history of New York is the story of our nation. Readers will relive the tumultuous early years of New Amsterdam under the Dutch West India Company, Peter Stuyvesant's despotic regime, Indian wars, slave resistance and revolt, the Revolutionary War and the defeat of Washington's army on Brooklyn Heights, the destructive seven years of British occupation, New York as the nation's first capital, the duel between Aaron Burr and Alexander Hamilton, the Erie Canal and the coming of the railroads, the growth of the city as a port and financial center, the infamous draft riots of the Civil War, the great flood of immigrants, the rise of mass entertainment such as vaudeville and Coney Island, the building of the Brooklyn Bridge and the birth of the skyscraper. Here too is a cast of thousands--the rebel Jacob Leisler and the reformer Joanna Bethune; Clement Moore, who saved Greenwich Village from the city's street-grid plan; Herman Melville, who painted disillusioned portraits of city life; and Walt Whitman, who happily celebrated that same life. We meet the rebel Jacob Leisler and the reformer Joanna Bethune; Boss Tweed and his nemesis,

cartoonist Thomas Nast; Emma Goldman and Nellie Bly; Jacob Riis and Horace Greeley; police commissioner Theodore Roosevelt; Colonel Waring and his white angels (who revolutionized the sanitation department); millionaires John Jacob Astor, Cornelius Vanderbilt, August Belmont, and William Randolph Hearst; and hundreds more who left their mark on this great city. The events and people who crowd these pages guarantee that this is no mere local history. It is in fact a portrait of the heart and soul of America, and a book that will mesmerize everyone interested in the peaks and valleys of American life as found in the greatest city on earth. Gotham is a dazzling read, a fast-paced, brilliant narrative that carries the reader along as it threads hundreds of stories into one great blockbuster of a book.

NYC Guide for Instagrammers S. Bonne, 2018-10
NYC Guide for Instagrammers is a one-of-a-kind guide to the Big Apple: hip and trendy, up-to-date, informative and playful. The book provides the reader with no less than a hundred scenic and impressive 'Instagrammable' spots in New York. Of course, some classics have been included - Brooklyn Bridge, Grand Central, Liberty Island, Central Park - but most of all, the reader will be introduced to hidden gems, known only to locals, and to 'new classics', relatively new landmarks on the verge of becoming some of the biggest attractions New York has to offer.

Abandoned NYC Will Ellis, 2015-02-28
From Manhattan and Brooklyn's trendiest neighbourhoods to the far-flung edges of the outer boroughs, Ellis captures the lost and lonely corners of New York. Step inside the New York you never knew, with 200 eerie images of urban decay

Guide to New York City Urban Landscapes Robin Lynn, Francis Morrone, 2013-08-05
Presents a tour of thirty-eight New York City urban sites that include parks, plazas,

memorials, atriums, cemeteries, and gardens.

The Pop Culture Lover's Guide to New York City Bob Egan, Jim Egan, 2018 POP CULTURE NEW YORK CITY: THE ULTIMATE LOCATION FINDER

New York City Guide Of Urban Feeling Mobile Library, 2018-03-03 This is NOT a traditional NYC Guidebook. In a regular NYC digital guide usually you find endless details about NYC buildings, NYC event spaces, NYC galleries, famous NYC places, or even some more thematic NYC travel guide can suggest you tours like NYC nights or a NYC guide for families or even a comparison like NYC vs London or NYC vs. Chicago, etc. That is not the purpose of this Urban Feeling NYC guidebook. Our objective is to give you an inside view of how the city lives and feels like. You may even consider this eBook as a NYC tribute, not exactly to NYC history, galleries, museums or NYC real estate, but more to the effect the city has on the ones that just take a NYC walk or adventure into NYC traffic and cannot avoid being involved by the atmosphere of the NYC attractions. To show what you can expect in this great city we made a special cocktail in this NYC travel guide, mixing special NYC quotes with images of NYC streets that capture the spirit of the great Apple. We are not saying that you should not plan to use the NYC subway, buses, rail, or check the NYC events while you are there or of course visit the great Central Park NYC or NYC public library. We are just saying that whether you plan everything in detail or not, you can be confident that a NYC vacation will be forever in your memory! If you have already been there and you are missing something, you can use this eBook to revive that special feeling of the famous NYC. If you have not been there yet and you feel like you are missing something... then you are missing New York City. The NYC Urban Feeling welcomes you all - Get in!

The Stylist's Guide to NYC Sibella Court, 2011-05

Sibella Court describes New York as 'the most exciting, contained, energy-filled city in the world' - a city she spent ten years exploring while working as an interior stylist for the very best American magazines and brands.

MFA vs NYC Chad Harbach, 2014-02-25 Writers write—but what do they do for money? In a widely read essay entitled MFA vs NYC, bestselling novelist Chad Harbach (The Art of Fielding) argued that the American literary scene has split into two cultures: New York publishing versus university MFA programs. This book brings together established writers, MFA professors and students, and New York editors, publicists, and agents to talk about these overlapping worlds, and the ways writers make (or fail to make) a living within them. Should you seek an advanced degree, or will workshops smother your style? Do you need to move to New York, or will the high cost of living undo you? What's worse—having a day job or not having health insurance? How do agents decide what to represent? Will Big Publishing survive? How has the rise of MFA programs affected American fiction? The expert contributors, including George Saunders, Elif Batuman, and Fredric Jameson, consider all these questions and more, with humor and rigor. MFA vs NYC is a must-read for aspiring writers, and for anyone interested in the present and future of American letters.

Smarter New York City André Corrêa

d'Almeida, 2018-08-28 Innovation is often presented as being in the exclusive domain of the private sector. Yet despite widespread perceptions of public-sector inefficiency, government agencies have much to teach us about how technological and social advances occur. Improving governance at the municipal level is critical to the future of the twenty-first-century city, from

environmental sustainability to education, economic development, public health, and beyond. In this age of acceleration and massive migration of people into cities around the world, this book explains how innovation from within city agencies and administrations makes urban systems smarter and shapes life in New York City. Using a series of case studies, *Smarter New York City* describes the drivers and constraints behind urban innovation, including leadership and organization; networks and interagency collaboration; institutional context; technology and real-time data collection; responsiveness and decision making; and results and impact. Cases include residential organic-waste collection, an NYPD program that identifies the sound of gunshots in real time, and the Vision Zero attempt to end traffic casualties, among others. Challenging the usefulness of a tech-centric view of urban innovation, *Smarter New York City* brings together a multidisciplinary and integrated perspective to imagine new possibilities from within city agencies, with practical lessons for city officials, urban planners, policy makers, civil society, and potential private-sector partners.

All the Restaurants in New York John

Donohue, 2019-05-14 “An emotional trip down memory lane for those of us who count our favorite restaurants as cherished personalities and members of our family.”

—Danny Meyer, founder of Shake Shack From romantic spots like Le Bernardin to beloved holes-in-the-wall like Corner Bistro, John Donohue renders people’s favorite restaurants in a manner that captures the emotional pull a certain place can have on the hearts of New Yorkers. *All the Restaurants in New York* is a collection of these drawings, characterized by their appealingly loose and gently distorted lines. These transportive images are intentionally spare, leaving the viewer room to layer on

their own meaning and draw connections to their own memories of a place, of a time, of an atmosphere. Featuring an eclectic mix of 100 restaurants—from Minetta Tavern to Frankies 457 and River Café—this charming collection of drawings is accompanied by interviews with the owners, chefs, and loyal patrons of these much-loved restaurants. “I love John’s spare, romantic, quirky portrayals of iconic New York restaurants so much that I purchased over a dozen of his prints to hang around my office. These places come to define our lives in New York—that job right next to Balthazar, that boyfriend who lived above Prune, that interview that took place at ‘21’ . . . They deserve this spotlight, this tribute.” —Amanda Kludt, Editor in Chief, Eater “John Donohue is the Rembrandt of New York City’s restaurant facades. His collection is an invaluable, evocative guide to the ever-changing, slowly vanishing landscape of the city’s great dining scene. It belongs on the bookshelf of every devout chowhound and fresser.” —Adam Platt, Restaurant Critic, New York magazine

Crying in H Mart Michelle Zauner, 2021-04-20 #1 NEW YORK TIMES BESTSELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—“in losing her mother and cooking to bring her back to life, Zauner became herself” (NPR). • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BESTSELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured

months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

Hello, New York City! David Walker, 2010-05-04 Take a tasty bite of the Big Apple, where a lively tour goes from Times Square down to Coney Island's famous aquarium, with stops at the American Museum of Natural History, Lincoln Center, and of course, the Statue of Liberty holding her torch up high.
