The Story of John Nightly Tot Taylor, 2017-07-27 'I loved the creativity, the unpredictability, its dazzling coverage of so many ideas' Rob Cowan 'Superb . . . An original character and an original book' David Quantick, Record Collector Can John Nightly be brought back to life again? John Nightly (b. 1948) finds his dimension in pop music, the art form of his time. His solo album becomes one of 1970's bestselling records - but success turns out to have side effects. Supermaxed in LA after a dazzling career, John renounces his gift, denying music and his very being, until he is rediscovered in Cornwall thirty years later by a teenage saviour dude, who persuades him to restore and complete his quasi-porto-multimedia eco-Mass, the Mink Bungalow Requiem. This epic novel mixes real and imagined lives in the tale of a young singer-songwriter, to tell a story about creativity at the highest level - the level of genius.

Nightly Wisdom Josh Bartok, Gustavo Szpilman Cutz, 2007-11-28 Human beings the world over have always found the nighttime-and its attendant activities of sleeping, dreaming, and waking up-mysterious, mystical, and rich with meaning and metaphor. The name Buddha means the one who has awakened and enlightenment itself is often portrayed literarily as the luminous full moon, lighting our way through the blinding black of night. Nightly Wisdom goes deep into the wealth of Buddhist inspirations on these powerful topics: offering encouragement and clear teaching on lucid dreaming and Tibetan dream yoga, the art of extending one's meditation practice into the boundary-less world of dreamtime; gentle guidance on relaxing into restful sleep and awakening from the suffering dream of separateness; as well as poetry and prose whose sources span time and space from ancient Japan and the Buddha himself to some of the brightest lights of Buddhism today. A book unlike any other, Nightly Wisdom is designed to be placed on the bedside table and read last thing in the evening so that one's sleep may be infused with a virtue that can be renewed in the morning and carried on throughout the day. Nightly Wisdom represents perhaps the first effort to bring all of these Buddhist inspirations together in one welcoming volume and is an ideal guide for anyone who has ever dreamed of waking up to the entirety of life or wondered how best to suffuse this wisdom into that third of our lives we all spend in bed.

Chase Nightly, L'Uccisore Kate Porter, 2001-11-26 Chase Nightly is a born and bred Georgia boy from Savannah, who loves his job as a Social Studies teacher, his bachelorhood and his widowed mother. Rae Chandler is a contemporary woman from New York City with no desire to change that fact; as different from Chase as night and day with only one exception: They are both leaders of elite teams of vampire slayers called Uccisore, but with very different territories. When Chase and Rae meet for the first time, thanks to an introduction by one of Chase's students who happens to be Rae's niece, sparks fly and past life memories surface. Memories that keep Rae off balance and terrified that destiny will claim her heart once more and Rae goes on the offensive. After a particularly nasty fight with Rae, Chase heads out into the night in a rage where he's nearly killed by Gordon Charles, Vampire King. A vampire with a vendetta against all uccisori, and especially Chase's late father. Gordon Charles was uccisore in life . . . in death, he's the most powerful vampire ever created and is now creating his own army to destroy all uccisori. Starting with Chase and Rae's future child . . . a child not yet conceived.

The Nightly Act of Dreaming Ryan Curtis Friesen, 2019-05-28 The search for a shared practice of storytelling around which a popular study of cognitive narratology might form need look no further than our nightly experience of dreams. Dreams and memories are inseparable, complicating and building upon one another, reminding us that knowledge of ourselves based on our memories relies upon fictionalized narratives we create for ourselves. Psychologists refer to confabulation, the creation of false or distorted memories about oneself and the world we inhabit, albeit without any conscious intention to deceive. This process and narrative, inherent in the dreamlife of all people, is at odds with the daily menu of cultural myths and politicized fictions fed to the Western world through print and social media, and for which there is constant divisiveness and disagreement. Cognitive Narratology and the Shared Identity of Myth uses insights gained from the scientific study of dreaming to explain how the shared experience of dreamlife can work in service to the common good. Primary texts and literary works, chosen for their influence on contemporary thinking, provide a rationale and historical background: From Artemidorus (a professional diviner) and Aristotle; to the Church fathers Tertullian, St. Augustine, Gregory of Nyssa, Sinesius of Cyrene; to The Wanderer (Old English poem) and Chaucer's Book of the Duchess; to Coleridge's writings and R. L. Stevenson's A Chapter on Dreams; and to twentieth-century dream theory, and dream use in film. The purpose is to enable readers through subjective self-analysis to recognize what they share with their fellow dreamers; shared identity in formation of a shared act of dreaming creation is a universal across centuries and throughout Western culture, albeit currently misrepresented and rarely acted upon.

Her Nightly Embrace Adi Tantimedh, 2017-07-25 The first in a trilogy of whip-smart novels—soon to be a TV series—about a destructive British-born private investigator and his ragtag team of eccentric coworkers, who handle high-profile cases so undercover that they never make the headlines. Perfect for fans of Sherlock, Castle, and Scandal. Ravi Chandra Singh is the last guy you'd expect to become a private detective. A failed religious scholar and former high school teacher, he now works for Golden Sentinels, an upmarket London private investigations and security company. His colleagues are a band of gleefully amoral and brilliant screw-ups: Ken and Clive, a pair of brutal ex-cops from the Old School who are also a gay couple; Mark Chapman, a stoner with a great mind when you can get him to stop smoking weed for five minutes; Marcie Holder, a cheerful former publicist; Benjamin Lee, a MacGyver-style

techie from South London; David Okri, an ambitious lawyer from a well-connected Nigerian immigrant family; and Olivia Wong, an upper-class Hong Kong heiress who's a financial analyst hiding her real skills as one of the most notorious hackers in the world—all under the watchful eye of Roger Golden, wheeler-dealer extraordinaire, and his cofounder and office manager, Cheryl Hughes. Thrust into a world where the rich, famous, and powerful hire him to solve their problems and wash their dirty laundry, Ravi finds himself in over his head with increasingly gonzo and complex cases—and the recent visions that he's been having of Hindu gods aren't helping. As Ravi struggles to stay ahead of danger, he wonders if the things he's seeing are a delusion—or if he might, in fact, be an unrecognized shaman of the modern world... As Deepak Chopra says, "Her Nightly Embrace introduces us to an exciting and dynamic new world of storytelling in which spirituality and science are inextricably entwined. Ravi is a character unlike any that readers have quite encountered before, and as he starts to see increasingly wild and fascinating visions, so will those lucky enough to dive into this rich narrative.

Disappearing Nightly Laura Resnick, 2012-06-05 Esther Diamond, a struggling actress in New York, seems destined to attract supernatural mayhem. When bizarre magical disappearances disrupt shows around the city, Esther receives a mysterious warning not to go on with her off-Broadway show. Desperate to stay on stage rather than resort to waiting tables, Esther turns to her new BFF, Dr. Maximillian Zadok, a 350-year-old mage whose day job is protecting New York from Evil. Determined to get to the bottom of this mystery without losing her job, Esther and Max team up with a conjuring cowboy, a banker with stage aspirations, and a flock of fearless drag queens. Also on the case is Detective Connor Lopez, a sexy cop who has a thing for Esther, but who fears that she and Max may be a bigger problem than the vanishing performers. Since the show must go on—and the astronomical rent must be paid—Esther, Max, and their friends pursue Evil to its lair in their fearless determination to find the missing performers and restore harmony to the city that never sleeps. *Disappearing Nightly* is the thrilling first novel of the Esther Diamond series.
