**Paranormal Investigator** MR Stephen David Lancaster II,2010-11-17 Paranormal Investigator: True Accounts of the Paranormal, is a non-fiction book focusing on eight well documented cases of paranormal activity as chronicled by paranormal researcher Stephen David Lancaster II. From his first childhood encounter to experiences twenty years later, Lancaster opens the folders of his files sharing some of the most productive, memorable and indisputable cases from his years of paranormal research. The haunting evidence of Poogan's Porch Restaurant, the Brentwood Wine Bistro, the Music House, Emily's House and others are included. The book also includes an in depth look into the Industrial Facility case that was featured on NBC Universal in October 2009 where they revealed Lancaster's video footage of the infamous Cowboy Ghost.

*Adventures in Paranormal Investigation* Joe Nickell,2014-04-23 Tales of alien abductions, miraculous relics, and haunted castles have attracted believers and skeptics across the globe for centuries. Paranormal investigator Joe Nickell tackles the world's most seemingly inexplicable myths in *Adventures in Paranormal Investigation*. With four decades of experience in the field, Nickell employs skepticism and scientific analysis to pull truth from the mires of false evidence and trickery that surround both old and new legends and mysteries. Unlike authors who engage in hype and sensationalism in order to foster or debunk myths, Nickell approaches each case with a rational and scientific approach intended to find the truth. Occam's Razor—all things being equal, the simplest solution is the best one—is a principal instrument in his investigative toolbox, as well as the belief that it is the claimant's responsibility to provide the extraordinary proof required in such extraordinary cases. *Adventures in Paranormal Investigation* features Nickell's on-site explorations in unusual phenomena. Among the forty unique cases, Nickell examines mysteries ranging from snake charmers who purport to hold influence over the reptiles, to the Holocaust victims who reportedly haunt a gas chamber in Dachau, to Lake Simcoe's resident lake monster Igopogo in Canada. In addition to the case studies, Nickell analyzes how the propensity to fantasize can affect human perceptions of and belief in paranormal activity and how his personal experience with the paranormal was altered when intuition led to the discovery of a daughter he didn't know existed. More than just another myth-busting text, *Adventures in Paranormal Investigation* brings together reason and scientific analyses to explain both the phenomena and the role of human perception therein, establishing Nickell as the foremost paranormal investigator of our time.

*The Spirits Talk to Me* Sarbajeet Mohanty,Neil D’Silva,2020-09-25 ‘It’s something in your line of work,’ he said hurriedly. ‘It’s something...otherworldly. Please come. There is no time to lose.’ A forest lures men to their doom, invisible hands smash crockery in a time-worn house, machines turn malevolent in an old factory, phantom laughter, whispers from nowhere, shadows that trail people - these are just some of the experiences that Sarbajeet Mohanty, paranormal investigator and founder of the Parapsychology and Investigations Research Society, confronts daily on the job. Tracking Sarbajeet and his team as they probe harrowing supernatural happenings across the country, these ten suspenseful tales move from a courthouse occupied by an insidious presence to a hellish riverbank where battles from the ancient Kalinga war continue to play out, to a film studio in Mumbai where a sordid past waits to be unearthed. Along the way, readers get a rare peek into the distinctive investigative methods used by the team to detect mysterious forces that exist in parallel realms. Narrated by veteran horror writer Neil D’Silva in atmospheric prose, the chilling accounts in *The Spirits Talk to Me* are spine-tingling and guaranteed to make you lose sleep.

*The World's Most Haunted Hospitals* Richard Estep,2016-01-25 A paramedic and paranormal investigator takes readers on a terrifying tour of haunted hospitals, asylums, and medical facilities across the globe. Hospitals are the nexus point between life and death, the place into which people enter this world, but also exit it. When we consider what has taken place behind the closed doors of hospitals since the inception of the medical profession, it should come as no surprise to discover that so many of them are haunted. In *The World's Most Haunted Hospitals*, paramedic and paranormal investigator Richard Estep recounts some of the most fascinating—and chilling—stories of hospital hauntings from across the globe, including: The apparitions at an old Utah hospital, now a nursing home, whose appearances are said to predict a patient's death. The Italian island referred to by locals as the gateway to Hell, where the spirits of thousands of plague victims prowl the streets. The terrifying phenomena that keep visitors away from an abandoned airbase hospital in the Philippines. The ghostly nurse who has haunted the corridors of a London hospital for generations.

**13 Paranormal Investigations Into Central Florida's Unknown** Jason Moose,2011-06 My desire to do paranormal investigations in Central Florida was not to embellish or damage the reputations of the establishments in which I visited, but rather shed new light on the folklore and mystery that surrounds them. All of my investigations are practiced without prejudice and with good moral logic. Your hands tremble as you lower the camera. Your eyes widen as you stare at the image you've just captured. A face seems to be lurking in the background. But when you look up, there's no one standing there! Was it a ghost? Ghost sightings are reported all the time. Many are easily explained. Others are harder to dismiss. But is there any proof? To find out, Kelly Milner Halls explored haunted houses. She examined photographs and investigated eyewitness accounts from ghost hunters, mediums, and paranormal experts. What's the verdict? Are the spirits of the dead wandering among us? Explore her findings and decide for yourself.
