The meals were chosen using data collected during a previous study conducted at the Department of Nutrition, NMIMR, "Dietary Patterns and Cardio-metabolic Risk in Urban Dwelling Adolescents" (IRB Study

Number 001/17-18), aimed at understanding the eating patterns, physical activity levels and their association with measures of adiposity, blood pressure, and fasting blood sugar among adolescents between ages 10 and 17. All recipes were compiled with the aid of a professional caterer who had experience cooking for adolescents in a school setting.

**Disclosing a Portion: the inner mechanics of the Torah** Michael Laitman, 2014-03-03 The Pentateuch, or The Five Books of Moses, is a fascinating odyssey of a nation in the making. Yet, underneath the tales that reveal human nature at its zenith and at its nadir lies an ocean of wisdom that, if uncovered, can alter reality itself. Dr. Michael Laitman's Disclosing a Portion: the inner mechanics of the Torah uncovers some of that wisdom in a manner none other has done before. Throughout the year, each week observant Jews read a different portion of the Pentateuch (which they refer to as the "Torah"). Each portion deals with a different topic, and is titled according to the first word, or words, in the portion. As you read through the portions, you will discover that each of the protagonists in the stories we've known for so long is not a myth, but a living force within. These forces direct and determine your path in life, and when you come to know them, you come to know your true self. Take your time to delve into the text, and portion by portion you will find new meanings that will enrich and empower you as you become the happy, confident person that you dream of being.

**Portion Size Me** Marshall Reid,Alexandra Reid,2012-04-01 Make a Simple Change That Makes a World of Difference! Tired of being picked on, unhappy with his appearance, and feeling down on himself, Marshall Reid decided to change his lifestyle and demanded that his family help him along the way. His plan was simple. For thirty-one days, Marshall made a conscious decision about every piece of food he put into his body. An idea was born. For an entire month, the Reids as a family portion sized themselves. Weary of trying to follow strict, depriving diets, they instead paid close attention to how they ate by looking at portions, reading labels, and learning about ingredients. In the process, they came to know so much more about each other- and about themselves. Follow Marshall and his family on their journey and learn the helpful and healthful tips and tricks they used to create a whole new lifestyle. Marshall knew his plan wouldn't always be easy, but his safe advice and kid-friendly tips will have your child eager to take charge in the kitchen, and in life as well!

**God's Portion** Judy Hoffman,2005-01-01 This is the story of the making of the town of Godfrey, Illinois. Connecting to the confluences of three great rivers: the Mississippi, the Illinois, and the Missouri, this area was situated near the starting point of the Lewis and Clark expedition. It was inhabited by diverse and radically different peoples. A cultural confluence, as well as a geographic confluence, this area would be home to a remarkable series of tales, adventures, turmoil and clashes. This book details those historical stories and uncovers the layers connecting them to each other. One of the most compelling parts of this story is the tale of the cooperation among runaway slaves, free blacks, and white abolitionists. There are also tales of commercial empire, abolition, temperance, the education of women and railroad expansion.
