Klimowski Poster Book Andrzej Klimowski,2018-04-24 Harold Pinter said of the graphic artist Andrzej Klimowski, He leads the field by a very long furlong, out on his own, making his own weather. He is Klimowski, unafraid. In the mid-1970s, Klimowski's fearlessly original artwork caught the eye of leading Polish theatre and film companies, for whom he designed some of the period's most influential and iconic posters. The London-born artist, who moved to Poland at a time when many East Europeans dreamed of going West, went on to create posters for works by filmmakers and playwrights from Scorsese to Altman, Beckett to Brecht. Drawing on folk art, Polish Surrealism and the work of his mentor at the Warsaw Academy, Henryk Tomaszewski, Klimowski uses techniques including photomontage and linocut to create posters that are filled with metaphor, drama and originality. The Klimowski Poster Book compiles the best of his Polish work, while also tracing his career after his return to London, where he remains Emeritus Professor of Illustration at the Royal College of Art --

Celebrate People's History! Josh MacPhee,2010-11-09 The best way to learn history is to visualize it! Since 1998, Josh MacPhee has commissioned and produced over one hundred posters by over eighty artists that pay tribute to revolution, racial justice, women's rights, queer liberation, labor struggles, and creative activism and organizing. Celebrate People's History! presents these essential moments—acts of resistance and great events in an often hidden history of human and civil rights struggles—as a visual tour through decades and across continents, from the perspective of some of the most interesting and socially engaged artists working today. Celebrate People's History includes artwork by Cristy Road, Swoon, Nicole Schulman, Christopher Cardinale, Sabrina Jones, Eric Drooker, Klutch, Carrie Moyer, Laura Whitehorn, Dan Berger, Ricardo Levins Morales, Chris Stain, and more.

The Poster Ruth E. Iskin, 2014-10-07 The Poster: Art, Advertising, Design, and Collecting, 1860s-1900s is a cultural history that situates the poster at the crossroads of art, design, advertising, and collecting. Though international in scope, the book focuses especially on France and England. Ruth E. Iskin argues that the avant-garde poster and the original art print played an important role in the development of a modernist language of art in the 1890s, as well as in the adaptation of art to an era of mass media. She moreover contends that this new form of visual communication fundamentally redefined relations between word and image: poster designers embedded words within the graphic, rather than using images to illustrate a text. Posters had to function as effective advertising in the hectic environment of the urban street. Even though initially commissioned as advertisements, they were soon coveted by collectors. Iskin introduces readers to the late nineteenth-century iconophile's new type of collector/curator/archivist who discovered in poster collecting an ephemeral archaeology of modernity. Bridging the separation between the fields of art, design, advertising, and collecting, Iskin's insightful study proposes that the poster played a constitutive role in the modern culture of spectacle. This stunningly illustrated book will appeal to art historians and students of visual culture, as well as social and cultural history, media, design, and advertising.

Maxfield Parrish Maxfield Parrish, Alma Gilbert-Smith, 2000 Luminous landscapes. Stunning scenery. Courageous colors. All this and more describes the amazing body of work by one of America's most popular artists, Maxfield Parrish. Now in its third edition with updated pricing, ownership, and trends, The Masterworks stands as the authoritative collection of Parrish's best works. Compiled by longtime Parrish expert and curator Alma Gilbert, The Masterworks brings together the most popular, most important, and most fanciful of Parrish's paintings. Here you'll find the glorious Dinkey Bird, the extensive Florentine Fête murals, the amazing Interlude, and the sublime Daybreak. Also included are some of Parrish's lesser-known works, through which we see the development of the artist's style and technique. Through historical analysis, contemporary news clippings, and letters from the artist himself, we get to know Parrish the man, discovering the genius behind the artwork. Updated with all the current Parrish information, this new edition of The Masterworks continues the grand tradition of celebrating Parrish's work, and bringing his oeuvre to the public.

The Alex Ross Marvel Comics Poster Book Alex Ross, Marvel Marvel Entertainment, 2021-04-06 A deluxe collection of Marvel Comics superhero posters from renowned comics artist Alex Ross From Angel to Wolverine, all your favorite Marvel Comics superheroes are featured in this exclusive collection of painted portraits by Alex Ross--one of most respected and influential artists working in comics. This first-ever collection of these iconic images includes 35 ready-to-frame, removeable art prints--perfect for longtime Marvel fans and those just discovering these classic heroes for the first time--as well as commentary by Ross, preliminary sketches, and a bonus

four-page gatefold of the portraits, assembled into a mural that was commissioned for Marvel's New York City offices. These heroic posters showcase the Marvel superheroes as you've never seen them before--as realistic as any on the silver screen--painted in the award-winning, breathtaking style that made Alex Ross famous.

The Independent Movie Poster Book Spencer Drate, Judith Salavetz, Dave Kehr, 2004 From David Lynch's cult classic *Eraserhead* to Sofia Coppola's recent sensation *Lost in Translation*, this visually stunning volume is devoted exclusively to independent films, showcasing some of the most provocative and original movie posters ever created.

Poster In History Max Gallo, Arturo Carlo Quintavalle, Charles Flowers, 2001 For over two hundred years, posters have been displayed in public places all over the world. Visually striking, they have been designed to attract the attention of passers-by, making us aware of a political viewpoint, enticing us to attend specific events, or encouraging us to purchase a particular product or service. Posters have become highly sought after by collectors, with some of the most popular fetching many thousands of dollars at auction. This remarkable volume is an illustrated overview of posters throughout history. As well, it is a representative survey of mass culture from the time of the French Revolution to the turn of the twenty-first century. Over 480 posters are reproduced here, 280 in full color, selected for both their historical significance and their striking beauty. Author Max Gallo's wonderfully written and informative text, updated by Charles Flowers, recapitulates the social and political currents of the day, establishing the context in which the posters were created. Book jacket.

Better Posters Zen Faulkes, 2021-05-24 Better posters mean better research. Distilling over a decade of experience from the popular Better Posters blog, Zen Faulkes will help you create a clear and informative conference poster that delivers maximum impact. Academics have used posters to share research for more than five decades, and tens of thousands of posters are presented at conferences every year. Despite the popularity of the format, no in-depth guide has been available on how to create and deliver compelling conference posters. From over-long titles, tiny text and swarms of logos, to bad font choices, chaotic colour schemes and blurry images – it's easy to leave viewers confused about your poster's message. The solution is Better Posters: a comprehensive guide to everything you need to know – from writing a title and submitting an abstract, to designing the poster and finally presenting it in the poster session. Your conference poster will be one of your first research outputs, and the poster session is your first introduction to a professional community. Making a great poster develops the skills to create publications, reports, outreach and teaching materials throughout your career. This book also has material for conference organizers on how to make a better poster session for their attendees.

Posters for the People Ennis Carter, 2017-02-14 This lavishly illustrated volume amasses nearly 500 of the best and most striking posters designed by artists working in the 1930s and early 1940s for the government-sponsored Works Progress Administration, or WPA. *Posters for the People* presents these works for what they truly are: highly accomplished and powerful examples of American art. All are iconic and eye-catching, some are humorous and educational, and many combine modern art trends with commercial techniques of advertising. More than 100 posters have never been published or catalogued in

federal records; they are included here to ensure their place in the history of American art and graphic design. The story of these posters is a fascinating journey, capturing the complex objectives of President Franklin Roosevelt's New Deal reform program. Through their distinct imagery and clear and simple messages, the WPA posters provide a snapshot of an important era when the U.S. government employed hundreds of artists to create millions of posters promoting positive social ideals and programs and a uniquely American way of life. The resulting artworks now form a significant historical record. More than a mere conveyor of government information, they stand as timeless images of beauty and artistic accomplishment.
