Turning Pro Steven Pressfield,2012-06-27 The follow-up to his bestseller The War of Art, Turning Pro navigates the passage from the amateur life to a professional practice. You don't need to take a course or buy a product. All you have to do is change your mind. -- Steven Pressfield TURNING PRO IS FREE, BUT IT'S NOT EASY. When we turn pro, we give up a life that we may have become extremely comfortable with. We give up a self that we have come to identify with and to call our own. TURNING PRO IS FREE, BUT IT DEMANDS SACRIFICE. The passage from amateur to professional is often achieved via an interior odyssey whose trials are survived only at great cost, emotionally, psychologically and spiritually. We pass through a membrane when we turn pro. It's messy and it's scary. We tread in blood when we turn pro. WHAT WE GET WHEN WE TURN PRO. What we get when we turn pro is we find our power. We find our will and our voice and we find our self-respect. We become who we always were but had, until then, been afraid to embrace and live out.

Ask a Pro Phil Gaimon,2017-04-03 Phil Gaimon's Ask a Pro answers every question you've always wanted to ask about pro cycling…sort of. Gaimon gathers the best of his popular Q&A column—and pokes fun at his younger self. Despite the howling protests from his peers, no one's ever been more willing to spill the beans on what it's really like inside the pro cycling peloton than the sarcastic scribe Phil Gaimon. Building on the outrageous success of his hilarious 2014 debut, Pro Cycling on $10 a Day: From Fat Kid to Euro Pro, Gaimon gathers the absolute gems from his monthly Q&A feature column in VeloNews magazine into his new book, Ask a

Pro: Deep Thoughts and Unreliable Advice from America's Foremost Cycling Sage, adding a dose of fresh commentary and even more acerbic and sharp-eyed insights. With six years of material to work with—including his incredible rise into the pro ranks, the devastating loss of his contract for 2015, and his bold return to the Big League—Gaimon covers every possible topic from the team dinner table to the toilet with plenty of stops along the way. Gaimon offers wise-ass (and sometimes earnest) answers to fan questions like: How much chamois cream should I use? I've started shaving my legs. How can I be accepted by my friends? What do you do to protect yourself when you know you're about to crash? How many bikes does my husband really need? What's the best victory celebration? Do you practice yours? In women's cycling, what is the proper definition of a pro? What do you say to someone if they honk or almost hit you? Do you name your bikes? What do pros think when they see a recreational cyclist in a full pro kit or riding a pro-level bike? Can you take your bike apart and put it back together? How bad does the weather have to be to call off a training ride? How do you know when it's time to change a tire? When you're in a breakaway all day, do riders form a future friendship? Riders keep complaining about unsafe weather at races. When did pro cyclists turn into such wussies? How do the pros define a crash? Gaimon wields his outsider's wit to cast a cock-eyed gaze at the peculiar manners, mores, and traditions that make the medieval sport of cycling so irresistible to watch. Ask a Pro includes new resources from Gaimon, too, including his Cookie Map of America, dubious advice on winning the race buffet, a cautionary guide for host housing, Phil's pre-race warm-up routine, and a celebrity baker's recipe for The Phil Cookie.

Summary Go Pro: 7 Steps to Becoming a Network Marketing Professional, by Eric Worre Sapiens Editorial,2017-05-23 ORIGINAL BOOK SYNOPSISGo Pro is a book that presents the keys to becoming a Marketing or Networking professional. In the work, its author, Eric Worre, lays down a guide for anyone wanting to engage in multilevel marketing, either to strengthen their company or as a business by itself. His ideas expand the usual range of action and help to understand that there is a sure way to create a large and successful business with the freedom of self-management for both time and decisions.The 7 steps outlined here summarize the author's observations on how to become an entrepreneur with a marketing network, being both a salesman and manager at the same time, selling your own products or those of other companies, establishing your own working hours and working with whom you decide to work, all with a significant income.In these lines, we present the best of these ideas.-ABOUT SAPIENS EDITORIALBooks are mentors. Books can guide what we do and our lives. Many of us love books while reading them and maybe they will echo with us a few weeks after but 2 years later we can't remember if we have read it or not. And that's a shame. We remember that at that time, the book meant a lot to us. Why is it that 2 years later we have forgotten everything? That's not good.This summary is taken from the most important themes of the original book.Most people don't like books. People just want to know what the book says they have to do. If you trust the source you don't need the arguments. So much of a book is arguing its points, but often you don't need the argument if you trust the source you can just get the point.This summary takes the effort to distill the blahs into themes for the people who are just not going to read the whole book. All this information is in the original book.
