Rediscover Jesus Kelly Matthew, 2015-08-17 How well do you know Jesus? I think about this often, and I always come to the same realization. I don't know Jesus anywhere near as well as I would like to know him. The desire is there, but life gets in the way. There are times when I seem to be making great progress, and other times when I wonder if I know him at all. But I always arrive back at the same inspiring and haunting idea: If there is one person that we should each get to know in a deeply personal way, it is Jesus the carpenter from Nazareth, the itinerant preacher, the Son of God, the King of Kings and the Lord of Lords, the Lamb of God, the new Adam, the Messiah, the Alpha and the Omega, the Chosen One, the Light of the World, the God-Man who wants good things for us more than we want them for ourselves, the healer of our souls. The best time to rediscover Jesus is right now. You are holding this book in your hand at this very moment for a reason. I don't know what God has in store for you, but I am excited for you.

Rediscover Church Collin Hansen, Jonathan Leeman, 2021-07-28 A Christian without a church is a

Christian in trouble. Since a global pandemic abruptly closed places of worship, many Christians have skipped church life, even neglecting virtual services. But this was a trend even before COVID-19. Polarizing issues, including political and racial strife, convinced some people to pull away from the church and one another. Now it's time to recommit to gathering as brothers and sisters in Christ. In *Rediscover Church*, Collin Hansen and Jonathan Leeman discuss why church is essential for believers and God's mission. Through biblical references and personal stories, they show readers God's true intention for corporate gathering: to spiritually strengthen members as individuals and the body of Christ. In an age of church-shopping and livestreamed services, rediscover why the future of the church relies on believers gathering regularly as the family of God. Published in partnership with the Gospel Coalition and 9Marks.

Rediscover Danilo França, 2022-03-09 Pedro, Carlos and Solange. Three characters who must deal, each in their own way, with a difficult aspect of the human mind: depression. In this short story, themes like love, sexuality, suicide and friendship are approached in a sensitive and sincere way.

This short and engaging book has all the ingredients YOU need to create a delicious and simple recipe to rediscover your sparkle. It is brimming with wisdom from top

personal development gurus, positive psychology researchers and intuitive ways of living from happy souls who naturally embrace these concepts every single day. Rediscover Your Sparkle shows how a few simple tweaks to your physiology, mindset and language have the power to take your daily life from tired, stressed and overwhelmed to being full of fun, love and energy. It distils an avalanche of advice into ‘sparkle strategies’ designed to help busy people just like you and me to uncover our inner sparkle and remember how to love our lives once again. This guide also cuts through the confusion around meditation, provides compelling reasons why a gratitude practice is a game changer and explains why being extraordinary is your birthright, something you are meant to be. Just think how great it will be when you rediscover your sparkle. There are so many benefits. You will:

- Bounce out of bed each morning with a zest for life
- Feel like you are in touch with your true self once again
- Gain tools to use language in a more powerful and positive manner
- Uncover how breathing the right way can change your life (yes, really!)
- Create more happiness in your life without changing a thing on the outside
- Improve relationships with those around you from your positive interactions
- Reclaim all

that fun, love and energy you know you still have deep inside you. In less than a couple of hours, this book gives you dozens of no- or low-cost, simple and practical tips to rediscover your sparkle. In doing so, you will revive the real you – the joyful soul that you know is in there but has been suppressed by the seriousness that you have taken on just to get through each day. When you rediscover your sparkle, you become a lighthouse for those around you. You won't have to say anything directly. They will notice that your interactions are warmer. They will see that you laugh more readily and heartily. They will want to know the secret to your newfound happiness. Think of this book as a low-cost luxury, a simple way to rediscover that sparkle you once had. And know that with this tiny luxury comes a bonus: the wisdom in these pages will help you be aware of how meaningful and exciting life can be, right now and for the rest of your life. What's stopping you from being the happy person you want to be? Not when the 'time is right', but today. Read this book and you will immediately start to feel more light, energized and playful. To add some much-needed fun, love and energy back into your life, buy this book today.

Rediscover the Power of Your Identity Johnstone Kayandabila,2010 Rediscover the Power of your Identity is a remarkable book about remarkable life written by a remarkable young man. In the world where most people are unaware of the secret of knowing their identity, this book stands as a noble answer. In the world where lies replace righteousness and the search for power to replace the pursuit of purpose, this book offers both the recipe for a better understanding on the purpose of your existence and the road map to your destiny. The author of this book will help you to discover your inner potential and role as an agent of change in your relationship, occupation, home, village, and your entire country. Emphasizing the importance of identity the author argues that 'Whenever there is a change in an individual's identity there should be a change in determination This is all about a change from inside out. Before you start changing your village and the world, you must change your inner person first. This is a starting point. Smart and successful people know this secret. Rediscover the Power of your Identity is not about making lots of money rather about knowing God's purpose in your life. Furthermore, it is about knowing the redemption power, your potential and how to constructively

influence people around you and the sort of impact you want to make in the world. Paul said, I can do all things through Jesus Christ. He meant all things because he was fully aware of his new-identity. To know what counts and what doesn't in your life, ?you must read this Christ-centered book- Rediscover the Power of your Identity. This book is for everyone who wants to live according to God's plan for humankind, for each one who does not want to be intoxicated with the falling worldly view and whoever wants to partner with God in transforming people in the world!

REDISCOVER YOURSELF TO BE DISCOVERED Adanne Chukwudi Udejiofor,2020-08-16 Self

rediscovery is NOT a one-day or a one-week thing.In fact, it can take a lifetime to discover who you truly are. Do you feel like you have lost yourself? Have you forgotten your old passions? Do you want to develop your career? have you given up on your hobbies and interests in pursuit of someone or something else? It happens, and you're never alone on this. If you feel unhappy with what you're doing

every day, it could be time to re-evaluate where you feel the best parts of yourself have gone--and how exactly to rediscover them again. *Remember when you were happiest When were you the most content in your life? Was it in university, when you were finally free from your parents and able to thrive socially? Was it in the professional world, where you realized how much you loved your job and the people you worked with for the very first time? The secret is not lamenting the good times past, but rather to figure out why exactly you had been so happy--and to re-incorporate those aspects back into your life. Once you know which things make you happy, you will be able to figure out where you want to go from here.

My Journey to Rediscover Relationships Johnie Hinson,2018-01-12 Johnie Hinson's journey to rediscover relationships took him to a new level in his understanding of relationship dynamics. The Lord opened a door of opportunity allowing Johnie to glean precious knowledge about the greatest gift He gave to humanity. The Lord's revelations provided keen insight into how He views relationships and His expectations of how Johnie should approach them. The first revelation or divine insight Johnie

discusses in his book reveals the significance of our connections. Life is all about relationships, and relationships are all about life. Johnie discovered that nothing in life promotes greater satisfaction than meaningful connections with family, friends, and the Lord who made life possible. As a result, Johnie chose to make his relationships a priority. Johnie's journey also provided him with a greater understanding of marriage and his role in the home. He learned that marriage isn't a contract between a man and a woman but a covenant designed to connect them in a lifelong union. Johnie is constantly reminded by the Lord that Your marriage isn't about you, it's about what you promised in your vows. Although a painful reality, the author is learning that fulfilling his promise to his wife, Rene, is the only way to make their house a home. Johnie chose to become her husband, now he chooses to fulfill his responsibilities. Johnie is convinced that life is a journey, and if he intends to enjoy the ride, vertical and horizontal connections will play a significant role. As a minister serving the Lord for 47 years and traveling around the globe, I can attest that everything rises and falls on relationships. As a minister, military officer, husband and father, Johnie Hinson's story can teach us a lifetime of lessons about

relationships that we can all learn from. I highly recommend this book to you. Rev. Dr. Paul Ai

Rediscover the Power Within Ruchi, 2022-01-11 You are not living the life you wanted to live? Do you often feel “stuck” in your life? Are you unable to make changes in your life? We often look outside ourselves for the solutions to these problems. But the solutions lie within us. This book on positive thinking teaches us to believe in ourselves and to take control of our lives by changing our attitude. It describes how each of us shape the events around us and create our own lives of abundance. • Break old patterns and destroy limiting beliefs Condition yourself mentally, emotionally, and physically

to create staggering results • Have more confidence and self-esteem • Develop new communication skills • Generate more passion and enthusiasm • Become aware of the higher purpose of your life • Discover what drives you and what holds you back With this book, I would like to convey my thoughts and emotions. As a common individual who has certain desires and keeps on struggling with life to fulfill those desires, I have recently gained the courage to write my book which has helped me analyse the power within myself and the universe. I want to thank God and my family who have always been beside me, encouraged me to step forward even if I fall.

Rediscover the Hidden New Jersey Russell Roberts, 2015-03-20 Did you know—that a New Jerseyan was the first president of the United States?—that New Jersey was the site of the first organized college football game?—that New Jersey was the location of one of the most devastating espionage attacks of World War I?—that the heroics of a New Jersey woman saved thousands of people from dying of yellow fever?—that one of the first American folk heroes lived in New Jersey—and jumped off waterfalls? These and other fascinating stories can be found in the newly updated

Rediscover the Hidden New Jersey, a treasury of New Jersey stories that celebrate the unique heritage and importance of the Garden State. Russell Roberts has scoured New Jersey, from High Point to Cape May, to bring readers a delightful potpourri of facts, essays, lists, photos, stories, and legends about New Jersey. Readers will learn how New Jersey used to be the center of the motion picture universe, the origin of the Jersey Devil and other popular tall tales, where Norman Mailer and Abbot & Costello were born, where Aaron Burr and Leo, the M-G-M lion, lie buried, and much more. Learn about the geology of New Jersey, find out about the state's ever-changing weather, and how New Jersey was chosen for the famous (or infamous) War of the Worlds radio broadcast that panicked the nation. All this and more is in Rediscover the Hidden New Jersey, the ultimate New Jersey book. This revised edition contains new sections on Lawnside, the Morris Canal, Albert Einstein in Princeton, The Bordentown Manual Training School, Rockefeller/Ocean County Park, the bicycle railroad, Morro Castle, Alice Paul, and more.

The Cold Therapy Code: Rediscover Your Vitality Through Cold Exposure James H

Smart,2022-06-20 Maintain peak physical and mental performance so you can make the most of your day, every day. Tiredness. Pain. Stress. They affect your productivity. They rob you of precious time with your loved ones or your hobbies. They decrease the quality of your life. Could you imagine what it's like to be free of these complaints more often than not? You'll walk into the office with a spring in your step and deliver top-notch work. Then, you'll get together with friends or do personal projects for hours. You'll sleep soundly through the night, and you'll wake up full of enthusiasm in the morning, ready to do it all again. The good news is, you don't have to resign yourself to merely imagining these outcomes. Nowadays there are several methods that promise to help you bring about such ideal conditions. But what you have here right now is a surprising solution that's truly worth getting into. Not just because of its distinctive approach, but also because of its wide-ranging benefits. In The Cold Therapy Code, you will discover: - How to harness the unique advantages of cold exposure therapy to gain optimum health - How to rejuvenate and strengthen your body through natural, inexpensive methods – while greatly increasing your mental fortitude at the same time - Cryotherapy demystified,

so you can get the science down without any confusion - How to ease into cold exposure, although you may be scared to even take a cold shower - The difference between acute and chronic stress, and why stress is not always bad - Special gear and techniques to take your cold exposure experience to the next level - How to maintain your health gains for the long-term by developing the right habits - Reliable advice to help you maximize results and avoid risks when engaging in cryotherapy And much more. It's not entirely inaccurate when people say you should keep out of the cold. That's because prolonged exposure to extremely cold temperatures can lead to dangerous conditions like hypothermia. There's an important distinction, however – in cryotherapy, you only need to expose yourself to extreme cold for short periods of time. As you become more adept, it may be tempting to do more than you did the last time, but always remember that too much of anything can be greatly detrimental. That said, cold exposure and cryotherapy may well be the secret you've been waiting to discover for achieving long-lasting health.
