Final Rounds James Dodson,2017-10-24 James Dodson always felt closest to his father while they were on the links. So it seemed only appropriate when his father learned he had two months to live that they would set off on the golf journey of their dreams to play the most famous courses in the world. Final Rounds takes us to the historic courses of Royal Lytham and Royal Birkdale, to the windswept undulations of Carnoustie, where Hogan played peerlessly in '53, and the legendary St. Andrews, whose hallowed course reveals something of the eternal secret of the game's mysterious allure over pros and hackers alike. Throughout their poignant journey, the Dodsons humorously reminisce and reaffirm their love for each other, as the younger Dodson finds out what it means to have his father also be his best friend. Final Rounds is a book never to be forgotten, a book about fathers and sons, long-held secrets, and the lessons a middle-aged man can still learn from his dad about life, love, and family. Final Rounds is a tribute to a very special game and the fathers and sons who make it so.

Autumn Rounds Jacques Poulin,2021-11-16 A heartfelt masterpiece about the joys of travel, reading, and companionship. In rural Canada, dotted along the coast of a vast mauve river, live villagers of different stripes: a recently divorced hydroplane pilot, a factory-worker who closely resembles her fisherman husband, a probing motorcyclist with a pet St. Bernard, a pair of beautiful blonde joggers, and other curious characters. For all their differences, each is brought together by a soft-spoken man, referred to only as “the Driver,” who travels up and down the coast each season, delivering books to areas not served by libraries and listening closely to the villager’s tales and to their woes. This summer tour is bound to be different than all the rest. The Driver has made friends with a traveling band of musicians, jugglers, artists, and acrobats who decide to come along for a ride that the Driver has privately decided will be his last. Jacques Poulin’s compassionate prose delves into the hidden pains of aging and loss without losing sight of the tremendous joy that can be found in making the world a little more livable for other people.

Mr. Postmouse Takes a Trip Marianne Dubuc,2017-04-04 Mr. Postmouse and his family are going on vacation! Of course, he’ll need to bring along a few parcels. After all, “a postmouse’s rounds are never done!” Traveling by hot-air balloon, cruise ship and even by camel, the intrepid mouse family treks around the world, from the forest to the sea, the desert to the ice field, finding adventure, new discoveries and animal friends at every stop. And all along the way, Mr. Postmouse never misses a delivery! Kids will want to pack their bags and tag along. They’ve never seen a vacation quite like this one!

Instructional Rounds in Education Elizabeth A. City,2009 Instructional Rounds in Education is intended to help education leaders and practitioners develop a shared understanding of what high-quality instruction looks like and what schools and districts need to do to support it. Walk into any school in America and you will see adults who care deeply about their students and are doing the best they can every day to help students learn. But you will also see a high degree of variability among classrooms--much higher than in most other industrialized countries. Today we are asking schools to do something they have never done before--educate all students to high levels--yet we don't know how to do that in every classroom for every child. Inspired by the medical-rounds model used by physicians, the authors have pioneered a new form of professional learning known as instructional rounds networks. Through this process, educators develop a shared practice of observing, discussing, and analyzing learning and teaching.

Rounds for Everyone Salli Terri,1999-11-22 A collection of rounds in Unison voicing, arranged by Salli Terri.

Death Rounds Peter Clement,2010-09-15 Dr. Earl Garnet encounters a deadly bacteria at University Hospital—one that is killing victims who are in some way connected. A nurse dies horrifically and Dr. Garnet’s own wife is gravely ill. While the surrounding community panics, the staff is quarantined—most likely with the sociopath who has masterminded the super-resistant strain and who promises to infect fifty more people immediately. Medical Thriller by Peter Clement; originally published by Fawcett

Agriculture in the Uruguay Round R.C. Hine,K.A. Ingersent,A.J. Rayner,1993-11-26 Agriculture was a major item on the agenda of the Uruguay Round of multilateral trade negotiations under the auspices of the General Agreement on Tariffs and Trade (GATT), launched in 1986. In this specially commissioned volume the national positions on agriculture taken up by the major players during the course of these negotiations are set out and analysed, country by country, by a team of internationally renowned experts. The editors have selected and ordered the studies to provide a coherent assessment and synthesis of the main issues and areas of controversy raised by the negotiations. Examination of the reasons for the holding of different national perspectives on the issue of agricultural policy and trade reform helps to explain why reaching international agreement in this area of the GATT negotiations has been so elusive.

Round Joyce Sidman,2017-03-07 If you look closely, you will find that the world is bursting, swelling, budding, and ripening with round things awaiting discovery—like eggs about to hatch, sunflowers stretching toward the sun, or planets slowly spinning together for billions of years. Whimsical and imaginative, this poetic ode to all that is round and full of wonder by the Newbery Honor–winning author and poet Joyce Sidman, with illustrations by the two-time New York Best Illustrated Book award recipient Taeun Yoo, inspires curiosity and wonder for this (round) little earth we call home.

ECG Rounds Thomas S. Metkus, Jr.,2013-10-16 Written to be the go-to resource for residents and students on cardiology rotation, ECG Rounds replicates the experience of having a master clinician rounding with you--skillfully linking ECG abnormalities to a particular case. The author presents a set of tracings, which when taken together, demonstrate most of the abnormalities that a generalist physician trainee should be familiar with. Each tracing is followed by clinical questions and fully explained answers designed to reinforce important electrocardiographic concepts. Rather than encouraging you to memorize endless facts, ECG Rounds focuses on practical interpretation based on reasoning and process. The design allows you to choose tracings by level of difficulty, teaching topic, or sequentially as presented in the book.

There Heather Rounds,2013-10-29 There follows a young American journalist working in the capital city of the northern Kurdish region of Iraq, a land verging on economic boom, but never far from a violent past. A cross-genre work that most closely resembles a novel, the story is at once driven and diverted by the young reporter’s struggles to negotiate her own uncertainties in a strange land — observing, participating, and retreating daily from the people and events surrounding her. Assigned reports that the newspaper bosses deem fit for an inexperienced female foreigner, she ultimately turns to writing her own story, relayed with careful attention to the intricacies of language — rhythm, acoustics, and repletion. What she discovers is that her own in-betweenness is only amplified in this foreign place, that the tension between ancient customs and contemporary conflicts somehow provides a familiar backdrop for her own attempts to relate to the people back home who, confused by her choice to travel to a dangerous place, ask, “why go there?”

Round Is a Tortilla Roseanne Greenfield Thong,2014-02-25 In this lively picture book, children discover a world of shapes all around them: rectangles are ice-cream carts and stone metates, triangles are slices of watermelon and quesadillas. Many of the featured objects are Latino in origin, and all are universal in appeal. With rich, boisterous illustrations, a fun-to-read rhyming text, and an informative glossary, this playful concept book will reinforce the shapes found in every child's day! Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

Making Rounds with Oscar David Dosa,2010-02-02 A remarkable cat. A life-changing story. Making Rounds with Oscar: The Extraordinary Gift of an Ordinary Cat is the story of a doctor who, at first, doesn't always listen; of the patients he serves; of their caregivers; and, most importantly, of a cat who teaches by example, embracing moments of life that so many of us shy away from. Oscar has much to teach us about empathy and courage. I couldn't put it down. -- Sara Gruen, author of Water for Elephants This book is a must-read. Truly, this is a story that needs to be told. --Fresh Fiction You'll be moved. --People This

touching and engaging book is a must-read for more than just cat lovers; anyone who enjoys a well-written and compelling story will find much to admire in its unlikely hero. --Publishers Weekly [The] book, both touching and humorous, isn't just about Oscar. It's about listening and letting go. --USA Today

The 12 Greatest Rounds of Boxing Ferdie Pacheco,2004 Boxing's clolourful history is filled with chapters of high drama and simmering controversy. Many boxing fans are familiar with the outcome of the most memorable bouts, but few know the secrets surrounding them. In 'The 12 Greatest Rounds of Boxing', Ferdie Pacheco not only selects the dozen best rounds ever fought, but reveals what went on behind the scenes at these fights, from chicanery and Mob influence to romantic liaisons and the zaniness that seems to go hand in glove with boxing. Did Muhammad Ali's 1965 'Phantom Punch' really knock out Sonny Litson, or was Sonny simply too scared to get off the canvas? With World War II looming, was German heavyweight champoin warned by Adolf Hitler to beat Joe Louis - or else? Did Jack Dempsey have something illegal in his glove when he battered Jess Willard into bloody submission in 1919? The fascinating behind the scenes stories are related by Pacheco and a renowned grup of boxing experts, offering an intimate glimpse of boxing inimitable characters and the often bizarre world they inhabit.

Round Book Margaret Read MacDonald,Winifred Jaeger,1999-04-01 The ultimate audience participation game, icebreaker, friend-maker, laugh-causer, and warmth-giver, the ancient art of round singing is ancient precisely because it is so pleasing to so many. From the ones everybody knows (Sweetly Sings the Donkey) to campers' specials (London's Burning) to several lovely old rounds from long ago and far away, the eighty rounds here range from the simple to the challenging, with clear notations for their best use.

Loring and Rounds Jr. Charles E. Rounds,Charles E. Rounds,2022-01-31 Loring and Rounds: A Trustee's Handbook (2022) is an invaluable practical resource that addresses the rights, duties, and obligations of the parties once the trustee takes title to trust property. This Handbook steers you through this complex field, providing property owners with a mechanism for seeing to the needs of beneficiaries in cost-effective, creative, efficient, and flexible ways. Loring and Rounds: A Trustee's Handbook (2022) is a handy, ready reference, and a gateway to the treatises, restatements, law review articles, uniform statutes, and cases you need to know. This fully integrated and bound volume of the Handbook brings you up to date on the latest cases, statutes, and developments, as well as new or updated discussion of topics as follow: The Handbook continues the lengthy process of pruning some of the deadwood; significant exposition has been cut, revised, or combined. In sum, the Handbook is now even leaner, meaner, and more usable than ever. In addition, numerous new cases and secondary sources have been added. These include the following: In the 2022 Edition, there are 91 judicial-decision references and 186 footnotes that were not in the 2021 Edition. Forty pre-existing footnotes have been revised along with their accompanying texts. There has been a major across-the-board expansion, re-organization, renovation, consolidation, coordination, and updating of the content devoted to the intersection of trust law and constitutional (U.S.) law. We have, for example, opened up a whole new section devoted entirely to relevant taking and due process jurisprudence. See §5.3.1A and its sub-sections. The Handbook's treatment of the Domestic Asset Protection Trust (DAPT) has been beefed up and consolidated in §9.28. While the Handbook has had much to say about the equitable doctrine of unclean hands as it pertains to trustee conduct, there has been little on its applicability to beneficiary conduct. This oversight has been corrected. See §§ 5.5 & 7.1.9. All this, and much more is included in the 2022 Edition of the Handbook.

Night Rounds Helene Tursten,2012-02-14 The fourth investigation in the nationaly bestselling Swedish detective series Irene Huss is a former jujitsu champion, a mother of twin teenage girls, the wife of a successful chef, and a Detective Inspector in the Violent Crimes Unit in Göteborg, Sweden. And now she's back in the gripping follow-up to Detective Inspector Huss. One nurse lies dead and another vanishes after a local hospital is hit by a blackout. The only witness claims to have seen Nurse Tekla doing her rounds, but Nurse Tekla died sixty years ago. Irene Huss has the challenge of disentangling wandering ghosts and complex human relationships to get to the bottom of this intriguing case.
