The Studio SOS Book Paul White,Hugh Robjohns,Dave Lockwood,2013-05-29 Professional studio design is a specialized science, with more than a touch of black magic thrown in. Over the past few years, Sound on Sound magazine has made one trip each month to a reader's studio. These visits have demonstrated that it is fairly simple to make a huge improvement to an untreated project-studio room, without spending a fortune. However, they've also proven that beginners' attempts at DIY acoustic treatments often cause more problems than they solve. Utilizing knowledge from dozens of visits to readers' home and project studios, the SOS team imparts easy-to-understand, organized troubleshooting advice. Learn how to rid yourself of monitoring problems and get an accurate monitoring system, how to enhance the sound of your recording space, and how to perfect your instrumental and vocal recordings. Decrease the time you spend re-recording and mixing, simply by improving your room with advice from the guys who have seen it all when it comes to make-do small studios. Contains: A structured look at the problems that most often plague small studios, with individual studio case studies addressing each issue Real solutions that you can both afford and implement; no thousand-dollar investments or idealized studio designs that don't work with your space! Case studies that look at small studios' specific problems, with additional break-outs tips that address quick fixes to common problems

S. O. S. : Society of Substitutes #1: the Great Escape Alan Katz,2021-01-05 If there's a problem in school, there's no substitute for the world-saving substitute teachers of the S.O.S.! This is the first book of this hilarious, highly illustrated early chapter book series. When Milton Worthy learns his classroom's pet ferret is the evil mastermind behind a dastardly plot for world domination, it's more than just about any kid could handle. But then not every kid is the son of a member of the super-secret, super-awesome Society of Substitutes! Now it's up to Milton and his substitute teacher mom to save Beacher Elementary School before time runs out. HarperChapters build confident readers one chapter at a time! With short, fast-paced books, art on every page, and milestone markers at the end of every chapter, they're the perfect next step for fans of I Can Read!

SOS Nicaragua Ryan W. N.,H. Hoffman,Carlos Luna,Evan Daus,2018-12-22 On the 18th of April, 2018 everything changed in Nicaragua. Daniel Ortega's government used police and paramilitary forces to attack and kill civilians who were peacefully protesting changes to the nation's social security system. Following these initial attacks, civil unrest and government repression ravaged the country, killing hundreds. This collection of short stories and poems introduces Nicaraguan culture and illustrates the humanitarian crisis from multiple perspectives. The world needs to know what is happening in Nicaragua. All profits from the sale of this book will be donated to aid Nicaraguan refugees and their families. This crisis cannot be ignored. It will not be forgotten.

SOS Titanic Eve Bunting,1996-04-01 This tale of an Irish teenager aboard the doomed ship, from a Caldecott Medal winner, is a "taut disaster story . . . nearly impossible to put down" (Publishers Weekly). Fifteen-year-old Barry O'Neill is journeying to New York to reunite with his parents on the maiden voyage of the great ship Titanic. He's homesick, and worried about the Flynn boys traveling in steerage, who have threatened to throw him overboard. Little does Barry know that a struggle with the Flynns is the least of the dangers that await him. This "fast-paced" and suspenseful young adult adventure story is based on the true and terrible events that occurred as the Titanic sank, and "immerses readers in the many human tragedies" (Booklist).

The Billionaire's Baby SOS Susan Meier,2013-02-05 Successful CEO Matt Patterson isn't called the Ice Man for nothing. He's built up his multibillion-dollar company through cool decision-making and a ruthless reputation. But now he has a new challenge to face-- fatherhood! Finding himself guardian to gorgeous baby Bella, Matt's more comfortable in the boardroom than changing a diaper. Lucky, then, that social worker Claire

Kincaid agrees to play temporary mom. Happy families might never have been in Matt's plans, but Claire and little Bella are opening his eyes to a life that money could never buy.--P. [4] of cover.

S.O.S. Social Skills in Our Schools Michelle A. Dunn,2006 Forming healthy, solid relationships with their typical peers is a major challenge for most children with autism spectrum disorders. This comprehensive social skills curriculum has the dual purpose of helping educators develop appropriate social skills in children with pervasive developmental disorders while also fostering understanding and tolerance among typical peers and school staff. The curriculum includes built-in booster lessons, so the child receives multiple presentations of the material, thus reinforcing the lesson for better understanding and generalization.

Moment-sos Hierarchy, The: Lectures In Probability, Statistics, Computational Geometry, Control And Nonlinear Pdes Didier Henrion,Milan Korda,Jean Bernard Lasserre,2020-11-04 The Moment-SOS hierarchy is a powerful methodology that is used to solve the Generalized Moment Problem (GMP) where the list of applications in various areas of Science and Engineering is almost endless. Initially designed for solving polynomial optimization problems (the simplest example of the GMP), it applies to solving any instance of the GMP whose description only involves semi-algebraic functions and sets. It consists of solving a sequence (a hierarchy) of convex relaxations of the initial problem, and each convex relaxation is a semidefinite program whose size increases in the hierarchy.The goal of this book is to describe in a unified and detailed manner how this methodology applies to solving various problems in different areas ranging from Optimization, Probability, Statistics, Signal Processing, Computational Geometry, Control, Optimal Control and Analysis of a certain class of nonlinear PDEs. For each application, this unconventional methodology differs from traditional approaches and provides an unusual viewpoint. Each chapter is devoted to a particular application, where the methodology is thoroughly described and illustrated on some appropriate examples.The exposition is kept at an appropriate level of detail to aid the different levels of readers not necessarily familiar with these tools, to better know and understand this methodology.

Home SOS Katherine Brickell,2020-05-21 Drawing on 15 years of fieldwork and over 300 interviews, Home SOS argues that the home is central to the violence and gendered contingency of existence in crisis ordinary Cambodia. Provides an original book-length study which brings domestic violence and forced eviction into twin view Offers relational insights between different violences to build an integrated understanding of women's experiences of home life Mobilises the crisis ordinary as a critical pedagogy and imaginary through which to understand everyday gendered politics of survival Positions domestic violence and forced eviction as manifestations of intimate war against women's homes and bodies located inside and outside of the traditional purview of war Reaffirms and reprioritises the home as a political entity which is foundational to the concerns of human geography
