

Salvation

Jan G. van der Watt

Salvation Peter F. Hamilton, 2018-09-04

Humanity's complex relationship with technology spirals out of control in this first book of an all-new series from "the owner of the most powerful imagination in science fiction" (Ken Follett). "How far 'space opera' has come! The Old Masters of sci-fi would admire the scope and sweep of Salvation."—The Wall Street Journal In the year 2204, humanity is expanding into the wider galaxy in leaps and bounds. Cutting-edge technology of linked jump gates has rendered most forms of transportation—including starships—virtually obsolete. Every place on Earth, every distant planet humankind has settled, is now merely a step away from any other. All seems wonderful—until a crashed alien spaceship of unknown origin is found on a newly located world eighty-nine light-years from Earth, carrying a cargo as strange as it is horrifying. To assess the potential of the threat, a high-powered team is dispatched to investigate. But one of them may not be all they seem. . . . Bursting with tension and big ideas, Peter F. Hamilton's Salvation is the first book of an all-new series that highlights the inventiveness of an author at the top of his game. Praise for Salvation "[A] vast, intricate sci-fi showstopper . . . The journey grips just as hard as the reveal."—Daily Mail (U.K.) "Exciting, wildly imaginative and quite possibly Hamilton's best book to date."—SFX "Dynamic, multifaceted characters, strong mind-expanding concepts, and impressive flair for language [make Salvation a] rare celestial event. . . . One of Britain's

bestselling sci-fi authors has launched an addictive new book as the initial stage of what is sure to be an intriguing new series called the Salvation Sequence.”—SyFyWire “Peter Hamilton just keeps getting better and better with each book, more assured and more craftsmanly adroit, and more inventive. [Salvation is] a bravura performance from start to finish. . . . Hamilton is juggling chainsaws while simultaneously doing needlepoint over a shark tank. It’s a virtuoso treat, and I for one can hardly wait for Salvation Lost.”—Paul Di Filippo, Locus “Peter F. Hamilton is known as one of the world’s greatest sci-fi writers for a reason. . . . Salvation is well worth the effort and a great introduction to some good old-fashioned space opera.”—Fantasy Book Review

Salvation for All Gerald O'Collins, 2008-03-21

This book examines in depth and at length what the Old Testament and the New Testament hold about the salvation of God's 'other peoples'. The Bible repeatedly witnesses to the universal scope of the divine love for all human beings and the chances of salvation that are available to them. Since the Israelites experienced for many centuries, both at home and abroad, the religion and culture of numerous other peoples, the Old Testament texts have much to say, both positively and negatively, about the religious prospects and destiny of these peoples. In its second half this book scrutinizes what Jesus, the evangelists, Paul and the Letter to the Hebrews indicate about God's loving designs for all human beings. At the end, the book breaks new ground by developing the universal presence of the risen Jesus (along with the Holy Spirit) and

his role as universal Wisdom, and the full teaching of the Letter to the Hebrews on the possibility of faith for all people.

Salvation ,1899

Salvation in the New Testament Jan G. van der Watt,2005-11-01 *Salvation in the New Testament* offers an analysis of the soteriological perspectives and language of the different books of the New Testament. Special attention is given to the exciting world of language and imagery used in expressing soteriological ideas.

Salvation: Present, Full and Free Cheyne Brady,1883

Jesus Our Redeemer Gerald O'Collins,2007-01-11 *Jesus Our Redeemer* examines what it means when Christians call Jesus their 'Redeemer' or 'Saviour'. It tackles such questions as: How can redemptive events in the past (Christ's life, death, and resurrection) bring about saving effects in the present? Why do human beings need redemption, both individually and collectively? What images of God are implied by the saving action of God and by human needs? Gerald O'Collins SJ draws on the scriptures, Christian hymns and texts for worship, literature, the visual arts, and other sources. He examines four major models of how redemption through Christ has been thought to work: theories of deliverance, penal substitution, sacrifice, and transforming love. He concludes by considering the outworking of salvation in the life of the Church, the situation of non-Christians, and the final consummation of human life and the created world at the end of time.

Salvation Lost Peter F. Hamilton, 2019-10-29 All the best in humanity rises to meet a powerful alien threat in the sequel to Salvation—part of an all-new trilogy from “the owner of the most powerful imagination in science fiction” (Ken Follett). The comparative utopia of twenty-third-century Earth is about to go dreadfully awry when a seemingly benign alien race is abruptly revealed to be one of the worst threats humanity has ever faced. Driven by an intense religious extremism, the Olyix are determined to bring everyone to their version of God as they see it. But they may have met their match in humanity, who are not about to go gently into that good night or spend the rest of their days cowering in hiding. As human ingenuity and determination rise to the challenge, collective humanity has only one goal—to wipe this apparently undefeatable enemy from the face of creation. Even if it means playing a ridiculously long game indeed. But in a chaotic universe, it is hard to plan for every eventuality, and it is always darkest before the dawn.

Jesus Our Salvation Christopher McMahon, 2007 Jesus Our Salvation: An Introduction to Christology is an innovative text designed with the introductory student in mind. The text is written in an engaging style and is enhanced by pedagogical elements which make the complex material accessible to the student reader. Jesus Our Salvation is both sensitive to the challenges of contemporary Christology and well grounded in Catholic identity. The book maintains a positive, though critical, dialogue with many voices in the

Christian tradition including those of the classical tradition, historical Jesus research, the evangelical tradition, and contemporary theological thought. It addresses important issues of today such as Christology's capacity to promote social transformation and the questions that are raised about Jesus from the perspective of religious pluralism.

Totally Saved Tony Evans, 2008-09-01 In his well known hard-hitting style, Tony Evans challenges readers to gain a deeper appreciation of their salvation by comprehending how sin offends and separates us from the Holy One. Get prepared to have your gratitude for salvation 'totally' deepened and your walk with Christ 'totally' transformed.

What You Need to Know About Salvation in 12 Lessons Max Anders, 1998-02-28 Christianity begins with the bad news that all are spiritually lost and then announces the good news that Jesus saves those who trust Him. *What You Need to Know About Salvation* explores the provision of salvation in Jesus Christ, its application today through the Holy Spirit, and its consummation at the Second Coming.

One with Christ Marcus Peter Johnson, 2013 Foundational to believers' salvation is their union with Christ. In this accessible introduction, Johnson argues that this neglected doctrine is the lens through which all other facets of salvation should be understood.

Defining Salvation in the Context of Black Theology James T. Murphy, Jr., 2012-08 An initial introduction to the study of Christian theology is both exciting and invigorating for students of its discipline. One can become enameled in the classic perspectives of theology without any consideration of a possible alternative. Defining Salvation in the Context of Black Theology is an exit from the classic conviction that trumpets the doctrine of soteriology attributing its substance to the posture of eternity while ignoring the importance of salvation in the existential. Careful not to reject the question of eternal life, but examining the nuances of the term salvation empowers this work to present the like manner essential that having salvation is just as much about now than it is in the here after.

Understanding the Gift of Salvation Irpeel
Ebenezer, 2012-03-01 What exactly did Jesus Christ save us from other than hell fire? That was the question a somewhat frustrated friend asked while going through a difficult period in his life. Many Christians have asked similar questions or wondered why the Christian life in reality is so different from what is usually professed. This book is a true seeker's manual on the Gift of Salvation. It is for those who are not satisfied with only doctrines and creeds handed down by parents or pastors. It is for those willing to

build on what they've learnt, dig deeper and find out the fullness of what God in His mercy gave to mankind in Jesus Christ. It not a book to rush or breeze through, like the Berean Christians, readers are encouraged to carefully study the Scripture references and dig out the truth for themselves. The promise of God is: You will seek Me and find Me, when you seek Me with all your heart.

The Gift of Salvation Antonio N.

Sherman, 2012-05-22 Salvation, what is it? Who needs it? Who all can have it? How do you get it? What is my assurance of it and that I truly have it? What is your assurance of your salvation? To put it simply, Gods Word is our assurance! His infallible Word, his unchanging Word. Its not a feeling. I have ministered to and have heard so many people say this. I dont feel saved. I am talking about those that say that they are Christian and have accepted Christ. And that is another reason for this book, to help these people to understand salvation. And to help those to understand salvation and to receive Jesus Christ as personal Lord and Savior. Let me share this experience with you. To help you understand your assurance of your salvation. And let no one or nothing shake or doubt your salvation, including yourself. Pray and walk through these chapters with me and find the answers to all these questions and more. *What Is Salvation? *No Other Name *Without Faith *Believe or Not! *The Seal, the Promise, and Your Guarantee *The Gift
