

Season

Christina Clancy

Fever Season Barbara Hambly, 1999-05-04 Benjamin January made his debut in bestselling author Barbara Hambly's *A Free Man of Color*, a haunting mélange of history and mystery. Now he returns in another novel of greed, madness, and murder amid the dark shadows and dazzling society of old New Orleans, named a Notable Book of the Year by the New York Times. The summer of 1833 has been one of brazen heat and brutal pestilence, as the city is stalked by Bronze John—the popular name for the deadly yellow fever epidemic that tests the healing skills of doctor and voodoo alike. Even as Benjamin January tends the dying at Charity Hospital during the steaming nights, he continues his work as a music teacher during the day. When he is asked to pass a message from a runaway slave to the servant of one of his students, January finds himself swept into a tempest of lies, greed, and murder that rivals the storms battering New Orleans. And to find the truth he must risk his freedom...and his very life.

The Bone Season Samantha Shannon, 2023-08-22 THE TENTH ANNIVERSARY SPECIAL EDITION, FULLY UPDATED WITH NEW MATERIAL A lavishly reimagined tenth anniversary edition of the first novel in the sensational *Bone Season* series, by the Sunday Times and New York Times-bestselling author of *The Priory of the Orange Tree*. 'A fabulous, epic fantasy thriller ... Lavish, ebullient, escapist' The Times

Welcome to Scion. No safer place. The year is 2059. For two centuries, the Republic of Scion has led an oppressive campaign against unnaturalness in Europe. In London, Paige Mahoney holds a high rank in the criminal underworld. The right hand of the ruthless

White Binder, Paige is a dreamwalker, a rare and formidable kind of clairvoyant. Under Scion law, she commits treason simply by breathing. When Paige is arrested for murder, she meets the mysterious founders of Scion, who have designs on her uncommon abilities. If she is to survive and escape, Paige must use every skill at her disposal – and put her trust in someone who ought to be her enemy. The Bone Season 10th Anniversary Edition ranked #6 in Sunday Times bestseller chart week ending 03/09/2023

The Driest Season Meghan Kenny, 2018 A raw, compelling family saga set in Wisconsin farm country during World War II.

Hurricane Season Fernanda Melchor, 2020-10-06 The English-language debut of one of the most thrilling and accomplished young Mexican writers Winner of the Queen Sofía Spanish Institute's Translation Prize Longlisted for the National Book Award Shortlisted for the Booker Prize Winner of the Internationaler Literaturpreis New York Public Library Best Books of 2020 Chicago Public Library Best Book of 2020 The Witch is dead. And the discovery of her corpse has the whole village investigating the murder. As the novel unfolds in a dazzling linguistic torrent, with each unreliable narrator lingering on new details, new acts of depravity or brutality, Melchor extracts some tiny shred of humanity from these characters—innies whom most people would write off as irredeemable—forming a lasting portrait of a damned Mexican village. Like Roberto Bolaño's 2666 or Faulkner's novels, Hurricane Season takes place in a world saturated with mythology and violence—real violence, the kind that seeps into the soil, poisoning everything around: it's a world that becomes more and more terrifying the deeper you explore it.

What is a Season? Lisa Schnell, 2018-07-01 The Earth has four seasons. Find out what causes fall, winter, spring, and summer. Paired

to the fiction title Kindergarten Seasons.

Our Seasons Grace Lin, Ranida McKneally, 2006 An introduction to seasons.

Seasons Blexbolex, 2010 A beautifully atmospheric look at the world through simple words and illustrations which slowly build a poignant picture of the way we live. Through objects, places and actions, the world is revealed as both permanent and ever-changing. Seasons will appeal to children, adults, designers, art-lovers... 'At first glance, this is a beautiful art book reminiscent of the children's book illustration of the 1960s. 'The most striking thing about it for me is that it forces you to slow down and to reflect on the associations within, which are not always immediately obvious. When you read the book as a whole, you really do get the sense that the world is both changing and unchanging. It's a meditation. The more times you read this book, the more you get out of it.' - Julia Marshall, publisher

Flight Season Marie Marquardt, 2018-02-20 From Marie Marquardt, the author of *Dream Things True* and *The Radius of Us*, comes a story of two teenagers learning what to hold on to, what to let go of, and that sometimes love gets in the way of our plans. Back when they were still strangers, TJ Carvalho witnessed the only moment in Vivi Flannigan's life when she lost control entirely. Now, TJ can't seem to erase that moment from his mind, no matter how hard he tries. Vivi doesn't remember any of it, but she's determined to leave it far behind. And she will. But when Vivi returns home from her first year away at college, her big plans and TJ's ambition to become a nurse land them both on the heart ward of a university hospital, facing them with a long and painful summer together – three months of glorified babysitting for Ángel, the problem patient on the hall. Sure, Ángel may be suffering from a life-threatening

heart infection, but that doesn't make him any less of a pain. As it turns out, though, Ángel Solís has a thing or two to teach them about all those big plans, and the incredible moments when love gets in their way. Written in alternating first person from the perspectives of all three characters, *Flight Season* is a story about discovering what's really worth holding onto, learning how to let go of the rest, and that one crazy summer that changes your life forever.

A Season to Bee Carlos Aponte, 2019 Previously published in hardcover in 20174 by Price Stern Sloan.

Season of Wonder RaeAnne Thayne, 2018-09-25 The Perfect Holiday Read! It's a long way from New York to Idaho...but could they have found a home at last? Dani Capelli has never truly belonged anywhere. And from her earliest days as a foster child in Queens, she would have been lost if it weren't for her love of animals. Until high school, when she fell hard for the wrong boy, and found herself pregnant—and married—by graduation. Two daughters later, Dani realized her mistake and filed for divorce, and with the help of scholarships and loans—and a lot of macaroni and cheese dinners—she enrolled in vet school. Things were finally looking up...until her ex-husband became her late husband, in the most notorious way possible. Now Dani and her daughters need an out-of-town pass more than ever. So when the retiring Haven Point veterinarian offers her a chance to settle in the small Idaho town and take over his practice, she jumps at it. But adjusting to the charming mountain community isn't easy; thirteen-year-old Silver begins acting out while six-year-old Mia is growing too attached to Haven Point and everything in it, especially their next-door-neighbor, Deputy Sheriff Ruben Morales. And Dani can't blame her. Ruben is everything she's secretly wanted—and everything she can't bear to risk loving...and losing. As

the holidays draw near, their shared concern for Dani's daughters brings them closer together, giving Ruben the chance to show this big-city woman just how magical Christmas in Haven Point can be...and that the promise of a home at last is very real in the most wondrous season of the year... Don't miss Christmas at the Shelter Inn, New York Times bestselling author RaeAnne Thayne's latest charming story about two sisters coming together and finding hope one magical Christmas, years after tragedy and loss tore their family apart. Other heartwarming reads from RaeAnne Thayne: All is Bright Sleigh Bells Ring Christmas in Snowflake Canyon Snow Angel Cove (Hope's Crossing Series) Snowfall on Haven Point (Haven Point Series) Coming Home for Christmas (Haven Point Series) Cafe at Beach End Summer at the Cape The Sea Glass Cottage The Path to Sunshine Cove The Cliff House

Every Season Anne Love Woodhull, 2007-04-17 Presents a portrait of nature through the seasons of the year.

Shoulder Season Christina Clancy, 2021-07-06 Named a Best Book of Summer by Good Morning America • CNN • Parade • EW • Travel & Leisure • PopSugar • New York Post • BuzzFeed • Brit & Co • SheReads • Women.com A dazzling portrait of a young woman coming into her own, the youthful allure of sex, drugs, and rock and roll, and what we lose—and gain—when we leave home. ONCE IN A LIFETIME, YOU CAN HAVE THE TIME OF YOUR LIFE The small town of Lake Geneva, Wisconsin is an unlikely location for a Playboy Resort, and nineteen-year old Sherri Taylor is an unlikely bunny. Growing up in neighboring East Troy, Sherri plays the organ at the local church and has never felt comfortable in her own skin. But when her parents die in quick succession, she leaves the only home she's ever known for the chance to be part of a glamorous slice

of history. In the winter of 1981, in a costume two sizes too small, her toes pinched by stilettos, Sherri joins the daughters of dairy farmers and factory workers for the defining experience of her life. Living in the “bunny hutch”—Playboy’s version of a college dorm—Sherri gets her education in the joys of sisterhood, the thrill of financial independence, the magic of first love, and the heady effects of sex, drugs, and rock and roll. But as spring gives way to summer, Sherri finds herself caught in a romantic triangle—and the tragedy that ensues will haunt her for the next forty years. From the Midwestern prairie to the California desert, from Wisconsin lakes to the Pacific Ocean, this is a story of what happens when small town life is sprinkled with stardust, and what we lose—and gain—when we leave home. With a heroine to root for and a narrative to get lost in, Christina Clancy’s *Shoulder Season* is a sexy, evocative tale, drenched in longing and desire, that captures a fleeting moment in American history with nostalgia and heart.

Revival Season Monica West, 2022-05-03 The daughter of one of the South’s most famous Baptist preachers discovers a shocking secret about her father that puts her at odds with both her faith and her family in this debut novel. “Spellbinding...*Revival Season* should be read alongside Alice Walker’s *The Color Purple* and Chimamanda Ngozi Adichie’s *Purple Hibiscus*.” —The Washington Post A New York Times Book Review Editors’ Choice Every summer, fifteen-year-old Miriam Horton and her family pack themselves tight in their old minivan and travel through small southern towns for revival season: the time when Miriam’s father—one of the South’s most famous preachers—holds massive healing services for people desperate to be cured of ailments and disease. But, this summer, the revival season doesn’t go as planned, and after one service in which Reverend

Horton's healing powers are tested like never before, Miriam witnesses a shocking act of violence that shakes her belief in her father—and her faith. When the Hortons return home, Miriam's confusion only grows as she discovers she might have the power to heal—even though her father and the church have always made it clear that such power is denied to women. Over the course of the following year, Miriam must decide between her faith, her family, and her newfound power that might be able to save others, but if discovered by her father, could destroy Miriam. Celebrating both feminism and faith, *Revival Season* is a “tender and wise” (Ann Patchett) story of spiritual awakening and disillusionment in a Southern, Black, Evangelical community.

The High Season Judy Blundell, 2018-05-22 “A mesmerizing, head-spinning—and sometimes madcap-hilarious—take of have and have-nots.”—People (Book of the Week) **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE AND KIRKUS REVIEWS** • “In the smart, breezy, sweet spot between Meg Wolitzer and Elin Hilderbrand.”—Entertainment Weekly No matter what the world throws her way, at least Ruthie Beamish has the house. Located by the sea in a quiet Long Island village, the house is her nest egg—the retirement account shared with her ex-husband, Mike, and the college fund for their teenage daughter, Jem. The catch? To afford the house, Ruthie must let it go during the best part of the year. It's Memorial Day weekend and the start of what Jem calls “the summer bummer”: the family's annual exodus to make way for renters. This year, the Hamptons set has arrived. Adeline Clay is elegant and connected—and will never need to worry about money. Before long, she demonstrates an uncanny ability to help herself to Ruthie's life. Is Adeline just being her fabulous self, or is she out to take what she

wants? When an eccentric billionaire, his wayward daughter, a coterie of social climbers, and Ruthie's old flame are thrown into the mix, the entire town finds itself on the verge of tumultuous change. But as Ruthie loses her grasp on her job, her home, and her family, she discovers a new talent for pushing back. By the end of one unhinged, unforgettable summer, nothing will be the same—least of all Ruthie. Praise for *The High Season* “Blundell knows the territory. . . . Her account of Ruthie's coming to grips with a career, a daughter and a community in flux is as touching as it is convincing.”—*The Wall Street Journal* “A huge page-turner . . . so compelling . . . a classic beach read, but very smart, very intelligently written.”—*Us Weekly*, Emily Giffin's Summer Reading Recommendations “An acid-laced domestic drama set during one golden summer on the moneyed, beachy North Fork of Long Island.”—*The New York Times* “Judy Blundell wields words like an oyster knife in this shimmering story of art, money, and celebrity.”—Helen Simonson, *New York Times* bestselling author of *The Summer Before the War* “A wry, often hilarious story of a woman trying to keep it together when everything is going so, so wrong.”—*Real Simple*

Cygnets Season Butler, 2019-06-25 Winner of the Writers' Guild Award for Best First Novel An utterly original coming-of-age tale, marked by wrenching humor and staggering charisma, about a young woman resisting the savagery of adulthood in a community of the elderly rejecting the promise of youth. “Season Butler has written an imaginative, atmospheric and original novel that lingers in the memory long after reading. She is a bright new voice in literature.” —Bernardine Evaristo, Booker Prize-winning author of *Girl, Woman, Other* “It's too hot for most of the clothes I packed to come here, when I thought this would only be for a week or two. My mother kissed

me with those purple-brown lips of hers and said, we'll be back, hold tight." The seventeen-year-old Kid doesn't know where her parents are. They left her with her grandmother Lolly, promising to return soon. That was months ago. Now Lolly is dead and the Kid is alone, stranded ten miles off the coast of New Hampshire on tiny Swan Island. Unable to reach her parents and with no other relatives to turn to, she works for a neighbor, airbrushing the past by digitally retouching family photos and movies to earn enough money to survive. Surrounded by the vast ocean, the Kid's temporary home is no ordinary vacation retreat. The island is populated by an idiosyncratic group of the elderly who call themselves Wrinklies. They have left behind the youth-obsessed mainland—"the Bad Place"—to create their own alternative community, one where only the elderly are welcome. The adolescent's presence on their island oasis unnerves the Wrinklies, turning some downright hostile. They don't care if she has nowhere to go; they just want her gone. She is a reminder of all they've left behind and are determined to forget. But the Kid isn't the only problem threatening the insular community. Swan Island is eroding into the rising sea, threatening the Wrinklies' very existence there. The Kid's own house edges closer to the seaside cliffs each day. To find a way forward, she must come to terms with the realities of her life, the inevitability of loss, and an unknown future that is hers alone to embrace. Season Butler makes her literary debut with an ambitious work of bold imagination. Tough and tender, compassionate and ferocious, understated and provocative, *Cygnets* is a meditation on death and life, past and future, aging and youth, memory and forgetting, that explores what it means to find acceptance—of things gone and of those yet to come.

The Last Season Eric Blehm, 2009-10-13 Destined to become a

classic of adventure literature, *The Last Season* examines the extraordinary life of legendary backcountry ranger Randy Morgenson and his mysterious disappearance in California's unforgiving Sierra Nevada—mountains as perilous as they are beautiful. Eric Blehm's masterful work is a gripping detective story interwoven with the riveting biography of a complicated, original, and wholly fascinating man.

From Season to Season Ethan Long, 2021-10-19 *Ethan Long's From Season to Season* is the fourth book in the Happy County preschool picture book series featuring earth science and educational activities about winter, spring, summer, and fall. For readers who love Richard Scarry's *Busytown* books. Adventure awaits in another exciting trip through Happy County—where each new season packs plenty of surprises! Farmer Dell rides his tractor through the crops all summer long; Jimmy and Sammy search for Grammy Tammy in the autumn corn maze; Dolly and Molly build an igloo with the fresh winter snow; and Miss Humdiddy's flower garden buzzes with pollination when spring arrives. This primer compendium is filled with lovable characters and educational content connected to weather, geography, earth science, word identifications, as well as the concepts of shapes, patterns, telling time, and grammar—all delivered through plenty of clever scenarios to keep little ones engaged and curious. Christy Ottaviano Books

Hurricane Season Nicole Melleby, 2019-05-07 Fig, a sixth grader, wants more than anything to see the world as her father does. The once-renowned pianist, who hasn't composed a song in years and has unpredictable good and bad days, is something of a mystery to Fig. Though she's a science and math nerd, she tries taking an art class just to be closer to him, to experience life the way an artist does. But then

Fig's dad shows up at school, disoriented and desperately searching for Fig. Not only has the class not brought Fig closer to understanding him, it has brought social services to their door. Diving into books about Van Gogh to understand the madness of artists, calling on her best friend for advice, and turning to a new neighbor for support, Fig continues to try everything she can think of to understand her father, to save him from himself, and to find space in her life to discover who she is even as the walls are falling down around her. Nicole Melleby's *Hurricane Season* is a stunning debut about a girl struggling to be a kid as pressing adult concerns weigh on her. It's also about taking risks and facing danger, about love and art, and about coming of age and coming out. And more than anything else, it is a story of the healing power of love—and the limits of that power.

The Grilling Season Diane Mott Davidson, 2009-11-04 A chilly reception.... Caterer Goldy Schulz has been hired to host a hockey party. But the proceedings won't be all fun and games. Unfortunately, her client won't be satisfied until Goldy adds a hefty serving of revenge. An ex-husband from hell.... Patricia McCracken is certain that her obstetrician and her penny-pinching HMO are responsible for the loss of her baby. Now she is suing both, and she wants Goldy's advice on coming out on top. For Dr. John Richard Korman, aka the Jerk, is none other than Goldy's abusive ex-husband. Goldy knows all about John Richard's secret life--but even she is shocked when he's arrested for the murder of his latest girlfriend. A dish best served cold.... As much as Goldy would like to see her ex get his just desserts, could he really be a killer? Soon she will find herself sifting through a spicy mix of sizzling gossip for clues to a mystery that threatens her catering deadline, her relationship with her son and new husband... and even her life.

'Tis the Damn Season Kimi Freeman, 2023-10-24 Told in a dual timeline and inspired by the Taylor Swift song of the same title, *'Tis The Damn Season* is a charming new contemporary romance destined to break your heart and put it right back together. A Hollywood starlet caught in a scandal. The boy she never got over. A Christmas season they'll never forget... Aspen Moore is living proof that money doesn't buy happiness. At twenty-three years old, the singer-actress has it all. Fame. Fortune. Her own headlining tour. And yet something—or someone—is missing. When a scandal rocks Aspen's carefully constructed Hollywood life, she's forced to return to her Pennsylvania hometown, where she reconnects with her first love, Roman Torres. Aspen knows they must keep their relationship strictly platonic. This game of push and pull, catch and release she plays with Roman is bad for her. She's not staying in Fertsville, and he's not moving to LA. But their chemistry is undeniable, and amidst rumors and drama, the bright lights of Hollywood begin to pale in comparison to the dark brown eyes she fell in love with all those years ago. Could Aspen be willing to give up everything she's ever wanted for the best thing she's ever had?

Enjoying the Song of Expression: An Psychological Symphony within **Season**

In a world consumed by monitors and the ceaseless chatter of immediate interaction, the melodic splendor and mental symphony produced by the prepared term often diminish in to the backdrop, eclipsed by the constant noise and disruptions that permeate our lives. But, located within the pages of **Season** a charming literary prize

overflowing with fresh feelings, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, this fascinating masterpiece conducts readers on an emotional trip, skillfully unraveling the hidden tunes and profound impact resonating within each carefully constructed phrase. Within the depths of the poignant assessment, we shall explore the book is central harmonies, analyze its enthralling publishing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
