Billiards And Snooker Arthur Peall,2016-08-26 Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Black Farce and Cue Ball Wizards Clive Everton,2011-12-02 Throughout its chequered history, snooker has had more than its fair share of heroes and villains, champions and chumps, rascals and rip-off artists. In the last 20 years, every sleazy scandal imaginable has attached itself to this raffish sport: corruption, match fixing, bribery, sex, recreational drugs, performance-enhancing drugs, ballot rigging, fraud, theft, domestic violence, common-or-garden violence, paranoid politicking, dirty tricks - all against a background of inept petty tsars fixated on the pursuit, retention and abuse of power. In *Black Farce and Cue Ball Wizards*, Clive Everton recounts the glory and despair, the dreams and disillusion, and the treachery and greed that have characterised the game since it was invented as an innocent diversion by British Army officers in India in the nineteenth century. He tells the true and unexpurgated tale of snooker's transformation into a television success story second only to football and exposes how its potential has been shamefully squandered.

Snooker and Billiards Clive Everton,2014-09-30 Crowood Sports Guides are the perfect tool for anyone wanting to improve their performance, from beginners learning the basic skills to more experienced participants working on advanced techniques. In this second edition of *Snooker & Billiards - Skills, Tactics Techniques*, the history of the game is covered along with the rules of the game; choosing the right equipment and top tips from many of the game's great players. All the skills and techniques are explained clearly with full-colour sequence photography and detailed table diagrams help explain more advanced tactics such as breakbuilding and safety play. Aimed at beginners taking up the game for the first time, false beginners wanting to revise their technique and also more experienced players looking to further develop their tactics. Superbly illustrated with 65 colour images in sequence photography and 108 table diagrams.

On Snooker Mordecai Richler,2010-04-30 From his first days as a poolroom hustler playing truant from Baron Byng High School at the Rachel Pool Hall, Mordecai Richler has remained a snooker devotee. In his inimitable style, he delves into the fascinating world of snooker with pith and perception. But *On Snooker* is not just a lifelong fan's memoir. It is a brilliantly entertaining history of the game and an account of snooker's bad boy champions, including Alex (The Hurricane) Higgins, Cliff (The Grinder) Thorburn—both Canadian and interviewed for this book—with a chapter devoted to their special exploits and drug escapades. There are other colourful types: Ronnie (The Rocket) O'Sullivan, whose dad (Ron's the name, porn's the game) is serving a life sentence for murder. Finally there is Stephen Hendry, the greatest player ever, who has won the world championship a record seven times. Mordecai Richler also makes clear why many great writers have been fascinated by sports and why snooker and literary readers go together, including Hemingway, Shulberg, Mailer, Roth, Plimpton, Martin Amis, and others. Very funny, passionate, and thoroughly researched on snooker tables from Montreal's The Main to Dublin, *On Snooker* is a book lovers of Richler and of great sports writing will cherish.

Unbreakable Ronnie O'Sullivan, 2023-05-11 AN INSTANT SUNDAY TIMES BESTSELLER SHORTLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR 2023 'Reading this is like watching an O'Sullivan break: hypnotic, dazzling and impossible to tear yourself away from.' - STEPHEN FRY 'Besides quite a few laughs, many readers will find recognition, reassurance, remedy and revelation in O'Sullivan's candid story. I highly recommend it.' - THE TIMES 'Ronnie is searingly honest, candidly funny, and thought provokingly brilliant in Unbreakable. I devoured it.' - NIHAL ARTHANAYAKE --- In a career spanning over three decades, Ronnie O'Sullivan's journey to becoming the greatest snooker player of all time has been filled with extremes. A teenage snooker prodigy, Ronnie turned professional with the highest of expectations. This pressure, together with a challenging personal life, catapulted Ronnie into a life of excess and addiction. He was winning titles - his first within a year of turning professional - but losing himself and his game as he tried to block out the mental pain and misery. Whilst Ronnie appeared at the height of the game to spectators, these were the moments when he felt at his lowest. In the year 2000 Ronnie started rehab and began the journey to get his life back, addressing his demons and working on developing a stronger and more resilient mindset. More than twenty years on, Ronnie is still obsessed with delivering his peak performance and never happier than when in a snooker hall, but success has now taken on a new meaning for the record-equalling world champion. Framed around the many lessons Ronnie has learned from his extraordinary career, Unbreakable takes us beyond the success and record-breaking achievements to share the reality - and brutality - of making it to the very top, whatever your field. Ronnie is the first to say he doesn't have all the answers, but in sharing the experiences that have shaped him and mistakes that have made him, he hopes to help readers navigate their own personal challenges and obstacles, and in turn reach their maximum potential. This is Ronnie O'Sullivan as you've never seen him before, the definitive and unflinching story of a true British icon and a fascinating insight into the mindset of the world's greatest snooker player.

The Encyclopedia of Snooker Ian Morrison, 1985

Snooker John Spencer, 1993

Snooker Legends Jason Francis, 2018-07 Jason Francis is the man who created the Snooker Legends Tour and who's been at Ronnie O'Sullivan's side on tour for the past 6 years. This is his story, sharing tales on the road with the Rocket and some of the game's greatest ever snooker legends like Jimmy White and Stephen Hendry. From his initial idea, to meeting and staging the last ever snooker show with Alex Hurricane Higgins to taking over the World Seniors Tour, Jason reveals what he learnt about the players themselves and also the sport as it developed over the years under the guidance of Barry Hearn. Through his tour, Jason was at the center of it all, able to bring the former players together again to renew old rivalries and create new memories. He struggled against those in the game who didn't want him to succeed but never gave up. This is his story, a snooker fan's story.

Me and the Table - My Autobiography Stephen Hendry, 2018-09-06 STEPHEN HENDRY became the youngest professional snooker player in 1985 aged 16 and, in 1990, he was the youngest ever snooker World Champion, at the age of 21. Widely regarded by fans and pundits alike as one of the greatest players of all time in the sport, over a 27-year career, Hendry went on to win the World Championship seven times, and was snooker's world number one for eight consecutive seasons between 1990 and 1998. Hendry retired in 2012 with a record-breaking seven World Champion titles under his belt, a record that remains to this day. He's now ready to tell his life story for the first time - from a childhood spent climbing the ranks of the sport, through the highs of the '90s and lows of the 2000s, to his life now as a sports pundit and commentator. With an insight into the world of the man behind the cue, and what made him such a top-class player, this is the definitive autobiography of the legend that is Stephen Hendry.

Snooker Masterclass Stephen Hendry, 1996 In this book the world's number one snooker player, Stephen Hendry, explains everything from the basics like how to hold a cue to advanced aspects of safety play. It is illustrated throughout and includes personal anecdotes.

Snooker's World Champions Luke Williams, Paul Gadsby, 2012-10-05 The top snooker players in the world compete for several trophies every year, but one carries more prestige than all the others put together - the World Championship. No other tournament in the sport carries with it so much history, so many golden moments of spectacular success and dramatic failure. Meticulously researched and including exclusive interview material with Steve Davis, Stephen Hendry and 2005 world champion Shaun Murphy, among others, *Masters of the Baize* is a comprehensive guide to the men who have lifted the greatest prize in snooker. From the legendary Joe Davis, the first champion in 1927, to modern-day masters like Mark Williams, all the sport's world champions are put under the microscope, while the colourful careers of forgotten figures such as Walter Donaldson and John Pulman and rogue heroes like Alex Higgins and Ronnie O'Sullivan are brought vividly to life. After uncovering the inauspicious origins of the game in nineteenth-century India, the authors examine every former world champion in his own comprehensive chapter. Additionally, a special section focuses on the extraordinary popularity of Jimmy White, by far the greatest player never to have won the title and one of the most emotive names in the sport.

Snooker Player by Player Liam McCann, 2013-11-14 *Snooker Player by Player* is a compilation of the 100 greatest snooker players in the game's history. Re-live the glorious careers of Fred and Joe Davis, examine Ray Reardon's six world titles and marvel at the genius of Stephen Hendry and Ronnie O'Sullivan. Enjoy the careers of former world champions and masters of the green baize like Terry Griffiths, Jimmy White and Steve Davis, and cast your mind back to the epic 1985 Embassy Final won by Dennis Taylor. The book also features the likes of Cliff Thorburn, Kirk Stevens and John Higgins, all of whom have made maximum breaks. And no book on snooker would be complete without mentioning the game's future stars. Mark Selby and Neil Robertson might be firmly established already but Judd Trump, Ding Junhui and Liang Wenbo are champions-elect who will surely dominate the game for years to come. Each entry lists the key facts, statistics and achievements that have helped the players join the game's elite.
