The Sub P. J. Petersen,1993 When their teacher is out sick, James and Ray switch seats, so the substitute will think James is Ray and Ray is James. But James soon gets tired of the game. The next day, the sub is back. How is James going to get out of this mess? An IRA-CBC Children's Choice Book An American Bookseller Pick of the Lists

U Might Become a Sub-a-Phobe If . . . Brian Lee Slovin, Ph.D.,2017-09-17 This lighthearted approach to subbing addresses the pros and cons of substitute teaching (subbing) but warns about the caution flags/danger signs that could dissuade someone from subbing or quit subbing altogether.

Private Investigators & The Dirty Little Secret of Sub-Contracting Richard A. Brooks,2015-10-15 Are you a private investigator who wants to work insurance fraud cases? Are you a "one man show"? Do you want to conduct worker's compensation surveillance and claims (also known as "SIU" or Special Investigations Unit) investigations? Do you have your own small PI company, cannot get those types of cases directly from the insurance companies and think you may want to sub-contract or become a vendor for other PI firms? I often speak about this issue. I was asked to write an article on the subject of PI's sub-contracting to other Private Investigation companies, as there are things, "secrets" if you will that these potential investigators should know about this industry.

Sub 4:00 Chris Lear,2004-08-25 For more than three decades, not one American schoolboy had run a sub-4:00 mile. Then, in January 2001, Alan Webb clocked a 3:59.86 mile, the fastest indoor U.S. high school mile ever. Just a few months later, the young track star achieved legendary status: he ran a 3:53.46 mile-a full 2 seconds faster than former record holder Jim Ryun. Everywhere Webb was hailed as America's Next Great Miler. In *Sub 4:00*, noted track writer Chris Lear follows Webb to college at the University of Michigan. As we witness Webb's freshman track

season-watching him struggle with injuries, interpersonal conflicts, the politics of the collegiate track world, and his own aspirations to become the best miler ever-we get an unprecedented behind-the-scenes view of the life of one of the nation's most promising track athletes with a new chapter describing the latest developments in Webb's fascinating career.

The Billionaire's Sub M. S. Parker,2016-07-23 Moving to Hollywood after graduation was supposed to be my first step into the adult world, a chance for me to live life on my terms. It'd worked for my older sister. I just hadn't realized how much until she shared her darkest secret with me. When twenty-one year-old Hanna Breckenridge moves across the country to take a job as her sister's business manager, she has no idea the culture shock she's in for. When billionaire Cross Phillips approaches her, she's flattered, only to find out that he'd been interested for reasons far different than anything Hanna would've imagined. When things take a dangerous turn, she's forced to decide just how much she can trust this gorgeous man. Don't miss the steamy standalone *The Billionaire's Sub* by USA Today's best-selling author, MS Parker.

Dave's Subs David Marx,2015-11-16 It's meant to incite a revolution. For the past 30 years, high consequence industries like aviation and healthcare have rethought the concept of workplace accountability. Being pushed out are the old tactics of blame and shame for a more enlightened view of how we can help

inescapably fallible employees produce great outcomes. It means building a learning culture, it means building a different culture of accountability. The revolution comes, however, when it spreads beyond aviation and healthcare to every employer - including your local sub shop. Come alongside Milo, a manager at the fictional Dave's Subs, and his five inescapably fallible employees. Be part of Milo's year long journey to find a better system of workplace justice. Be part of the revolution.

Sub Rosa / The Book of Metaphysics Francesca

Lisette,2018-11-05 sub rosa: The Book of Metaphysics is a three-part interrogation of love, gender, ritual and the body. It heralds a new kind of poetic thinking, one that seeks to articulate and enact a mode of resistance to the obstinacy of present conditions, but which focuses on embodiment, tenderness and optimism. It wants to break present paths and contribute to a collective imagining of a different future; a record of and a practice towards healing. The opening sequence charts the breakdown and aftermath of a romantic relationship. The second, 'Becoming', then traces several feminine archetypes - the mother, the girl, the wild woman, the mermaid, Venus - in a critique of gender identity, summoning a lineage of strongly developed feminine ego identities in order to transcend and dissolve the individual (gendered) subject. The third sequence, entitled 'Ecstasy (Dispersal)' is then a reconstruction: a somatic and poetic (re)connection with the elements via crystal work, dance, somatics and food. Altogether, this collection is the latest installments of Lisette's engrossing attempt to develop a poetics which is more inclusive of the body, the feminine, and the performative.

Sub Pop USA Bruce Pavitt,2014 In 1979, Bruce Pavitt moved from Chicago to Olympia, Washington, and began programming a show called Subterranean Pop on local community radio station KAOS-FM. In 1980, he launched Subterranean Pop magazine, dedicated to the unsung punk, new wave, and experimental regional bands of the Pacific Northwest and Midwest. In 1986, Pavitt put his ideas into practice, launching Sub Pop Records with the historic Sub Pop 100 compilation and Soundgarden's first release, Screaming Life. While the Sub Pop Records legacy is today legendary, his groundwork is collected here for the first time.
